The New England Self Quilling Crank Loom!

Just what every Farmer requires for Manufacturing Homespun Cloth of all kinds.

THIS Loom is designed to take the place of the old Hand Loom; will weave from 15 to 30 yards per day of any kind of cloth, such as Jean, Tweed, Satinett, Blanket twill, plain, double plain, various kinds of fancy twills and Diaper, *Seamless Bags* and Double Width Cloth; can weave any width up to two yards and ten inches. It also winds its own quills; while it weaves out one quill it winds another, the whole operation being performed by turning an easy crank, which can be done by a child ten or twelve years of age, is substantialy built, occupies but little space, can be taken through a common door with the web in, and is in every way adapted to the wants of Farmers and all interested in manufacturing homespun goods. Descriptive circular and samples of cloth will be sent on aplication to
