ELLISON'S DAGUERREAN GALLERY,

Barlow's Corner,

North side King Street, St. John, N. B., entrance from Market Square.

THE Subscriber having leased for a number of year, the upper apartments of Barlow's Building, North side of King street, at a great expense furnished a *Reception Room and Picture Gallery*, in connection with the Operating Department, where visitors can view and examine his numerous specimens of DAGUERREOTYPE ART, and having, at a considerable outlay, obtained the latest improvements in the Art, as at present in operation in England, Paris, and the United States, by which improvements Likenesses can be taken in a shorter space of time, and the finish and durability of the Picture finer and more lasting than those previously taken by the subscriber. He therefore hopes to receive a continuance of that patronage which has heretofore been bestowed upon him by a discerning public.

He would respectfully invite the Ladies and Gentlemen of St. John, and persons visiting the City, to call at his PICTURE GALLERY, as he is certain that as far as specimens of the Art and the style and the style and splendour in which the Gallery has been fitted up is concerned it will be pronounced equal in every respect to any in England or America.

Having erected sky lights in his Operating Rooms he is enabled to take Children's Likenesses of the most tender years in the shortest period of time, a difficulty which the subscriber heretofore laboured under, in consequence of having to depend on side lights.

Likenesses taken without regard to weather, Single or in Groups, at as cheap rates as can be procured in any part of the world.

He would again say to the Ladies, call at Ellison's Picture Gallery and Examine for yourselves, and by so doing you will oblige the subscriber.
