THE WORLD WITHOUT A NEWSPAPER.—At a meeting of the Urban Club, Mr. G. Linnæus Banks, in the course of a most effective speech on proposing the toast of "The Press and Edward Cave," dwelt upon the debt we owe the enterprising printer of St. John's Gate, for initiating the system of Parliamentary reporting, and closed his remarks with the following startling and suggestive homethrust:—

"There are people—hard-headed, matter-of-fact people—who affect to despise both newspaper influence and newspaper writers. I should like such people to have a momentary glimpse if it were possible, of the mere business world as it would be if all newspaper facilities were annihilated. Extinguish all the light which the press has shed upon the wants and interests of society; let all the information it has gathered from all parts of the world, and scattered among its readers, be forgotten; let all the intelligence it has imparted, all the enterprise it has awakened, all the ingenuity and energy it has stimulated be cast into oblivion; and in what stage of advancement may we suppose the mercantile world would be found? Would not the unfortunate English trader fancy himself transported back into the dark ages? And if such commercial, what then the political, what then the social and moral aspect of society?—Let any one reflect an instant upon the gigantic power for good or evil exercised by even one ably conducted journal, and then tell me, if you can of any other human agency that is at all comparable to it?"

Twenty or thirty years ago, when missionary enterprises was in its infancy among the Islands of the South Seas, Captain Sumner anchored his sloop-of-war off one of the Marquesas. The next morning he saw an American flag floating from the beach, union down. This excited him fearfully, and he sent off a boat at once to inquire into the matter. Presently the boat returned, and brought a grave looking missionary. The captain's anxiety ran high.

"What's the trouble out there?" he asked; "quick?"

"Well, I am grieved to say, sir," replied the missionary, "that the natives have been interrupting our sacredotal exercises."

"What? what was that you said they'd been doing?"

"It pains me, sir, to say that they have been interrupting our sacredotal exercises."

"Man them starboard guns! Stand by, now, to give'em the whole battery!" exclaimed the captain.

The astonished missionary hastened to protest against such rigorous measures and finally succeeded in making the old tar understand that the natives and only been breaking up a prayer meeting.

"Oh! is that all?" said he; "I thought you meant that they'd stopped your grog!"

SINGULAR CASE OF TRANCE.—An English paper relates that about five months ago a girl about twelve years of age, living near Whitehaven, became ill, and in a short time fell into a lethargic state, resembling that of a person in a trance. In this condition she remained for several weeks, but at length returned to a state of consciousness, and, calling upon her mother, related how she had been in heaven and seen numerous angles and her brother, who died some time ago. This power of speech remained only for a short time, and the girl relapsed into her former state, or nearly so. She lies in a lethargic condition, but when a question is put to her she manifests her power of understanding it by a slight moving of her head. The only sustenance she has taken for 15 weeks has been the occasional moistening of her lips with a little brandy and water or tea. Within the last few days the girl's limbs seem to have become gradually more rigid, as though foretelling a not very distant dissolution.

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS under the Tariff of Canal Tolls adopted and established by Order in Council of the 15th day of April, A. D. 1868, Peat is subject to the high rates of toll imposed thereby on unenumerated goods and merchandize, which are placed in the sixth class of that Tariff;

And whereas it is expedient that Peat, which is now an article of traffic in Canada, should be placed as regards Canal tolls, on the same footing as Coal, and rated in the third class as that Tariff.—

His Excellency in Council, on the recommendation of the Honorable the Minister of Customs, and under the authority given by the 38th section of the Act 31 Vic., cap. 12, intituled, "An Act respecting the Public Works of Canada," has been pleased to Order, and it is hereby Ordered, that from and after this date, Peat shall be and is hereby placed in the 3rd class of the Tariff referred to, and subject to the payment of the rates of Canal toll prescribed for articles enumerated in that class

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

ON the recommendation of the Honorable the Minister of Customs, and under the authority given by the Act 31 Vic., cap. 12, sec. 38, intituled: "An Act respecting the Public Works of Canada" His Excellency has been pleased to Order and it is Ordered, that from and after this day the rate of toll payable on Ice passing through the Welland Canal, shall be, and the same is hereby reduced from twenty cents to five cents per ton,—such reduction to cease and determine after the expiration of the current year, when, unless otherwise ordered, the existing toll of twenty cents per ton shall revive and continue in force thereafter.

