PORT SHERRY AND MADERIA

of a very rare and superior quality. They are pure, wholesome, and every way suitable for either Dinner or Invalids. Five years old; the extensive and increasing demand for these WINES is a sure proof of their restorative quality, and the attention of really good judges of Wine is directed to the above. This is a most favorable opportunity of procuring in any quantity a first Class WINE of rare quality and flavor, at a price usually asked for a very inferior quality.

Call and examine for yourselves.

His House has no connection with any person or persons, as I am the sole proprietor.
