the Danish Princes of North Schleswig to Denmark. The Emperor of Austria refuses to interfere in the matter at all.

BERLIN, July 26.—A couple of conscripts belonging to the Imperial army attempted to escape; they succeeded in reaching an American vessel at Bremerhaven, which was on the point of setting sail. The Prussian authorities threatened to open their batteries on the ship if the commander refused to give up the conscripts. After a short parley the men were surrendered.

LONDON, July 27.—The names of the persons recently arrested at Cork on suspicion of being Fenians are Gallaghan, Griffin and Goulding. Reilly, who has been on trial for some time, charged with complicity in the recent outbreak in Kerry, has been found guilty of high treason.

NEW YORK, July 25.—A political riot took place in East Tennessee on Tuesday, in which two persons were shot dead, seven mortally wounded, and about thirty slightly wounded.

NEW YORK, July 26.—A letter from British Honduras, dated 13th July, says: "Another steamer has arrived from the United States with a large number of immigrants. As inducements to settlers, the Legislature exempts all immigrants from duties and taxes for three years after arriving, admits their stock implements, furniture and provisions free, and gives land and money to each able bodied settler."

CHERBOURGH, July 28.—The Empress Eugenie yesterday visited the United States steamer Colorado now lying in the harbour and was received with all the honors befitting her exalted rank. At her approach salutes were fired and the yards manned. The vessel was gaily decked with colors. The other vessels of the American squadron and all the French men of war and shipping in the harbor were also profusely decked with bunting. The Empress was received by the captain of the Colorado and his officers, and was conducted through various parts of the ship. At the conclusion of the inspection Her Imperial Majesty expressed herself highly pleased with the appearance of the ship and the warmth of the reception, and departed amid the enthusiastic cheers of the sailors who manned the yards and with a parting salute from the great guns of the Colorado.

PARIS, July 28.—The *Moniteur* positively denies the truth of the statement that the Emperor Napoleon had sent a note to King William of Prussia, urging him to surrender the Danish District of North Schleswig to Denmark.

BERLIN, July 28.—Notwithstanding the official denial in the *Moniteur*, of Napoleon's note to the King of Prussia in regard to North Schleswig, the semi-official journals of Berlin continue to urge King William to repel the intrusion of the French Emperor in the political affairs of Germany.

ST. PETERSBURG, July 28.—The Emperor has issued a decree by which the whole Territory that may be conquered by the Russian forces in Central Asia is constituted one government under the command of Gen. Kaufman.

PARIS, July 29.—The *Moniteur* of this morning declares that the rumors of war which now prevail on the continent are without foundation. It says—that the existing relations of France with all European powers are eminently peaceful. It denies that the formation of new military camps is contemplated, and says the reserves of artillery and cavalry horses are to be sold to farmers in the departments.

LONDON, July 29.—The sincerity of the repeated denials put forth in the Paris *Moniteur* of the war reports now current in Europe is doubted here. The London *Times* in its city article of this morning is of opinion that the alarm created by these unwarlike rumors will have the effect to check trade generally until next spring.

VIENNA, July 29.—It is denied that the Hungarian military organization known as Honvieds or National Guards, is to be established, though several meetings of the Honvieds of 1848 have recently been held in Hungary with the object of effecting a reorganization. No action has yet been taken by either the Austrian or Hungarian Government to that end.

UNITED STATES.

WASHINGTON.—Congress has adjourned, says the *Examiner*, to November 21. The Supplementary Reconstruction bill was vetoed by the President, but passed over his veto by a vote of 30 to 6 in the Senate, and 100 to 22 in the House.—The impeachment movers failed entirely to get anything passed which was of any use to them.—The House passed by a strict party vote a resolution denouncing the statement made in the President's recent message, that the abrogation of the Southern State governments rendered it obligatory to assume the debts of those States; and declaring that such idea is at "at war with the principles of international law, a deliberate stab at the national credit, abhorrent to every sentiment of loyalty, and well pleasing only to the vanquished traitors by whose agency alone the governments of said States were overthrown and discharged." Other resolutions were: one declaring the sympathy of the people of the United States with the Cretans; one desiring the President to issue a proclamation prohibiting the organization of unlawful expeditions to Mexico; one giving an equal rights charter to Washington.—The Surratt trial has got through with witnesses, though the defence has produced little useful evidence during the week.—The room where President Lincoln died is visitad, even after two years have passed, by a score or so of persons every day.—General Grant freely expresses his opinion that the Mexican Government had a right to shoot Maximilian.