WM. H. LEE,
18 Clerk Privy Council.

NOTICE.

WHEREAS by a certain Indenture of Mortgage bearing date on or about the fourteenth day of July, in the year of our Lord one thousand eight hundred and sixty three, made between John Leary, of the Town of Woodstock, in the County of Carleton, Province of New Brunswick, Merchant and Mill owner, and James Hayden, of same, Merchant and Mill owner, of the one part, and the undersigned of the other part, the said John Leary and James Hayden did assign, transfer and set over unto the undersigned all their right, title, interest, claim, property and demand, in, to, or out of the following Leasehold Lands and Premises, situate, lying and being in said Town of Woodstock, in the County and Province aforesaid, on the North side of the Maduxnakik stream in said Woodstock, and bounded and described as follows, to wit:—A piece of land commencing at the north angle of the Mill lot; thence easterly along the highway twenty-one feet; thence southerly or parallel to the upper line of said lot forty-five feet, more or less, to low water mark of the Maduxnakik stream; thence north-westerly along said stream to the upper line of said lot; thence northerly along said line to the place of beginning. Also a piece of land commencing at a marked cedar stake placed on the dividing line between the Mill lot and lands owned by Richard English, six feet north-west from the Mill House (so called); thence south west at right angles to said line twenty feet; thence north-easterly at right angles to said line twenty feet; thence north-easterly along said road until it intersects a line drawn parallel with the south-east end of a Saw Mill standing there, and twenty-four feet south-east from said Mill; thence south west along said line sixty-five feet, more or less, until it intersects a line drawn through the centre of said Mill; thence north-west along said line one hundred and sixty-four feet; thence north-east at right angles to said line one hundred and sixty-eight feet, more or less, until it strikes the line dividing the Mill lot from lands owned by said Richard English; thence south east along said line to the place of beginning. Also a piece commencing at a rock seventy feet south-east from the south-east end of the prolongation of a line drawn from the centre of the said Mill; thence north-east forty-five feet, more or less to a public road; thence south-easterly along said road fifty-one feet; thence south-west thirty-five feet, or until it intersects a line drawn through the centre of said Mill; thence north-west along said line to the place of beginning, being same lands and premises mentioned and described as being divided and set apart to one Tobias McLean in a deed of partition made between said Tobias McLean and John D. Beardsley, senior, bearing date on or about the tenth day of May, A. D. 1855, and registered in the office of the Registrar of Deeds in and for the said County of Carleton, on the sixteenth day of January, A.D. 1863, in Book Z of Records, pages 194, 195, 196, 197 and 198, two-thirds part of which said described premises were on the day of the date of said mortgage conveyed by said Tobias McLean to said John Leary and James Hayden, and also all their right, title, interest, property and claim in any lands and premises and privileges occupied and enjoyed by them in common with said Tobias McLean (at that time) not described in said mortgage, the said Indenture of mortgage being intended to convey all the lands and premises mentioned and described in said deed of assignment from said Tobias McLean to said John Leary and James Hayden, and was so to be taken and construed, and reference was to be had to the said assignment for a description and explanation of the premises thereby mortgaged, together with all the buildings, erections and improvements thereon, and all the privileges, ways, rights of ways, and appurtenances to the same belonging or in any way appertaining, or which they the said John Leary and James Hayden were entitled to in and by said assignment from said Tobias McLean to them—to secure the payment of the sum of Five Thousand Eight Hundred Dollars, with interest, at the times in said mortgage appointed. And whereas default has been made in the payment of the said sum of money, Notice is hereby given, that in pursuance of the power of sale contained in said mortgage, and for the purpose of satisfying the said monies, the property described in said mortgage and above mentioned, will be sold at Public Auction, in front of the Office of Fisher & Jones, Barristers at Law, in the Town of Woodstock, in the County of Carleton, on the twentieth day of May next, at 11 of the clock in the forenoon.

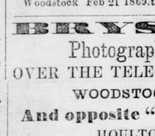
Ayer's Sarsaparilla,

FOR PURIFYING THE BLOOD.



