GENERAL NOTES AND NEWS

The solicitors to the Anticosti company are inviting tenders for the purchase of the island, comprising two and a half millions of acres.

Slight derangements of the stomach and bowels may often be corrected by taking only *one* of Ayer's Pills. Through not having the Pills at hand, your disorder increases, and a regular fit of sickness follows. "For the want of a nail the shoe was lost," etc.

Fire in Reno, Nevada, on Sunday, destroyed $300,000 worth of property; insurance $125,000.

Savages expect to imbibe bravery by drinking the blood of their brave enemies. A more enlightened method of vitalizing the blood is by taking Ayer's Sarsaparilla. It braces up the nerves and gives strength and fortitude to endure the trials of life.

Andrew Carnegie says steel rails are now cheaper in the States than in England, and he predicts that the steel rails required by Canada this year will be furnished by American manufacturers.

Never Despair.

Even when all seems lost, there is yet hope. Many a despairing, disheartened victim of dyspepsia, liver complaint, kidney complaint, scrofula or rheumatism, has been brought back to health and usefulness by Burdock Blood Bitters, the greatest remedy known for all blood diseases.

An unusually long list of Queen's Birthday-honors is announced, but not a single Canadian is named. The fact is the subject of some comment, especially in view of rumors recently current.

Of Great Service.

"I have used Hagyard's Yellow Oil for cuts and scalds on horses' shoulders, and they got better at once. I have also used it for sprains, burns, cuts and croup among my children, and can recommend it highly as of great value." W. Service, Minga, Man.

Sir Charles and Lady Tupper and Miss Cameron arrived at Liverpool Sunday night, after the quickest passage on record, in the "Parisian," and reached London in excellent health.

Faithfully Recommended.

In the Spring of 1888, I had inflammation of the lungs, which left my lungs weak. I had a very bad cough, and resolved to try Hagyard's Pectoral Balsam. It did me more good than any other medicine I have ever taken, and I can faithfully recommend it." Miss Mary Kay, Virginia, Ont.

Policemen Suffer

From rheumatism, dyspepsia, biliousness, kidney complaint and many other ills, in exactly the same manner as ordinary mortals, and Burdock Blood Bitters cures them quickly and permanently just as it always does in every case, from whatever cause arising.

A young Montreal student named Oscar Landerville came to his death on Sunday last in a most remarkable manner. He was with a number of friends when he opened a vein in his leg for the purpose of demonstrating a certain theory of his own insurgery. Not being able to stop the blood, Landerville was taken to Notre Dame hospital, where he died shortly after.

Good for All.

Dear Sirs:—I can recommend Hagyard's Yellow Oil as a sure cure for rheumatism, from which disease I suffered for some time, but was cured with two bottles. It is the best thing I can get for man or horse. J. Mustard, Strathaven, Ont.

Chronic Coughs and Colds

And all Diseases of the Throat and Lungs can be cured by the use of Scott's Emulsion, as it contains the healing virtues of Cod Liver Oil and Hypophosphites in their fullest form. See what W. S. Muer, M. D. L. R. C. P., etc., Truro, N. S., says: "After three years' experience I consider Scott's Emulsion one of the very best in the market. Very excellent in Throat affections." Sold by all Druggists, 50c. and $1.00.

Mrs. Mary A. Livermore, while lecturing in Maine, received this unfortunate introduction from a young minister: "Ladies and gentlemen, you have all heard of the illustrious man across the water so beloved by his people, and who is known by the sobriquet of the "Grand Old Man." I have now the pleasure of introducing to you a lady beloved in Boston, and known there as the "Grand Old Woman!"

Mist on Earth.

As morning sun, with strong and vivid ray,
Drives from the earth the sullen mists away,
So B. B. B., in strength and power grand,
Doth rout disease and stay death's heavy hand.

A bombshell has been thrown into the scientific world through the discovery of Mr. Brereton Baker, of Dulwich College, about oxygen. That gas, which is known as the great agent of combustion, loses its character when dried. It becomes inert. Even charcoal will not burn in it when heated to redness nor phosphorus become luminous. As yet there is no explanation.

Common Sense
In the treatment of slight ailments would save a vast amount of sickness and misery. One of Ayer's Pills, taken after dinner, will assist Digestion; taken at night, will relieve Constipation; taken at any time, will correct irregularities of the Stomach and Bowels, stimulate the Liver, and cure Sick Headache. Ayer's Pills, as all know who use them, are a mild cathartic, pleasant to take, and always prompt and satisfactory in their results.

"I can recommend Ayer's Pills above all others, having long proved their value as a

Cathartic

for myself and family."—J. T. Hess, Leithsville, Pa.

"Ayer's Pills have been in use in my family upwards of twenty years, and have completely verified all that is claimed for them."—Thomas F. Adams, San Diego, Texas.

"I have used Ayer's Pills in my family for seven or eight years. Whenever I have an attack of headache, to which I am very subject, I take a dose of Ayer's Pills and am always promptly relieved. I find them equally beneficial in colds; and, in my family, they are used for bilious complaints and other disturbances with such good effect that we rarely, if ever, have to call a physician."—H. Voulliemé, Hotel Voulliemé, Saratoga Springs, N. Y.

MILL PROPERTY FOR SALE.
That well known and conveniently situated Mill Property formerly known as the DesBrisay Mill, situated at Clark's Cove, about one and a half miles above Chatham, on the south side of the Miramichi River. It has the advantage of a convenient boom that will contain nearly two millions of logs safe from all weathers. The Mill is something out of repair, not having been kept going for the past three years, but might be easily fitted up to do good work in a short time. It also possesses a deep-water Wharf nearly one thousand feet in length; has six dwelling houses—two fitted for two families. There is also about twenty acres of cleared land, all under grass; a blacksmith shop, carpenter's shop, a Retail Store, an Office, a large Farmhouse, two Barns and Stables. The Mill is fitted up with two Gates, Circulars and Trimmer, and will be sold cheap, the proprietor having decided to go out of the business. If not disposed of before the First of May, 1889, the above property will be sold at Public Auction, on the premises, on that day at 12 o'clock, noon.
