FRED H. STEVENS, - Editor & Publisher

HARTLAND, Carleton Co., N. B.

P. O. Box, 17.

It is hoped that the proposed pork packing factory in St. John will speedily be in running order. The Sun says: "The president of the Board of Trade received a letter yesterday from a gentleman in Carleton County asking if the new pork packing factory would be in working order by August. If so he would be glad to supply them with two thousand hogs at that time. He further says that Carleton County will have a very large hog product for 1898, and all kinds of crops are immense."

* * *

There is pretty good prospect of the speedy installation of an electric light plant in Hartland. L. A. Somers of the Royal Electric Company of Montreal, was here this week, and local capitalist have the matter in hand so that in only a few weeks the matter will be decided.

Hartland lacks electric lights to make it an up-to-date place, and the citizens should interest themselves and do all in their power to aid the enterprise.

Farmers Institute Meetings.

Under the management of the New Brunswick department of Agriculture and the Farmer & Dairyman's Association of New Brunswick, meetings will be held at places and dates indicated below. W. S. Blair, horticulturist of the Maritime Experimental Farm, will speak on "The Planting and Managements of Orchards." S. L. Peters, Queenstown, N. B., will speak upon "Dairying for Profit." Everybody is invited to attend the meetings and take part in the discussions. Ladies especially invited. Musical additions to the programs will be appreciated. The dates are: Tuesday, July 12th, 7:30 p. m., at Glassville; Wednesday, July 13th, 7:30 p. m. at Bath; Friday July 15th, 7:30 p. m. at Waterville. Mr. Blair will also visit orchards and fruit gardens on invitation.

Two Cheap Excursions.

To The Canadian North West.

Second class return tickets good to go on July 13 and 19th only, and to return within sixty days from date sold at following rates: Deloraine, Reston, Estevan, Binscarth, Moosomin, or Winnipegosis $28.00 each; Regina, Moose Jaw or Yorkton $30.00; Prince Albert or Calgary $35.00; Red Deer or Edmonton $40.00. Extension can be obtained at destination, not to exceed sixty days, on payment of $5.00 extra per month, or part thereof. Stop over allowed at Winnipeg or West thereof only, on application to Conductors. Side trips in same territory at single fare, on application at Junction points.

Wheat Crop Failure.

Notwithstanding the good season there is a failure in local wheat crops. It seems that the seed did not all grow and part of what has grown has died as though blighted by some kind of an insect. It was expected there would be a largely increased production of wheat but from prospects now only an average yield will result, although there is larger acreage.

Acknowledgement.

EDITOR ADVERTISER:—Kindly permit me through your paper to acknowledge the prompt payment by the Loyal True Blue Lodge of one hundred dollars as a funeral benefit for my son, the late Albert A. Brittain.

Yours Sincerely,

MRS. G. A. BRITTAIN.

Sure, Safe, Easy to Use.

Dramond Dyes are the popular dyes in every home of the civilized world. They are sure and reliable under all circumstances, giving the choicest, most briiliant and most lasting colors.

Diamond Dyes are the safest to use in the home; no poisonous ingredients to irritate the hands are ever used in the composition of these famed dyes. Common package dyes are largely composed of dangerous materials.

Diamond Dyes are so easy to use that a child can dye as successfully as as a grown person. Beware of common and crude dyes sold for the sake of large profits. Insist upn having the Diamond Dyes and you will have happp results.
