have been appointed by the Crown to sit as a special Commission for the trial of the persons implicated in the riots at Manchester.

GHENT, Oct. 11.—The *Bien Publique*, a well informed journal of this city says Cardinal Antonetti has addressed a note to the European powers in which he charges the Italian Government with actual connivance in the revolutionary movements against Rome.

LONDON, Oct. 11.—Reports from Paris say that Napoleon complains of the delay of the Austrian government in completing the Military organization of the Empire.

LONDON, 12.—Dispatches this evening from Paris state that affairs in Italy are very grave.

The general belief is that the whole nation will follow Garibaldi in his efforts to restore Rome to Italy. The King of Italy will soon pass the Roman frontier and proclaim Rome as part of the Kingdom.

The *Times* officially denies that Earl Derby has resigned or contemplates resigning his position as head of the Ministry.

The North German *Gazette*, semi-official organ, published in this city and believed to reflect the views of Bismarck, says it is firmly convinced of the sincerity of the French Emperor's desire for peace. A bill for abolishing the concordat has been introduced into the Austrian Reichrath. The bill is opposed by the government on the ground that the concordat is a treaty and not a law and hence not a proper subject for cognizance by the Reichrath.

LONDON, Oct. 13.—Much fault is found with the selection, by the Foreign Office, of Edward Thornton, now Minister at Brazil, to represent Great Britain at Washington, as announced last week in the London *Times*. The opinion is generally expressed that none but a diplomatist of the highest rank should be sent to the United States to fill the post occupied by Sir Frederick Bruce.

DUBLIN, Oct. 13.—The apprehensions of another Fenian landing, caused by the reports that suspicious vessels had been seen hovering off the shore of Kerry, and other portions of the Irish coast, are subsiding. The war vessels which have been guarding the Southern and Eastern coasts are withdrawn with the exception of one or two iron-clads.

FLORENCE, Oct. 13.—Garibaldi has named his son Menotti Generalissimo of the revolutionary forces engaged in the movement on Rome. It is stated that bands of invaders have been driven over the frontier by the Papal troops, and disarmed by the National forces.

LONDON, Oct. 14.—The continued agitation in Italy and the determined disposition evinced by the party of action to persist in the attempted invasion of the Roman territory, causes much financial uneasiness and depression in this city and Paris.

## UNITED STATES.

THE CROPS IN THE STATES.

The crop report of the Department of Agriculture for August and September have just been issued.

The wheat crop is quite a large percentage greater than that of last year.

The prospects of the corn crop continue to improve. While a number of States return low estimates, others—particularly the southern States—show a marked improvement over last year.

Rye, barley and oats exhibit no material change from previous reports. Buckwheat shows an average with the prospects of a fair crop.

Potatoes are rotting badly in many of the large potatoe-growing States, and the crop will probably fall below the yield of last year.

In a few States the apple crop promises well, but in a majority the crop will be from 10 to 14 per cent. below the crop of last year.

Hay shows an increase in almost every State, and quite large in many. The average will reach from 25 to 30 per cent. above the crop of 1866.

The wool clip will probably fall from 5 to 10 per cent. short of last year.

NEW YORK, Oct. 16.

Lieut. Lloyd, of the Government of Liberia who has just arrived here, states that there has been much excitement and distress in Liberia, owing to the stopping of trade in what is known as country cloth. This is a cotton blanket which is almost universally worn by the natives. The slaves in the interior of Liberia, who were formerly held in subjection by native kings or chiefs, have rebelled and obtained their freedom.

There are many remedies that remove one pain only by substituting others worse than the first. Blood's Rheumatic Compound is not one of those; it does not injure or destroy the constitution.

## FELLOWS' COMPOUND SYRUP OF HYPOPHOSPHITES.

For Nervous and General Debility, whether arising from a sedentary life, unhealthy occupation, a tropical climate, or any other cause.

For Pulmonary Consumption, Bronchitis, Inward Wastings.

For Dyspepsia or Indigestion.

For Rickets, Weakness of the Joints and Muscles, Loss of Appetite, Lowness of Spirits, Impurity of the Blood.

