—TO—
FARMERS!

If you require good serviceable implements get Collards' Flexible Iron Harrows, Cultivators, and Iron Combined Horse Hoes. These implements are extensively used and have given and continue to give general satisfaction. For strength, efficiency and durability they cannot be surpassed. The Harrows can be made to get any width of ground and of any size of iron required. Many object to them because they are too heavy. This they need not do as I am now manufacturing harrows suitable for any soil, from 100 lbs. in weight and less up to any weight they may want. The harrow teeth are all steel pointed. Circulars sent free on application. Agents wanted. GEO. GILLIES, Manufacturer, Gananque, Ontario.

MANHOOD:
How Lost, How Restored!

We have recently published a new edition of Dr. Culverwell's Celebrated Essay on the radical and permanent cure (without medicine) of Nervous Debility, Mental and Physical Incapacity, impediments to Marriage, etc., resulting from excesses.

Price, in a sealed envelope, only 6 cents, or two postage stamps.

The celebrated author in this admirable Essay clearly demonstrates, from thirty years' successful practice, that alarming consequences may be radically cured, without the dangerous use of internal medicine or the application of the knife; pointing out a mode of cure at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately and radically.

This Lecture should be in the hands of every youth and every man in the land.
