Seize the Opportunity Ere it is too Late.

When we consider the uncertainty of every event of life, let us remember that the 203d Grand Monthly Drawing of The Louisiana State Lottery took place at New Orleans, on Tuesday, (always Tuesday,) April 12th, 1887, under the sole supervision and control of Gen'ls G. T. Beauregard of La., and Jubal A. Early of Va., when $522,500 was sent flying around the world where it would probably do the most good. Thusly: No. 67,060 drew the First Capital Prize of $150,000, which was sold in fractional parts of tenths at $1 each, sent to M. A. Dauphin, New Orleans, La.; one was held by Geo. P Stackhouse, for himself and fifteen painters in the establishment of Goodell & Waters, Philadelphia, Pa.; one by Ambrose Gilliland of Moweaqua, Ill., collected through Decatur Nat'l Bank, Decatur, Ill.; one by Mrs. M. R. Newberry, Cheboygan, Mich.; one was paid through the London, Paris and American Bank, limited; one through the Anglo-Californian Bank, limited; two through Wells, Fargo & Co., all the latter of San Francisco, Cal. the others elsewhere, the publication of whose names is objected to; No. 23,899 drew the Second Prize of $50,000, also sold in tenths at $1 each; one to J. M. Stotts, Dee, Ark.; one to Roy J. Bour, Canton, O.; one to W. C. Hammock, Griffin Ga., one to C. W. Tweedy, Augusta, Ga; one to A. L. Robb, Atchison, Kansas; the others went elsewhere. No 67,901 drew the Third of $20,000, also sold in tenths at $1 each: one to H. T. Davis and B. S. Webber, Portland Me; one to P. H. Dwyer, Boston, Mass.; one to G. Ragin, Clarksville, Texas; the rest elsewhere. Nos. 22,735 and 50,830 drew each one of the Fourth Prizes of $10,000 and were scattered hither and yon, everywhere over the world, and now it soon will be the 205th monthly and Grand Extraordinary Drawing on Tuesday, June 14th, 1887, when $1,055,000 will be scattered in sums from $300,000 down to $100. Whole tickets are $20; and fractional parts from halves at $10, to twentieths at $1. Any information can be had of M. A. Dauphin, New Orleans, La. It is well to seize the opportunity ere it is too late.

Free Trade.

The reduction of internal revenue and the taking off of revenue stamps from Proprietary medicines, no doubt has largely benefitted the consumers, as well as relieving the burdens of manufacturers. Especially is this the case with *Green's August Flower* and *Boschee's German Syrup* as the reduction of thirtysix cents per dozen, has been added to increase the size of the bottles containing these remedies, thereby giving one-fifth more medicine in the 75 cent size. The *August Flower* or Dyspepsia and Liver Complaint, and the *German syrup* for Cough and Lung troubles, have perhaps, the largest sale of any medicines in the world. The advantage of increased size of the bottles will be greatly appreciated by the sick and afflicted, in every town and village in civilized countries. Sample bottles for 10 cents remain the same size.

GENERAL NOTES AND NEWS

France is likely to have a Cabinet crisis over the military estimates.

Children naturally object to nauseous medicines. When troubled with Worms they often suffer for want of sound sleep, and their food does not seem to nourish them give promptly McLean's Vegetable Syrup.

It is reported that the Ameer's troops are leaving him and joining the rebels.

Baird's French Ointment is an excellent article for any kind of Humor, such as Salt Rheum, Pimples, Pastules, Rash, and a sure cure for the Itch. It quickly heals obstinate Sores and Ulcers &c. Sold by dealers.

The first Methodist Conference in British Columbia was opened at Victoria last Thursday.

Liable To Happen.

Sudden attacks of colds, sore throat, croup, swollen glands, rheumatism, and similar troubles, are very liable during the winter and early spring. As a prompt remedy there can nothing excel Yellow Oil. "I never feel safe to be without it," says Mrs. Henry Dobbs, of Berridale, Ont.

Some 150 lives have been lost by a collision in the Malacca Straits.

A Good Test.

What everyone says must be true, or have some foundation at least, and everyone who has tested it, says that Hagyard's Pectoral Balsam is a prompt and reliable cure for the various throat and lung troubles caused by colds, which are always prevalent at this season of the year.

The French Government are retaliating on Germany by closing up Germam manufactories in France.

Off Work.

"For two years I was not able to work, being troubled with dyspepsia. One bottle of Burdock Blood Bitters relieved me; three bottles cured me as well as ever." John A. Rappell, of Farmersville, Leeds Co., Ont.

Let us not listen to those who think we ought to be angry with our enemies, and who believe this to be great and manly. Nothing is more praiseworthy, and nothing more clearly indicates a great and noble soul, than clemency and readiness to forgive.—*Anon.*

Sudden Disappearance.

"My face was covered with sores, arising from bad blood. By the use of three bottles of Burdock Blood Bitters I was completely cured." R. E, Sinclair, of Port Burwell, Ont.

In *The American Magazine*, June number, J. Macdonald Oxley, of the Marine Department at Ottawa, gives the Canadian view of the fishery dispute, and some interesting details about the armed vessels with which we guard our coast.

Useful To Know.

Mrs. John Siddell, of Orton, Ont., was afflicted for years with contraction of the bronchial pipes and tightness of the chest. She was cured by the internal and external use of Hagyard's Yellow Oil. This remedy cures rheumatism, neuralgia, inflammation, congestion, and all external and internal pains.

The universal language called "Volapuk" is already in use by 10,000 people of various nationalities. Its grammar can be learned in an hour. A full account of this new tongue will be given by Richmond Walker in the June number of *The American Magazine.*

An Open Letter.

Messrs. T. Milburn & Co., Nov. 25th, 1886

I wish I had used B. B. B. sooner, which would have saved me years of suffering with erysipelas from which I could get no relief until I tried B. B. B., which soon cleared away the itching, burning rash that had so long distressed me. Mrs. Edward Romkey, Eastern Passage, Halifax, N. S.

If the Sufferers from Consumption.

Scrofula and General Debility, will try Scott's Emulsion of Cod Liver Oil, with hypophosphites, they will find immediate relief and a permanent benefit. Dr, H. V. Mott, Brentwood, Cal., writes: "I have used Scott's Emulsion with great advantage in cases of Phthisis, Scrofula and Wasting Diseases. It is very palatable. Put up in 50c. and $1 size.

Ernest Ingersoll in the June number of *The American Magazine* will describe the "Last Remnant of Frontier" a portion of our country near the northwestern boundary, which was an unsettled and almost unexplored wilderness until penetrated by the Northern Pacific Railroad.

TINSHOP.

As I have now on hand a larger and better assortment of goods than ever before, comprising

Japanned, Stamped
AND
Plain Tinware,

would invite those about to purchase, to call and inspect before buying elsewhere, as I am now selling below former prices for cash.

The Peerless Creamer,

ROCHESTER LAMP,

The Success OIL STOVE

—Also a nice selection of—

Parlor and Cooking Stoves

with PATENT TELESCOPIC OVEN

the lining of which can be taken out for cleaning, thereby doing away with the removing of pipes and oven as is the trouble with other stoves.
