RETURN OF FIRE INSURANCE DUTY FOR 1861.

(Ordered by the House of Commons to be printed 8th July, 1862.)

THE usual Annual Return, just published by the Government, shews that the INCREASE OF DUTY paid by the QUEEN'S INSURANCE COMPANY, in 1861 over 1860, exceed that of 38 other Fire Offices, some of which have been in operation for upwards of half a century.—While the Return shews a falling off in the amount paid by six offices, it also shows that the INCREASE OF THE QUEEN exceeded that of all the London Offices but two, and all the Scotch Offices but one, (which during the year had absorbed the business of another office.) The INCREASE OF THE QUEEN also exceeded all the Provincial Offices but two, and was nearly five times that of both the Irish Offices put together. Taking the gross amount of duty for the last two years, the Return shows that the **QUEEN** *was the only Office which in that period had doubled the amount paid.* These facts—based upon the highest authority—prove that the eminent position thus occupied by the **QUEEN INSURANCE COMPANY** is doubtless owing to the high character of its Proprietary, and the distinguished liberality of the Directors in the *Settlement of Losses.* Gratified by the remarkable confidence hitherto reposed in the **QUEEN**, it will be the constant endeavor of the Management to sustain the high reputation the Company has already obtained.

The Proprietor of the above named **Liniment**, is well aware that the Public have learned to look upon all *New Remedial Discoveries* with a great amount of prejudice and doubt; he therefore wishes to state most sincerely, that he does not claim for this preparation *Cure-all Virtue.* The efficacy of STURGEON OIL as an external application, is no new discovery. For many years past it has been used by some of the most celebrated physicians and veterinary surgeons of Europe. BROWN'S BRONCHIAL TROCHES

"A SLIGHT COLD" COUGH, Hoarsene or Sore Throat, which might be checked with a simple remedy, if neglected often terminates seriously. Few are aware of the importance of stopping a Cough or "SLIGHT COLD" in its first stage; that which in the beginning would yield to a mild remedy, if not attended to, soon attacks the lungs.

"BROWN'S BRONCHIAL TROCHES" were first introduced eleven years ago. *It has been proved that they are the best article before the public for* COUGHS, COLDS, BRONCHITIS, ASTHMA, CATARRH, the Hacking Cough in CONSUMPTION, and numerous affections of the THROAT, giving *immediate relief.*

Public Speakers and Singers

will find them effectual for clearing and strengthening the voice.

FROM REV. J. MCMURRAY, HALIFAX, N. S.

Having suffered several years with Throat Affection, to which clergymen are especially subject, and having used various remedies, I have pleasure in giving my testimony as to the relief I have had in the discharge of my Sabbath labors, from the use of "BROWN'S BRONCHIAL TROCHES." They have been a great comfort. Others to whom I have recommended them have used them with advantage

The TROCHES are a staff of life to me.—Prof. Edward North, Pres. Hamilton College, Clinton, N. Y.
