GENERAL NOTES AND NEWS

Mr. Parnell has an Irish Land Bill in course of preparation.

Fully three-fourths of the city of Charleston will have to be rebuilt.

BAIRD'S FRENCH OINTMENT cures Itching of the scalp, or any Eruptions thereon, it stimulates the growth of the Hair, a small quantity applied to the head of children keeps them in a clean and healthy condition.

A British man-of-war is conveying relief to the earthquake sufferers in the Morea.

If your child is suffering from worms, we would recommend you to give at once Dr. McLean's Vegetable Worm Syrup, it is not only a safe and effectual remedy, but an exceedingly pleasant one.

The principal cities of the Union are organizing schemes of relief for the Southern earthquake sufferers.

A gentleman in a neighbouring town who had suffered two years with chronic diarrhœa and was so reduced that he could not walk, was cured and restored to sound health by *Johnson's Anodyne Liniment*. This Liniment is worth its weight in gold.

The Address in reply to the Queen's Speech was carried in the House of Commons on Thursday night of last week.

The blighting effects of impure blood are sad to behold in those we meet day by day. This ought not and need not be so. *Parsons' Purgative Pills* make *new* rich blood taken one night for twelve weeks will change the blood in the entire system.

Soundings are to be made in Charleston Harbor to see what alterations have been made in its bottom by the earthquake.

A Great Awakening

There is great awakening of the sluggish organs of the human system whenever Burdock Blood Bitters are taken. It arouses the torpid Liver to action, regulates the bowels and the kidneys, purifies the blood, and restores a healthy tone to the system generally.

A meeting of prominent Liberals of the Province of Quebec was held in Montreal last Friday to organise for the coming Dominion election campaign.

A Sure Thing

A SURE CURE FOR SUMMER COMPLAINTS.—Procure from your druggist one 37½ cent bottle of Dr. Fowler's Extract of wild Strawberry and use according to directions. It is infallible for Diarrhœa, Cholera Morbus, Canker of the Stomach and Bowels, and Cholera Infantum.

Bennett, the bigamist, tried in the St. John circuit court was sentenced to five years in the Dorchester penitentiary.

To The Rescue

When all other remedies fail," for Bowel Complaint, Cramps, Colic, Dysentery, &c.," then Dr. Fowler's Extract of Wild Strawberry comes to the rescue. "Thus writes W. H. Crocker, Druggist, Waterdown and adds that" its sales are large and increasing.

A deputation of Irish ladies will on the 21st instant present to Mr. Gladstone a declaration in favor of Home Rule for Ireland.

Worth Remembering

In a long letter from John H Hall, of Baddick, Cape Breton, N. S., he says: "I believe were it not for Burdock Blood Bitters I should be in my grave." It cured me of Kidney and liver complaint and general debility, which had nearly proved fatal.

The British Association met at Birmingham on Thursday, 2nd inst, when the President, Principal Dawson, of Montreal, delivered his inaugural address.

Consumption Can Be Cured

Not by any secret remedy, but by proper healthful exercise and the judicious use of Scott's Emulsion of Cod Liver Oil and Hypophosphites, containing the healing and strength-giving virtues of these two valuable specifics in their fullest form. Prescribed universally by Physicians. Take no other.

Major Saunderson in the British Commons on Friday last moved a vote of censure on the Irish delegates to the Chicago Convention. The motion was rejected.

A Complete breakdown

"For ten years," says Jennie M. Harrett of Wallaceburg Ont., "I did not see a well day—was all broken down with dyspepsia, liver complaint, catarrh and debility. Three doctors abandoned hope for me, when Burdock Blood Bitters came to my rescue. It is the best medicine I have ever taken. I say this for the benefit of all suffering as I did.

Tenders will be received by the public works department at Ottawa up to Sept. 20, for the election of hot water heating apparatus in the new government building at Bathurst.

A Fruitful Season.

The fruitful season of this year is prolific with many forms of Bowel Complaints, such as Diarrhœa, Dysentery, Colic, Cholera Morbus, Cholera Infantum, &c.; as a safeguard and positive cure for those distressing and often sudden and dangerous attacks nothing can surpass that old and reliable medicine Dr. Fowler's Extract of Wild Strawberry.

Five carloads of machinery have arrived at Gibson for the Marysville cotton mill. Several more carloads are expected to arrive within a week. The facilities for the manufacture of cotton at this mill are being constantly extended.—*Gleaner.*

Loss and Gain.

CHAPTER I.

"I was taken sick a year ago
With bilious fever."

"My doctor pronounced me cured, but I got sick again, with terrible pains in my back and sides and I got so bad I
Could not move!
I shrunk!
From 228 lbs to 120! I had been doctoring for my liver, but it did me no good. I did not expect to live more than three months. Directly my appetite returned my pains left me, my entire system seemed renewed as if by magic and after using several bottles I am not only as sound as a sovereign but weigh more than I did before. To Hop Bitters I owe my life." Dublin, June 6, '81. R. FITZPATRICK.

HOW TO GET SICK.—Expose yourself day and night; eat too much without exercise? work too hard without rest? doctor all the time; take all the vile nostrums advertised, and then you will want to know *how to get well*, which is answered in three words—Take Hop Bitters!

A. Toombs & Co., auctioneers, yesterday sold the wreck of the wrecked schooner "B. Young," at McFarlane's creek, as she lies, to E. Sinclair, Miramichi, for $310. She was owned by L. A. Knowles, of Maine, and will be a total loss to him. No insurance. She was loaded by E. P. Clark with spiling.—*Moncton Times*, 3d inst.

All About Captain J. W. Williamson's Luck

In drawing 15,000 in The Louisiana State Lottery. He is a prosperous farmer of Willow Grove, this country, and before the June drawing something seemed to tell him that he should invest then, which he did by a couple of dollars, and in due time received tickets, one, No. 18,145 entitled him to one-tenth of the Capital Prize of $150,000, and which amount he has received through the Bank of Ravenswood. W. Va. from M. A. Dauphin, New Orleans, La.—*Ravenswood* (W. Va.) *News*, July 21.

Beans as Food.

The nutritive value of beans is greater than almost any other article of food in common use. Considering their richness, they are probably the cheapest food we have. In preparing beans for the table they should first be well soaked in cold water, then thrown into boiling water, and cooked of a medium consistency, between a fluid and a solid, neither too thick nor too thin. They require some acid when eaten, and a sufficient amount of salt to render them palatable. They may be eaten with potatoes or other vegetables which contain more starch and less albumen, rather than with too much bread or meat.—*Washington Evening Star.*