The reputation this excellent medicine enjoys, is derived from its cures, many of which are truly marvellous. Inveterate cases of Scrofulous disease, where the system seemed saturated with corruption, have been purified and cured by it. Scrofulous affections and disorders, which were aggravated by the scrofulous contamination until they were painfully afflicting, have been radically cured in such great numbers in almost every section of this country, that the public scarcely need to be informed of its virtues or uses.

Scrofulous poison is one of the most destructive enemies of our race. Often, this unseen and unfelt tenant of the organism undermines the constitution, and invites the attack of enfeebling or fatal diseases, without exciting a suspicion of its presence. Again, it seems to brand infection throughout the body, and then, on some favorable occasion, rapidly develop into one or other of its hideous forms, either on the surface or among the vitals. In the latter, tubercles may be suddenly deposited in the lungs or heart, or tumors formed in the liver, or it shows its presence by eruptions on the skin, or foul ulcerations on some part of the body. Hence the occasional use of a bottle of this *Sarsaparilla* is advisable, even when no active symptoms of disease appear. Persons afflicted with the following complaints generally find immediate relief, and, at length, cure, by the use of this *SARSAPARILLA: St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, Sore Eyes, Sore Ears*, and other eruptions or visible forms of *Scrofulous* disease. Also in the more concealed forms, as *Dyspepsia, Dropsy, Heart Disease, Fits, Epilepsy, Neuralgia*, and the various *Ulcerous* affections of the muscular and nervous systems.

Syphilis or Venereal and *Mercurial Diseases* are cured by it, though a long time is required for subduing these obstinate maladies by any medicine. But long continued use of this medicine will cure the complaint. *Leucorrhœa or Whites, Uterine Ulcerations*, and *Female Diseases*, are commonly soon relieved and ultimately cured by its purifying and invigorating effects. Minute directions for each case are found in our Almanac, supplied gratis. *Rheumatism* and *Gout*, when caused by accumulations of extraneous matters in the blood, yield quickly to it, as also *Liver Complaints, Torpidity, Congestion* or *Inflammation* of the *Liver*, and *Jaundice*, which *Tortire* as they often do, from the rankling poisons in the blood. This *SARSAPARILLA* is a great restorer for the strength and vigor of the system. Those who are *Languid* and *Listless, Despondent, Sleepless*, and troubled with *Nervous Apprehensions* or *Fears*, or any of the affections symptomatic of *Weakness*, will find immediate relief and convincing evidence of its restorative power upon trial.

A GREAT SENSATION.
A GOOD SENSATION.
PAIN CURED IN AN INSTANT.

TIME AND ITS LESSONS.

Twenty Years Experience and Study in Perfecting a Good Medicine Secures a new source of Happiness to Millions!!

WONDERFUL IMPROVEMENT
IN
RADWAY'S READY RELIEF.

Dr. Radway's newly discovered process for securing medicinal extracts (in vacuo), from vegetable substances, adds greatly to the improvement of the Ready Relief.

IN AN INSTANT it stops and cures the most violent PAINS, ACHES, CRAMPS, SPASMS, with electrical velocity.

It removes every Ache, Cramp, Spasm, or Pain that may exist in the INSIDE or OUTSIDE of Man, Woman, or Child.

HOW TO APPLY IT.

Rub the part of the body where pain exists freely with the Ready Relief; soak a flannel in the Relief, and lay it across the parts where there is a pain or Inflammation. If the parts are too sensitive for rubbing, bathe the body with the Relief with a sponge. Pain the most excruciating will subside in a FEW MINUTES.

CONGESTION OF THE LUNGS.

Bowels, Kidneys, Bladder,—and in all cases where there is inflammation, the Relief should be applied freely, either with the hand by rubbing, or a sponge by bathing, or by a flannel soaked with Relief, and laid across the painful parts. In a few moments all pain will cease, and the cause that occasions the pain removed.

TAKEN INTERNALLY.

Ten to 20 drops in half tumbler of water, will in five minutes, stop Pain, Cramps, Spasms, Colic and Inflammation of the mucus membrane of the internal viscera, this dose repeated every 15 minutes, will cure the worst forms of

Cramp Cholera, Cholera Morbus, Diarrhea, Dysentery, and all painful discharges from the Bowels.

FEVER & AGUE, CHILLS & FEVER.

