Journalism in all its departments is a business that requires more self-sacrifice, more indefatigable labor, more patience, endurance and nice discrimination than any other profession. There is no class of men that furnishes so cheaply the indispensible intelligence, wisdom and virtue for the support of the government and welfare of the people, as the well-trained and efficient journalist. Every good citizen should take and pay for a good paper; he owes it to his country, his family and his own self-respect and interest.

A respected resident of Hanwell, Mr. Thomas Lucy, Sr., died Saturday morning at the advanced age of eighty-four years. The remains of the deceased were interred in the Catholic Cemetery at Hanwell on Monday.

We hear of some extensive lumber purchases by Mr. Gibson in the last few days. It is said he has bought all of Mr. Murray's logs and deals—some 25,000,000 feet—and has taken all of Mr. Hamilton's season's cut, probably 3 to 4 milllons more. These, with his home supply and some 10 to 12 millions which he will buy from outports. will give Mr. Gibson probably 80 to 85 million feet for shipment this fall. A large tonnage will be required, of which sufficient for 20 to 25 million feet has already been secured. Deals are holding their price well in England, and freights, no doubt, will fall. It is altogether likely that both those who are selling at home now and the shippers to England will do well on what will go forward this fall.—*Sun.*

YORK COUNTY COURT.

Opening of the October Term.

Important Criminal Cases.

The October Term of the York County Court, opened yesterday at 11 A. M., Mr. Justice Steadman presiding. There was a large attendance than usual, owing to the number of important criminal cases before the Court. The Grand Jury were sworn in as follows:—Thomas Morris, foreman, James Pickard, Wm. McKeen, T. G. O'Connor, Wm. Anderson, Wm. H. Vanwart, David W. Estabrooks, J. G. McNally, Nelson Campbell, Wm. Lemont, Thos. Howell, C. H. Thomas, John Moore, John Cameron, Matthew Tennant, David B. Barker, F. McGoldrick, Geo. H. Parker, Geo. C. Hunt, Andrew Anderson. His Honor then charged the Grand Jury, first taking up the Stanley shooting case, reciting at the outset, the facts of that unfortunate affair, as already given in the MARITIME FARMER. His Honor read at length and commented thereon, the law forbidding the carrying of firearms. His Honor felt that there was no intent to murder surrounding the circumstances of the shooting, but the fact remained that Gallagher was on the spot, having on his person an unlawful instrument, through which Hossack met his death.

His Honor then took up the three cases against the Lees and Virtue, for shooting Policeman Vandine, and attempting to shoot him and Police Magistrate Marsh, noting that no matter which of the party fired the shots the others were equally culpable, should the evidence sustain the charges against them.

His Honor next discussed the perjury cases of Thomas Thompson and Henry McDonald, dwelling on the serious nature of such a crime. Again reverting to the Lee cases and the forgoing His Honor said the fact that they may be traceable to the enforcement of the Canada Temperance Act, must not influence the minds of the jury. They were breaches of the law, and it was the interest of every man to unite in upholding it, notwithstanding what his individual feelings may be with regard to it. The danger the authorities have undergone in enforcing the Canada Temperance Act, may be the case of anyone in the future who may express an opinion in the matter. While the Canada Temperance Act, is on the Statute Book, it is the duty of every loyal citizen to assist in upholding it, and they have it in their own hands, if they wish to repeal it, an opportunity for which is soon to be given. His Honor impressed upon the Jury, not to allow their judgement to be prejudiced by their feelings regarding the Scott Act, but to look upon these cases as violations of the law of the land, which has been brought into operation by a large majority of the citizens to whom also is delegated the power to repeal it.

The Civil docket was made up as follows:

Asa Dow *v.* Ira Dow, Fraser, Wetmore & Winslow for plaintiff, Gregory & Blair for defendant.

Augustus Rouse *v.* David P. Grant, Fisher Fisher & Russell for plaintiff, J. A. & W. VanWart, for defendant.

Patrick Bradley, *vs.* Arthur Smith, J. A. & W. VanWart for plaintiff, Fraser, Wetmore & Winslow for defendant.

George T. Seely, *vs.* John Adams. Gregory & Blair for plaintiff, Wm. Wilson for defendant.

George Donohoe *vs.* Murray Scott *et al.* Wm. Wilson for plaintiff, Rainsford & Black for defendants.

John Sharpe *vs.* Jabob Hazleton. J. A. & W. VanWart for plaintiff, Gregory & Blair for defendant.

John Horseman *vs.* Eugene A. Albee. J. A. & W. VanWart for plaintiff, J. D. Hazen for defendant.

Adam M. Jackson *vs.* Nelson Bennett. J. A. & W. VanWart for plaintiff, Gregory & Blair for defendant.

Margaret Kirlin *vs.* Corporation of Fredericton. Rainsford & Black for plaintiff, Beckwith & Jordan for defendant.

James Harris *vs.* St. John & Maine Railway Company. Gregory & Blair for plaintiff, F. E, Barker for defendant.

Thomas Whittier *vs.* James Colter, William Wilson for plaintiff, J. A. VanWart for defendant.

James Martin *vs.* William Russell. A. L. Belyea for plaintiff.

Mr. Black moved for the naturalization of Darius Fogg and Henry Houghton, of North Lake.

The Grand Jury found a true Bill against Gallagher for manslaughter, whose trial is in progress to-day, Dr. Tuck, Q. C., and Mr. Rainsford for the prosecution, and Mr. Wetmore, Q. C., for the prisoner.

