THE NATIONAL DIVISION, SONS OF TEMPERANCE, has just closed its annual session at Boston. The Most Worthy Scribe reports that the number of Divisions now in operation within the jurisdiction of the National Division is 1969. Whole number of members 117,504, including 20,540 lady visitors; number admitted to the Order since January 1, 1870, 46,811; boys and girls in temperance organizations, 37,938; total receipts, $185,358.72; paid for benefits, $20,062.94; cash on hand and invested, $220,552.77; the net assets of the National Division are $5,700.20, being $695.53 more than last year. In regard to the Order in the Dominion, the Scribe says:—

The six Grand Divisions show very little variation, except in number of Divisions, each losing two or more Divisions, except New Brunswick, which has made a gain of two Divisions. Ontario and New Brunswick have increased in number of admissions and each of the others decreased in same. Net increase over admissions of last year, 240. The membership has increased in Ontario, New Brunswick, and Quebec, and decreased in other Provinces, the largest decrease, 574, being in Nova Scotia. The net decrease in membership in the six Grand Divisions is 227.

Hon. Joseph Farewell, Mayor of Rockland, Me., Isaac M. Bragg, Esq., Bangor, and Messrs. Popp Bros., Machias, Me., lumber merchants, fully endorse the *Sheridan Cavalry Condition Powders*, and have given the proprietors liberty to use their names in recommending them.

Nervous Debility, Acidity, Nausea, and all Dyspeptic indications may be speedily removed by Dr. Wilson's Anti-bilious and Preserving Pills. The constantly increasing demand for these Pills proves their power over disease, and its estimation by the public. For weakness of the stomach, diseases of the liver, and in disorders of the system, no medicine is so efficacious, no remedy so rapid as these pills, which are altogether incapable of doing mischief.

The most astonishing cure of chronic diarrhœa we ever heard of is that of Wm. Clark, Frankfort Mills, Waldo Co., Maine; the facts are attested by Ezar Treat, Upton Treat, and M. A. Merrill, either of whom might be addressed for particulars. Mr Clark was cured by *Johnson's Anodyne Liniment.*

THE JOYS OF HOME.—In the struggle for comfort and the means of supplying the wants of ourselves and families the maintenance of good health becomes an urgent necessity. When colds refuse to depart under judicious nursing, when coughs distress alarmingly, Dr. Wilson's Pulmonary Cherry Balsam should always be resorted so as the safest remedy. No one should permit any cough to continue when it can be so easily rectified by this reliable anodyne expectorant: one day's delay may bring bitter cause to rue that slight neglect. There can arise no danger from taking this Balsam, and no difficulty in administrating it even to young and delicate children.

Dr. Dow's Sturgeon Oil Liniment is prepared by a physician of regular standing, and who is in the habit of using it in his extensive practice. It cannot be too highly commended for the favorable influence it exercises over all outward pains. In all sprains, rigidity of the cords and muscles, the stimulating properties of this Liniment renders it efficacious, as it ultimately leaves the sufferer in the highest health.

Professor Clark has received the unqualified commendation of condjutors in the medical colleges of both continents, and his Derby Condition Powders have been recommended over and over again by the professors in those colleges to the confidence of the public—an honor no similar preparation ever received. Yet nothing short of unmistakeable benefits conferred could orginate and maintain the reputation they enjoy among the various Jockey Clubs in Great Britain, and farmers, lumberers, &c., in this dominion.

WILLIAMSBURG, L. I., 258 Grand St., June 11, 1866.

Messrs. B. L. JUDSON & Co.

GENTS: It is with great pleasure I write these few lines, not only as a recommendation, but as I feel a very great benefit derived from taking your Worm Candy (Dead Shot). I have suffered much for 10 years past, tried many medicines, been under treatment of physicians in this city, but all to no avail. I felt a gnawing sensation in my bowels, sleepless nights, and very nervous. I have now taken about ten sticks, and quite a number of tape worms, one several yards long, has come from me. I continue taking it, feeling quite a new man, my sensations quite different; and I recommend the same to the community at large, feeling confident, from practical experience, it is the best eradicator of worms in use.

Yours most respectfully,
DAVID GALER.

for sale by all Medicine dealers, at 15 cents per package.

HOW TRUE and how strange, that people should seek relief in the hierogiyphics of a doctor's prescription when they can buy as good, and nine times out of ten a better remedy than most doctors give, for the insignificant sum of 25 cents. We refer to Morse's Indian Root Pills, these pills cure Headache, Liver Complaint, Indigestion, Female Irregularities, and all bilious disorders, they are prepared from a formula pronounced by the most learned Physicians of our country to be the best and most universal of family medicines. Give them a fair trial and you will never be without Morse's Indian Root Pills.

In numbers there is safety, it is upon this principle that the formula of Johnson's Mountain Herb Pills was prepared. It was not the result of one man's knowledge. Dr. Judson, intending to spend a fortune in advertising his Pills, consulted the most intelligent and learned physicans of the age, and the result was the production of a simple but efficacious medicine the Judson's Mountain Herb Pills. These pills cure Biliousness, Dyspepsia, Liver complaint, Indigestion, Female Irregularities, &c.

FROM INCREASED PHYSICAL AND MENTAL STRENGTH of persons who use Fellows' Compound Syrup of Hypophosphites, their augmented faculty of endurance, the regular and healthy action of the Heart, Lungs, Stomach and Bowels, and their improved appearance, demonstrated in thousands of cases within our knowledge, its power of restoring the great sympathetic and muscular system on which full and healthy development depends, is certain.

PERFUMERY.

THE attention of purchasers of the genuine Lubin Perfumery is respectfully directed to the following:—

AVIS.

Les Parfums de la Maison LUBIN étant toujours en butte à de nouvelles contrefaçons, et la signature LUBIN, apposée sur chaque étiquette, n'ayant pu empêcher de fréquents abus, M. FELIX PROT, propriétaire de cet établissement, a l'honneur de prevenir ses nombreux commettants qu'il vient de remplacer lesdites étiquettes par des nouvelles d'un genre tout différent, et de faire fabriquer du Papier pour l'enveloppe des flacons, dans lequel est incrusté le cachet de la Maison.

Pour eviter toute surprise, il les prie de vouloir bien, à l'avnenir, ne plus confier leurs ordres qu'à des Maisons d'une confiance prouvée, ou, sale préférent, les lui adresser directement, a sa Fabrique, rue Sainte-Anne, 55, a Paris.