A great congregation of German singing societies has been held in Philadelphia. There were about 4,000 members present, of whom 1,500 came from New York.—The Adventists, who believe the world will come to an end the present year, are holding meetings under a big tent, at Syracuse.—A correspondent of the Rochester *Union* writes that the passengers of the little steamer *Flora City*, on Lake Ontario, were horrified the other day at the appearance of a huge serpent, which raised its monstrous head in front of the vessel's bow, and projected its jaws toward the promenade deck. The serpent was about fifty feet long, and followed the steamer as a shark follows a slate ship.

Six weeks ago, speculators in Indiana were paying $3. 50 a bushel for wheat and $1 for corn, now they give but $1.75 for wheat and 65 cents for corn. The harvest produced this, and its effect upon the cost of living must be felt before long.—The Minnesota papers claim a harvest of twenty million busbels of wheat this season.

The college at Oberlin is very flourishing. President Finney's preaching, it is said, has induced a great many young men to enter the theological department.—A home for newsboys and bootblacks is to be established in Chicago.

San Francisco sends off six tons of gold and forty tons of silver every month.—The great Tabernacle of the Saints at Salt Lake is finished. It is two hundred and fifty feet wide, and seats 10,000 persons comfortably.—Four hundred Mormons from Liverpool are crossing the Plains.

☞ We are authorised to state that the Railway and the River and Bay boats will give the usual accommodations to all persons attending the Baptist Convention at Wilmot, N. S., commencing August the 24th.

AN ARTICLE OF TRUE MERIT.—"Brown's Bronchial Troches" are the most popular article in this country or Europe for Throat Diseases and Coughs, and this popularity is based upon real merit, which cannot be said of many other preparations in the market which are really but weak imitations of the genuine Troches.

MOTHERS, MOTHERS, MOTHERS.—Don't fail to procure Mrs. Winslow's Soothing Syrup for all diseases incident to the period of teething in children. It relieves the child from pain, cures wind colic, regulates the bowels, and, by giving relief and health to the child, gives rest to the mother. Thirty-five cents a bottle.

PUTRID SORE THROAT.—The best remedy that has ever been discovered for this dreadful disease is Johnson's Anodyne Liniment. We do but simple justice to the medicine, as well as to the public, when we recommend the same for general use.—[Halifax, (N. S.) Daily.]

We are instructed to inform the readers of the *Visitor* that if Parsons' Purgative Pills fail in any instance to give satisfaction, the money shall be refunded. Cut out the notice and take it with you.

☞ Receipts for the "Christian Visitor," up to Aug. 1.—If any mistakes or omissions occur, please inform the office:—

FELLOWS' COMPOUND SYRUP OF HYPOPHOSPHITES.

For Nervous and General Debility, whether arising from a sedentary life, unhealthy occupation, a tropical climate, or any other cause.

For Pulmonary Consumption, Bronchitis, Inward Wastings.

For Dyspepsia or Indigestion.

For Rickets, Weakness of the Joints and Muscles, Loss of Appetite, Lowness of Spirits, Impurity of the Blood.

The effects produced are return of appetite, improved digestion, increase of flesh, good spirits, rosy cheeks and red lips, returning strength to the nervous and muscular system, and gradually all the functions of the body are restored to regularity, health and vigor. Its actions on the secretions of the respiratory organs are manifest in a very short time, the mucous and morbid matters are easily voided; it assists expectoration without depressing the patient, (this alone is a very valuable discovery, as we have not in the history of medicine an expectorant which is not also a depressant,) hence the patient is relieved from those racking paroxysms of cough without being subjected to debilitating influences.

THE GENUINE FELLOWS' COMPOUND SYRUP OF HYPOPHOSPHITES is put in pint bottles with our name blown on them, and sold at $1.50 per bottle, or six bottles for $7.50.

THE HYPOPHOSPHITES AND COD LIVER OIL, $1.25 per bottle, or six for $6.

Prepared only by FELLOWS & CO., CHEMISTS, St. John, N. B., who are the sole Proprietors and Manufacturers.

DIED.

On Saturday morning, the 27th ultimo, at 6 o'clock, of inflammation of the brain, Willie Havelock, beloved son of John J. and Lizzie D. Wright, aged 5 years and 1 month.

