POOR COPY

and Lungs, and a general depression of health to such an extent as greatly to alarm myself and friends as to the result. During this time I tried several highly recommended remedies, with little or no good result, and had concluded to try the effect of a Southern climate upon my health: but, before carrying this resolution into effect, I was induced by urgent solicitation of your agent, Mr. Huntley, to give Dr. WISTAR'S BALSAM OF WILD CHERRY a trial. I did so, and to my great joy found immediate and permanent relief *by the use of only one single bottle*, and I am now in as good health as ever. I believe your Balsam is one of the best remedies, for *Coughs, Colds*, and all *Lung Diseases*, now in use, and conscientiously recommend it as such."

SEASONABLE FESTIVITIES,

Whether attending, in solemn duty, to religious service, at the lecture, the concert, or at the social gathering, we find at this period that coughs and colds are very prevalent: unpleasant alike to those who suffer as well as to those who have aural demonstration of the fact. Many an impressive discourse, many a choice selection of music, has been marred by a din of coughing that seems at times contagious. To remedy this, our readers should use and recommend *Wistar's Balsam of Wild Cherry*, one of the best medicines in the world for Coughs, Colds, Bronchitis, and all throat and chest affections.—*Montreal Transcript.*

Ayer's Hair Vigor,

For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. *Faded or gray hair is soon restored to its original color with the gloss and freshness of youth.* Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING,

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich glossy lustre and a grateful perfume.

THE BEST & THE CHEAPEST

CARR'S PATENT CANT DOG!

HAVING long felt the necessity of a Dog that would combine all the good qualities of other Dogs, and at the same time overcome their defects, I have, after spending much time and thought, accomplished the desired object, and am prepared to furnish to order, with the most unlimited confidence that it will prove to be all that I claim for it, viz:

1st—Simplicity combined with utility. The bolt and nut, which are often working loose, are entirely dispensed with.

2nd—The connection is so low that the Dog never fails to catch the log.

3rd—The width of the band gives additional strength to the stock.

4th—With all of the above advantages, it is still the cheapest and most durable of any Dog now in use.

To Whom it may Concern.

We, the undersigned, having examined the Cant Dog invented and patented by James Carr, of Richmond, frankly say that we consider it as combining all the requisits of a perfect Dog.

THE GREAT ENGLISH REMEDY!

Truth Must Prevail!

CLARK'S DERBY CONDITION POWDERS!

1. This is the only *ENGLISH CONDITION POWDER* in the Market. For the purpose for which it was designed, it has never been equalled.—The receipt for its preparation was the most successful achievement of one of England's most eminent Veterinary Surgeons. It was used by him with unparelled success, through a long course of veterinary practice. The London Farriers say it is the only Condition Powder to be relied upon. When given to horses, it produces an almost magical effect, increasing the appetite, producing a healthy condition of the digestive organs, purifying the blood, causing an equal circulation, and imparting a renewed and vigorous constitution; all of which is speedily indicated by the peculiar glossiness of his coat, and the activity and sprightliness of his motion. No animal can be in a healthy condition if its coat is rough and staring, and its motion languid.

2. The Derby Condition Powder will be found a perfect Tonic and Restorer after an attack of any acute disease, such as Catarrh, Horse-ail, &c.

3. They are equally beneficial to Cattle, Sheep and Pigs, and can never do harm.

4. Farmers who are fattening stock should always use them; their use keeps the animal thrifty, and causes them to take on flesh much faster. Look for the signature of

J. BRACY CLARK, LONDON,
Professor of Anatomy in the Royal Veterinary College, Great Britain.

J. W. Brayley, Fredericton, N. B., is my only Wholesale Agent in the Dominion, to whom address all orders.

Sold by every Druggist, and at every Country Store in the Province.

EASE & COMFORT FOR THE SUFFERING!

Dr. Wilson's Cramp & Pain Reliever!

1. Is a *FAMILY MEDICINE;* it is very popular, and in high repute with all who have used it, never failing in any instance to afford instant relief when used in time, and we have never known a single instance of dissatisfaction when used according to directions. Every body is delighted with its use, and all speak in the highest terms of its medical virtues.

2. The Cramp and Pain Reliever is winning for itself a reputation as a Purifier of the Blood and an alterative tonic for the Stomach, which no other Proprietary Medicine can hope to possess; for Dyspepsia, Flatulency, Wind on the Stomach, Waterbrash, Indigestion, Sour Stomach, Heartburn, Kidney Complaint Phthisic or Asthma, it is a sovereign remedy. It yields to no other medicine in quickening the circulation and restoring vital warmth to the cold during the winter months of the year.

3. Its success has been wonderful in curing Coughs, Sudden Colds, Sore Throat, Diptheria, Pain in the Side, Back and Limbs, Neuralgia, Toothache, Ague in the Face, etc. etc.

4. It is a prompt remedy for Rheumatism, and any pain that can be cured by an internal or external application.

5. From the unceasing care in the manufacture of the Cramp and Pain Reliever, and from the fact that it always performs what it promises, has caused it to retain its supremacy over all trashy imitations. Its perfect harmlessness as an over dose can never injure, and the easy manner in which it can be used renders it invaluable in the house. Its usefulness covers all the accidents likely to occur among families. It should always be kept where it could be found in the dark, if necessary, so that in case of any sickness or injury its timely use will prove of immediate benefit. If suddenly seized with sickness administer a dose of Cramp and Pain Reliever, and it will often suspend or check the progress of disease before the Doctor can be got. It is a friend to every body, and the best family medicine in the world.

6. Beware of counterfeits and worthless imitations; ask for Dr. Wilson's Cramp and Pain Reliever, and take no other.

Clapboards! Clapboards!

THE subscriber informs the inhabitants of this County, that he is now engaged in manufacturing Pine and Spruce Clapboards, at his Mill (known as the Gray Mill) on the Upper South West Miramichi, and about 6 miles East from Hugh Miller's, Glassville.

He will keep them constantly on hand for sale at the Mill and his Store, Middle Simonds. Having the best of workmen and machinery engaged in this manufactory, he is prepared to recommend these Clapboards as being, in the several grades, better than any others offered in this market. Prices low according to quality.