If exposed to the malaria of this poison, take 20 to 30 drops of the READY RELIEF, in water, two or three times a day. If seized with it, rub the spine of the back, hands, head, feet, &c., and take large doses of Radway's Pills, 6 to 8, every night,—this is a certain cure for Fever and Ague. It is better however to prevent it—by taking the Relief in water, and one or two of Radway's Pills every night.

LARGE BOTTLE, 25 Cents.

SARSAPARILLIAN

RESOLVENT.

People who have to take medicines for a length of time, to remove Chronic diseases, like to know the ingredient, they are taking, the formula of Dr. Radway's Sarsaparillian Resolvent is published in full, in FALSE and TRUE (a new medical publication by John Radway, M.D., that may be had free of charge on sending one 3 cent stamp to pay postage to John Radway, M.D., 439 St. Paul Street, Montreal.) In this advertisement we give a brief explanation of the ingredients that enter into the composition of DR. RADWAY'S SARSAPARILLIAN RESOLVENT.

The uniting of medicinal substances so as to secure an harmonious action, and assist each other in their curative range over disease, is of the first importance to the Chemist,—Many persons question the curative powers of one remedy for so many diseases, not thinking for a moment, that the cure of all Chronic Skin and organic disease can be cured only by purifying the blood.

We here give the chief ingredients that form this wonderful remedy—with the properties of each ingredient so the *intelligent* reader may at once see how perfectly it is adapted to the cure of the diseases named. The moment Dr. Radway's Sarsaparillian is taken, it commences its work of *purification*, it enters at once into the circulation, communicating its curative properties, through the BLOOD, SWEAT, URINE and other fluids.

One tea spoonful in ordinary cases is a dose—Two tea spoonsful in chronic diseases that have afflicted the patient for years.—It is a powerful Remedy, but is innocent of harm.—It is unlike all preparations of Sarsaparilla.

Therefore, always ask for Dr. Radway's Sarsaparillian—take no other—see that the word Sarsaparillian is on the label of each bottle—and R. R. R. Resolvent.

THE GENII OF HEALTH BOTTLED UP IN RADWAY'S SARSAPARILLIAN RESOLVENT,

The Properties of its Ingredients.

SARSAPARILLIAN.—The properties of this wonderful ingredient (which is the only true curative principle of Sarsaparilla), cleanses the blood of vitiated humors, and expels from the system the taint of corruption—rapidly removes from the skin PIMPLES, BLOTCHES, PUSTULES, TETTERS, ACNE, BLACK SPOTS, WORMS AND INSECTS, imparting beautiful clearness to the skin, and the roseate hue of health and beauty to the complexion. A few doses will make a remarkable change.

LIXIVÆ FUCI.—This extraordinary agent, associated with SARSAPARILLIAN, cures effectually, with astonishing quickness, all varieties of uncured Syphilold Ulcers, Nodes, Tumors, Swellings, Fever Sores, Mercurial Sores, Rheumatism and Wandering Pains, and the worst forms of Skin Diseases. As a specialty, it is king of remedies for these complaints, and its association with the other ingredients in the Resolvent places a cure beyond the possibility of a doubt.

PAREIRA BRAVA.—This marvelous agent, like a new sun, shines with such effulgent light upon the medical world as to cast in the shade all other roots supposed to possess similar properties. Extolled by the most eminent practitioners of Europe as a diuretic, diaphoretic, alterative, lithrontriptic, superior to Buchu, Digitalis, Juniper, Turpentine, Copaiba, Cubebs, &c., it cures the worst forms of Kidney, Bladder, and Urinary Diseases. Its effects in Gravel, Stone in the Bladder, Suppression or Incontinence of Urine, Diabetes, Chronic Catarrh, Tenesmus, Inflammation of the Bladder, it relieves almost instantly; and in cases where catheters have been used it will procure a quick discharge of Urine. Its association with Fucus-Sarsaparillian, and other ingredients, restores functional harmony to the secreting vessels of the kidneys, and secures the proper secretion of the proper constituents from the blood. Persons whose urine is thick, cloudy, morbid, turbid, depositing brick dust, albumen, and other deposits, will after a few doses, witness the disappearance of these signs of terror, and their water changed to a clear amber and healthy color. Bear in mind that the Resolvent is the only remedy that contains Sarsaparillian and the pure Pareira Brava.
