A NEW THING.

Prescribed by the Board of Education.

WALL SLATING!

By its use, School D ts will

Save the Expense of a Black-Board.

A Trustee has only to daub a lot of it on the wall, when,

LO! AND BEHOLD!!

you have a smooth blackened surface that will retain its pristine color, until, it wears off, which is much longer than a painted pine board.

As an Educational Auxiliary it is worth more than Railroad Bonds.

CULVERWELL, M. D., author of the "Green Book," &c.

The world-renowned author, in this admirable Lecture, clearly proves from his own experience that the awful consequences of Self-Abuse may be effectually removed without medicine, and without dangerous surgical operations, bougies, instruments, rings, or cordials; pointing out a mode of cure at once certain and effectual, by which every sufferer, no matter what his condition may be, may cure himself cheaply, privately and radically.

GRAY'S SYRUP OF RED SPRUCE GUM.

Trade Mark Registered.

Price 25 cents.

Every one has heard of the wonderful effects of the Spruces and the Pines in cases of Lung Diseases. The Rev. Mr. Murray, in his book on the Adirondacks, lately published, relates the case of a consumptive young man who was entirely cured by a three months' camping out among the pines. In France the physicians regularly send their consumptive patients to the pine woods, and order them to drink a tea made from the spruce tops.

GRAY'S SYRUP is a scientific combination of the gum which exudes from the Red Spruce tree. In this preparation the gum never separates, and all its inspasmodic expectorant, tonic and balsamic properties are preserved.

For coughs, colds, Hoarseness, Throat Affections, &c., it acts like a charm.