The effects produced are return of appetite, improved digestion, increase of flesh, good spirits, rosy cheeks and red lips, returning strength to the nervous and muscular system, and gradually all the functions of the body are restored to regularity, health and vigor. Its actions on the secretions of the respiratory organs are manifest in a very short time, the mucous and morbid matters are easily voided; it assists expectoration without depressing the patient, (this alone is a very valuable discovery, as we have not in the history of medicine an expectorant which is not also a depressant,) hence the patient is relieved from those racking paroxysms of cough without being subjected to debilitating influences.

THE GENUINE FELLOWS' COMPOUND SYRUP OF HYPOPHOSPHITES is put in pint bottles with our name blown on them, and sold at $1.50 per bottle, or six bottles for $7.50.

THE HYPOPHOSPHITES AND COD LIVER OIL, $1.25 per bottle, or six for $6.

Prepared only by FELLOWS & CO., CHEMISTS, St. John, N. B., who are the sole Proprietors and Manufacturers.

January 3, 1867.

## VICTORY COMPLETE.

THE best families in St. John are full of praise in regard to SELEE'S HAIR LIFE. They say it restores grey hair so beautifully to its original color, removes all scurf and dandruff, and so effectually stops the falling of the hair; also that it is a most splendid HAIR DRESSING, rendering dry and brashy hair soft, glossy, and youthful. The Druggists also speak very highly of it, and do not hesitate to say it is the very best Preparation sold. It is very popular too, in Nova Scotia; in fact, SELEE'S HAIR LIFE is the choice of all ladies of nice taste. Its superior neatness makes it a favorite. Sold by all Medicine Dealers.

At Gagetown, on the 5th instant, of rheumatic fever, Frances A., wife of Mr. George Weston, Captain of the steamer "Olive," aged 36 years, leaving a sorrowing husband and five little boys (the youngest 6 months old), and a very large circle of friends to mourn their loss. The deceased became a member, by baptism, of the Upper Gagetown Church, in the year 1858, and continued to adorn her profession till she heard her Heavenly Father's voice, in death, saying, "Child, come home." The morning before her death she made arrangements for her children and all matters which needed her advice as calmly as if only going to make a visit. Thanks be to God for an overcoming faith to cheer us in a dying hour.

"I looked upon the righteous one,
And saw her parting breath;
Without a struggle or a sigh,
Serenely yield to death.
There was no anguish on her brow,
Nor terror in her eye;
The spoiler aimed a fatal dart,
But lost the victory." J. R. STRANG.

Mary Wetmore, relict of the late William Wetmore, departed this life on the 19th ultimo, aged 82 years. Sist Wetmore was among the first Baptists in Carleton, and removed from that place to Springfield, and became a member of the first Baptist Church in this place; and by her godly life and chaste conversation, adorned her profession till the last and endeared herself to all who knew her.—When death came it found her ready. Her work was done. She was looking for Him. She only felt unwell a few hours. But it was evident her change had come, and she sweetly fell asleep in Jesus, leaving a large family, with many kindred and friends, to mourn their loss. W. A. C.

On the 3rd of June, of consumption, Harrison Spragg, brother of Rev. C. Spragg, in the 30th year of his age.—Brother S. was baptized about nine years ago by Rev. G. W. Springer, during a revival in Springfield, and became a very useful member of the church in that place. A few years before his death he moved to Pollett River; and by his earnest, warm hearted exercises and true piety, he soon endeared himself to the people. His life and conversation ever savored of the religion of Christ. His was the life of the righteous, and his the peaceful death of the christian. The funeral services were conducted by Elder Reese and others. He has left a sorrowing widow, one child, and many kindred and friends to mourn their loss. "The memory of the just is blessed." W. A. C.

## OBSERVE THE NAME.

IT is well at all times to call things each by their own proper names, otherwise you may not get what you want. When you desire to have the best Coal Oil, that which is made from Albert Coal, and manufactured in this Province, ask for "ALBERTINE OIL." Should you call for it by some other name, where the genuine article is not sold, you may expect to be served with an inferior article. Always call for and be sure you get Albertine Oil.

Albertine Oil has no bad odor, will burn to the last drop in the lamp without depreciation of light, and gives universal satisfaction.

Whenever you meet with a bad smelling Oil or a bad burning Oil, you may be sure it is not Albertine.

For Albertine Oil, Wholesale or Retail, apply to THE ALBERTINE OIL CO.,
