BROWN'S BRONCHIAL TROCHES

"A SLIGHT COLD" COUGH, Hoarseness or Sore Throat, which might be checked with a simple remedy, if neglected, often terminates seriously. Few are aware of the importance of stopping a Cough or "SLIGHT COLD" in its first stage; that which in the beginning would yield to a mild remedy, if not attended to, soon attacks the lungs.

"BROWN'S BRONCHIAL TROCHES" were first introduced eleven years ago. *It has been proved that they are the best article before the public for* COUGHS, COLDS, BRONCHITIS, ASTHMA, CATARRH, the Hacking Cough in CONSUMPTION, and numerous affections of the THROAT, giving *immediate relief.*

Public Speakers and Singers

will find them effectual for clearing and strengthening the voice.

FROM REV. J. MCMURRAY, HALIFAX, N. S.

Having suffered several years with Throat Affection, to which clergymen are especially subject, and having used various remedies, I have pleasure in giving my testimony as to the relief I have had in the discharge of my Sabbath labors, from the use of "BROWN'S BRONCHIAL TROCHES." They have been a great comfort. Others to whom I have recommended them have used them with advantage

The TROCHES are a staff of life to me.—Prof. Edward North, Pres. Hamilton College, Clinton, N. Y.

A simple and elegant combination for Coughs, &c.
Dr. G. F. BIGELOW, Boston.

Has proved extremely serviceable for Hoarseness.
REV. HENRY WARD BEECHER.

That trouble in my Throat (for which the TROCHES are a specific) having made me often a mere whisperer.

I recommend their use to Public Speakers.

Sprained Shoulder,	Sprained	Fetlock Joints,
Hard Hoofs,	Scratches,	Ring-bone,
Horse distemper,	Sprains,	Bruises,
Harness Galls,	Fresh Wounds,	&c., &c.

The Proprietor of the above named **Liniment,** is well aware that the Public have learned to look upon all *New Remedial Discoveries* with a great amount of prejudice and doubt; he therefore wishes to state most sincerely, that he does not claim for this preparation *Cure-all Virtue.* The efficacy of STURGEON OIL as an external application, is no new discovery. For many years past it has been used by some of the most celebrated physicians and veterinary surgeons of Europe. The object of the Proprietor in his experiments for the last six years, has been to compound a Liniment containing all the virtues of pure Sturgeon Oil, together with many other well-known curative and healing ingredients, and he firmly believes that a fair trial of this Liniment will convince any and every person that his experiments have been perfectly successful.

[Letter from one of the **best Veterinary Surgeons** in Scotland.]

Edinburgh, Oct. 12, 1862.

HIRAM DOW, ESQ., M. D., FREDERICTON, N. B.

Dear Sir:—I have used two bottles of the STURGEON OIL LINIMENT which you so kindly forwarded to my address. I have thus far applied it to Horseflesh only. For Fresh Cuts, Harness Galls and Bruises, it is the BEST LINIMENT I HAVE EVER USED. *I have also applied it in a number of cases of Sprained Shoulder and Fetlock Joint, with* GOOD RESULTS; *For what is usually called Scratches I have found it a* PERFECT CURE.

I gave one bottle to a friend who has suffered for a number of years with Rheumatism in the shoulder. He was with me this morning, requesting another bottle, which he thinks will cure him. If agreeable, and when quite convenient, please send me a few bottles more. With many thanks I am, etc.,

HUNNEWELL'S
Triple Remedies.

THIS combination, under the study of the TRUE ANATOMY OF MEDICINE, now perfected in every department, placed at prices within reach of all, and calling for special attention are **1st**

HUNNEWELL'S UNIVERSAL **COUGH REMEDY.** Which without the slightest restraint upon its use every hour, and containing no ingredients to disturb the most delicate constitutions, becomes an enemy to all Throat and Lung Complaints, free from that terror to children, Whooping Cough, for which it is a certain relief, to Old Age, with its infirmities, and by a timely application will not only check that blight on the *American climate,* CONSUMPTION, but rob the grave of many of its early victims.

For HOARSENESS, so common to Public Speakers and Singers, it is without a parallel. For SORE THROAT, a certain cure. Make it your pocket companion by day, and your bedside friend by night, using it whenever you please.

HUNNEWELL'S TOLU ANODYNE. Which has drawn such loud praise from thousands who have tested its true character, and found it a sure and immediate relief for Nuralgia, Gout, Rheumatism, Toothache, Ear-Ache, St. Vitus Dance, Bowel Complaints, Bleeding at Lungs or Stomach, Distress in Chest after eating, and for all Nervous Complaints, to that chief of all causes of Disease, Depression of Spirits, and Insanity, the "LOSS OF SLEEP."

