A few Facts for Canadian Housekeepers!

The Celebrate Nickelit Silver,

Prepared specially from meteoric deposits, *Durable as Silver but harder, and cleans in the same way, resists acids and improves by using.*

None Genuine without the Stamp, R. W. & Co.

(Fac-simile of Label, but printed in blue and gold.)

NICKELITE SILVER

Is a compound Metal, the chief ingredient of which is derived from those extraordinary Meteoric Stones which are found in Northern Europe, and which are now said by scientific men to have descended from the planetary system. The combination with more ductile Metals of this wonderfully hard and bright metal, but in such proportions as to retain its essential properties, has been the result achieved by the inventors of *Nickelite Silver.*

SPOONS & FORKS

made of the Metal are, for general domestic purposes, superior to anything known.

They are White, Hard, and Strong.
They resist Acids, Clean Easily, and Wear Well.
They are Silver in Color, tasteless in use, and endless in Wear.
They are of one Metal throughout, of English fiddle pattern, and of the best silver finish.

These unequalled table wares are specially adapted for HOTELS, TAVERNS, RESTAURANTS, and BOARDING-HOUSES, and for the families of FARMERS, MECHANICS, TRADESMEN, MINERS, and FISHERMEN; also, for every day and domestic use in the families of MERCHANTS, PROFESSIONAL MEN and PRIVATE GENTRY.

Finally, they are within the reach of ALL CLASSES, their lowness of price is unprecedented, they are in fact the cheapest and BEST VALUE in the world.

All Nickelite articles are stamped with the trade mark, R. W. & Co., and are accompanied with a printed guarantee of quality from the manufacturers.

The census will show that New York has about a population of 950,000.

The Great Remedy!

DR. WILSON'S Pulmonary Cherry Balsam.

The best, Cheapest, and most efficient Remedy for Coughs, Colds, and all Lung Complaints the world has ever produced!

AN ASTONISHING CURE.

MR. J. W. BRAYLEY, Sir,—It is with great pleasure that I add my testimony to the efficacy of Dr. Wilson's Pulmonary Cherry Balsam. My daughter contracted a very severe cold about three weeks since and we applied all the usual remedies without any effect. She was evidently sinking fast, and commenced spitting blood. We began to feel very much alarmed and were induced by a friend to try Wilson's Balsam, and before she had used it but a very short time she was perfectly cured and is now enjoying good health.

R. P. WINTER,
Custom House, Fredericton.

From our daily arrival of letters we select the following: "I was troubled with Asthma for ten years; no physician could cure me. I tried everything without any good effect until I tried Dr. Wilson's Balsam. I only took three bottles, since which time I have had no return of my complaint, as some months have now elapsed."

MOSES SHARP,
York Co., N. B.

"My lungs have been very weak for a number of years.—I have spent two winters at the South for my health; I have taken but one bottle of Dr. Wilson's Pulmonary Cherry Balsam and find so much relief, that I am now using the second and already feel like a new man. Please send me three more, as the stores are all sold out here."

THOS. NORRIS,
Western Extension Railway.

"Last December I was attacked with a severe cough which compelled me to relinquish all labor, and my friends believed I really was consumptive. From hearing of a case similar to my own being cured by Dr. Wilson's Pulmonary Cherry Balsam, I was led to try it, and after using two bottles I am completely cured and have again resumed my labor."

WM. FRAZER,
York Co., N. B.

This household Remedy should be in the hands of every family and individual as a timely application of it to a slight cold or cough will cause immediate relief: while cases of long standing and apparently incurable often yield to its wonderful curative powers.

For sale everywhere throughout the Dominion.

CARLETON COUNTY GRAMMAR SCHOOL.

THIS School will re-open on the FIFTEENTH AUGUST, INSTANT, when Classes will be formed and graded in all the usual branches in the MALE and FEMALE DEPARTMENTS. The School occupies several Comfortable rooms in a pleasant locality. That parents and guardians may know something of the facilities afforded by this School, the Principal states that he is prepared to give instructions in the following branches:—

The ENGLISH LANGUAGE, the FRENCH, LATIN and GREEK LANGUAGES, HISTORY, Ancient and modern, GEOGRAPHY, Physical, Political, &c., use of the GLOBES, BOOKKEEPING, MATHEMATICS, including ARITHMETIC, ALGEBRA, GEOMETRY, TRIGONOMETRY, PLANE SPHERICAL and ANALYTICAL, MENSURATION, LAND SURVEYING, NAVIGATION, CIVIL ENGINEERING, PHYSIOLOGY, NATURAL PHILOSOPHY, NATURAL HISTORY, GEOLOGY, CHEMISTRY, ASTRONOMY, &c., &c. Having a TELESCOPE, a CIRCUMFERENTER, and other instruments, and having had a practical field knowledge of Surveying with first-class Engineers, Mr. McCoy will, as usual, be enabled to teach ASTRONOMY and LAND SURVEYING, Efficiently. The School is provided with CHEMICAL, and other Apparatus, to illustrate the lessons in CHEMISTRY and NATURAL PHILOSOPHY.

The Principal has well educated Assistants, both in the Male and Female Departments. Pupils in the latter Department, although entirely separated from the other, have all the advantages of his tuition in any of the above branches, with the addition of Music, Drawing, and other branches usually taught in a Ladies Seminary.

This School, under its present Principal, has turned out very many Pupils who have occupied, and now occupy high places, not only in Carleton County, and other parts of New Brunswick, but abroad. With the above facilities, the Principal feels that the School is in a position to give a good sound Education, to prepare for matriculation such as desire to become Students in the University, and to fit young persons of both sexes to become Teachers, and to occupy other positions of usefulness and responsibility in any community in which they may live.

N. B.—Having a pleasant and healthy residence, the Principal is prepared to take a few more pupils as boarders.

The terms of this School are very reasonable, and may be learned on application to the Principal.