True Bills have also been found against the Lees and Virtue on all the counts. These cases, with those for perjury, constitute an unusually large criminal docket, and induce a much larger attendance and greater interest in the session of the Court than usual.

The new United States paper currency is now ready for issue. The new notes are entirely different from the old ones, which are now being destroyed as fast as they are received at Washington. From "The Times."

Editor Times:—Seeing an article in your paper last week from Arnold Barker, I was impressed with the earnestness with which he appeals to you to continue to enlighten the world in regard to the means by which he was so miraculously cured of rheumatism and hip-joint lameness by using Kendall's Spavin Cure. The article to which he alludes by Dr. Bates, impressed me so favorably with the real merits of this remedy that I tried it also for several blemishes on my horses and found it the most perfect cure I ever tried for spavins and other blemishes, as it completely removes the enlargement in every instance. By continuing its use for several days after the lameness has subsided. The perfect success I have always had with Kendall's Spavin Cure led me to use it on my own person, and for all the family with the very best results as a family liniment. While several of the cures made by it have been almost miraculous, none have been more satisfactory than several cures which I made with it of foot rot and also sore teats as well as warts on teats of cows. I consider it a sure cure for sore teats or food rot in either cows or sheep. With the satisfaction this remedy has always given in every instance I cannot refrain asking with my friend Parker that you continue to make known to the world this, the greatest discovery of the nineteenth century.

Yours truly,

JAMES A. CAMPBELL.

Herkimer, N. Y., Sept. 10, 1881.

The above letter, with one published last week, encourages us in our efforts to make our paper one of the most valuable Journals in the country and to all our patrons, and we now ask others of our readers who have been alike benefited by the latter published one year ago from Dr. Bates, that they send us for publication, statements which they may wish to make for the benefit of others

HONORING MR. BROWN.

The Dinner at the "Barker."

On Monday evening, about seventy-five of the leading gentlemen of the city, including members of the Government, the heads of the Municipal bodies, Judges, lawyers, press-men, etc., sat down to a sumptuous dinner given in honor of Hon. C. P. Brown of Manitaba, at the "Barker House," by his personal friends and admirers, many of whom had known him before he had left this his native County, and while he was a very young man.

The dinner itself was probably the best gotten up, and all the arrangements were more complete than ever known in connection with a similar affair in this city. Mr. Coleman, and his aids received the warmest commendations for their efforts to do their part well, and the success they scored will redound to the benefit of the already well established reputation of the "Barker." The tables were spread with the greatest taste and the menu embraced dishes that would tempt the most epicurean taste.

The toasts were proposed and received with much enthusiasm, and the music furnished by the Fredericton Brass Band was particularly appropriate and pleasing.

Sheriff Temple presided in his usual genial manner, and Mayor Fisher's smiling visage faced him in the vice chair. The guest of the evening, Hon. Mr. Brown, sat on the Sheriff's right, who was also supported by His Honor the Lieut. Governor, Attorney General McLeod, Auditor General Beek, Secretary Inches, Mr. Rainsford, Deputy Clerk of the Crown, Hon. J. J. Fraser, E. L. Wetmore, M. P. P., Collector Street, Mr. E. B. Winslow, Justices Palmer and Steadman, Dr. Rand, Mr. Elder, M. P. P., who had come especially from St. John to honor Mr. Brown, the Messrs. Vanwart, representatives of the local press, Rev. Jos. McLeod and numbers of others. Surrounding the Vice chair, were, Hon. Geo. J. Colter, Mr. Blair, M. P. P., ex-Mayor Gregory, Warden Close, H. Wilmot, Esq., Major and Harry Beckwith, F. B. Edgecome, Geo. Brown brother of the guest, C. H. B. Fisher, Councillor Colter, Deacon Brown, P. Dever and A. W. Smith.

The Chairman and Vice were happy in proposing the various toasts which were drunk in cold water. The speech of the evening was made by Hon. Mr, Brown, whose manner of address is practical and pleasing, and conveys the impression that he is a well-skilled politician and clever debater. He was received with unbounded enthusiasm. The Lieut. Governor, Judge Palmer, Attorney General McLeod, His Worship the Mayor, Mr. Elder, Rev. Joseph McLeod and others spoke, and were well received. The evening was one of unalloyed enjoyment and highly flattering to Hon. Mr. Brown, who carries away with him a warm feeling of ragard for his friends in York. He and Mrs. Brown left for home on Tuesday, and we wish them a safe aud pleasant passage.

We may mention here, that he represents in the Manitoba Assembly the constituency of Westbourne, one hundred miles west of Winnipeg, for which he was elected in 1874, when only twenty-five years of age, and for which he has been returned ever since by acclamation Mr. Brown is now but thirty-three years of age, and his rapid acquisition of wealth and position in his adopted Province, through his own energy and intelligence, is one of the many examples of York County men's success abroad.

See Manufacturers of Miller's Patent Shifting Rail.

These Shifting Tops have no rival, as a glance at the cut will show for itself; it is so simple. It requires only one person to take it off or put it on, and when off no one would think a Top had been on, as no unsightly ends are sticking out. When the Top is on it is as firm as a rock. It can be put on any carriage in use. Persons ordering Buggies or Canopy Top Carriages should see that they have this Rail, as it will be greatly to their interest.

These Tops were awarded a Diploma at the Provincial Exhibition in October, 1880

Particular attention given to orders. Repairing done in the best manner, and at the shortest notice