For COMMON HEAD-ACHE, Nervous or Chronic Headache, and Violent Sick Head-Ache, it has no equal, to which I can give the most undoubted references, and to which special attention is asked.

HUNNEWELL'S ECLECTIC PILLS. Designed as the GREAT MURCURIAL SUBSTITUTE, and assistant to the work of the Tolu Anodyne, and Universal Cough Remedy, when cases to which they are adapted are aggravated by Indigestion, Billiousness, &c., producing all the requirements of a gentle and thorough FAMILY PHYSIC, and coming in contact with the too common error of making a Pill Box of the Stomach, and producing by the number required for a dose, such extremes, that the Stomach loses its balance entirely.

A single Pill at night, or one at night and morning, will in all cases produce a gentle and thorough Cathartic. By taking a single Pill every second or third night, and *following it regularly,* living on good and easily digested food, Indigestion, Dyspepsia, Biliousness, Loss of Appetite, Liver Complaints, &c., are permanently cured. For WORMS, they are a safe, speedy, and permanent cure.

☞Be sure to call for *HUNNEWELL'S* preparations.

Ayer's Sarsaparilla.

THE peculiar taint or infection which we call SCROFULA lurks in the constitutions of multitudes of men. It either produces or is produced by an enfeebled, vitiated state of the blood, wherein that fluid becomes incompetent to sustain the vital forces in their vigorous action, and leaves the system to fall into disorder and decay. The scrofulous contamination is variously caused by mercurial disease, low living, disordered digestion from unhealthy food, impure air, filth and filthy habits, the depressing vices, and, above all, by the venereal infection. Whatever be its origin, it is hereditary in the constitution, descending "from parents to children unto the third and fourth generation;" indeed, it seems to be the rod of Him who says, "I will visit the iniquities of the fathers upon their children." The diseases it originates take various names, according to the organs it attacks. In the lungs, Scrofula produces tubercles, and finally Consumption; in the glands, swellings which suppurate and become ulcerous sores; in the stomach and bowels, derangements which produce indigestion, dyspepsia, and liver complaints; on the skin, eruptive and cutaneous affections. These, all having the same origin, require the same remedy, viz., purification and invigoration of the blood. Purify the blood, and these dangerous distempers leave you. With feeble, foul, or corrupted blood, you cannot have health; with that "life of the flesh" healthy, you cannot have scrofulous disease.

Ayer's Sarsaparilla

is compounded from the most effectual antidotes that medical science has discovered for this afflicting distemper, and for the cure of the disorders it entails. That it is far superior to any other remedy yet devised, is known by all who have given it a trial. That it does combine virtues truly extraordinary in their effect upon this class of complaints, is indisputably proven by the great multitude of publicly known and remarkable cures it has made of the following diseases: **King's Evil, or Glandular Swellings, Tumors, Eruptions, Pimples, Blotches and Sores, Erysipelas, Rose or St. Anthony's Fire, Salt Rheum, Scald Head, Coughs from tuberculous deposits in the lungs, White Swellings, Debility, Dropsy, Neuralgia, Dyspepsia or Indigestion, Syphilis and Syphilitic Infections, Mercurial Diseases, Female Weaknesses,** and, indeed, the whole series of complaints that arise from impurity of the blood. Minute reports of individual cases may be found in AYER'S AMERICAN ALMANAC, which is furnished to the druggists for gratuitous distribution, wherein may be learned the directions for its use, and some of the remarkable cures which it has made when all other remedies had failed to afford relief Those cases are purposely taken from all sections of the country, in order that every reader may have access to some one who can speak to him of its benefits from personal experience. Scrofula depresses the vital energies, and thus leaves its victims far more subject to disease and its fatal results than are healthy constitutions. Hence it tends to shorten, and does greatly shorten, the average duration of human life. The vast importance of these considerations has led us to spend years in perfecting a remedy which is adequate to its cure. This we now offer to the public under the name of AYER'S SARSAPARILLA, although it is composed of ingredients, some of which exceed the best of *Sarsaparilla* in alterative power. By its aid you may protect yourself from the suffering and danger of these disorders. Purge out the foul corruptions that rot and fester in the blood, purge out the causes of disease, and vigorous health will follow. By its peculiar virtues this remedy stimulates the vital functions, and thus expels the distempers which lurk within the system or burst out on any part of it.

We know the public have been deceived by many compounds of *Sarsaparilla,* that promised much and did nothing; but they will neither be deceived nor disappointed in this. Its virtues have been proven by abundant trial, and there remains no question of its surpassing excellence for the cure of the afflicting diseases it is intended to reach. Although under the same name, it is a very different medicine from any other which has been before the people, and is far more effectual than any other which has ever been available to them.