Dear mamma, I tremble to think I must die;
It is lonely and sad in the dark grave to lie;
Could you but go with me, I know that your hand
Would guide me through the gloom of death's shadowy land.
This deep, endless river: I shrink as I feel
Its darkness and mystery over me steal;
I fear its wild waves will my soul overwhelm
Ere I reach the far shore of the heavenly realm.
But what is this music that falls on my ear,
Enchanting my senses, dispelling my fear;
Oh, the angels are with me, I am not alone,
They're bearing me safe to my dear Father's home.
The playmates I loved who have gone on before,
Are waiting for me on yon beautiful shore;
Jesus beckons me to Him—I follow his call,
It is only a little brook after all.

His little cousin Georgie, whom he so dearly loved, died only a short tim since.

On the 30th ultimo, Mr. Simon Cobb, aged 80 years.—The deceased was a native of England. Came to this country many years ago. He was baptized by Rev. Mr. Curtis, when he was pastor of the Germain street Church, and lived a truly christian life. For some years he has held church connection with the church in Carleton, and was highly esteemed by his brethren for his devotion to the cause of Christ. His faith in his Redeemer was unwavering to the last, and yielded him peace and joy in the prospect of his heavenly home. His funeral will be attended on Thursday, 1st instant, from the residence of Deacon Christopher, Carleton, at 4 P. M.

At Carleton, on the 30th ultimo, Rachel Vaughan, beloved wife of Capt. Henry A. Calhoun, in the 41st year of her age.

Suddenly, on the 26th ultimo, Mr. Hugh Spence, aged 57 years.

On the 29th ultimo, Murray Keith, son of William G. and Agnes Harrison, aged 1 year and 4 months.

On the 28th ultimo, after a severe illness, Mrs. Mary Foley, in the 60th year of her age, a native of Dungarvon, County Waterford, Ireland, leaving a disconsolate husband and a numerous circle of friends to mourn their loss.

On the 30th ultimo, of water on the brain, Ida Partelow, only daughter of James and Eliza Seaton, aged 10 months.

On the 29th ultimo, Frank Hutton, only child of Samuel and Martha Brown, aged 6 months.

On the 22d ultimo, William Earle, infant son of John and Margaret McLenan, aged four weeks.

At Digby, N. S., on the 22d ult., G. W. Cleary, aged 67 years.

On the 19th ultimo, after a very severe illness of four months, Mrs. Jane Hovey departed this life. Her death was caused by cancer, which broke out after being removed two years previous to her death. She was the widow of James Hovey, deceased, of Ludlow, Miramichi. Out of a family of seven, three daughters only remain to mourn their sad loss. Her age was sixty two. She was a very patient sufferer; and while she longed for the time to come when the death angel should come and waft her to the land of rest, she waited with resignation to the Divine will, believing God's time to be best. She professed religion and joined the Baptist Church in Ludlow not long after her marriage, which connexion was never dissolved till her decease. She was a woman of sound judgment, deep penetration, great courage, and unflinching adherence to what she considered the path of duty. She was a faithful friend, a wise counsellor, an affectionate mother, a devoted wife, and a sincere christian. Her end was peace. It could scarcely be called dying. Thus her spirit took its flight, we believe, to join the redeemed throng in heaven. Her funeral was improved by the writer, to a deeply affected and attentive audience, from Phil. i. 23, "For I am in a strait betwixt two, having a desire to depart and be with Christ, which is far better." It was a profitable season, and one not soon to be forgotten. In her particular request, we sang at the grave her favorite hymn:

"I would not live alway; I ask not to stay
Where storm after storm rises o'er the dark way."
And then committed her remains to the tomb, to remain till the trumpet shall sound, and Christ shall bid her rise a glorious and immortal form to praise Him evermore.

A. ESTABROOKS.

At Tobique, at the residence of James Knights, on the 30th of May, Phebe Bryant, aged 69 years and 5 months. Our Sister experienced religion in Miramichi, and was connected with the Presbyterian Church. After she removed to this place, she became convinced that immersion was the only mode of baptism, and obeyed her Lord in that ordinance. She united with the Baptist Church here during the ministry of Bro. Jewett, and lived a consistent member till it pleased God to call her home, where now she reaps a rich reward. She sleeps in Jesus and is blessed. Elder Kyle preached her funeral sermon—Psalm xxi. 4.

W. J. BLAKENEY.

At Blissville, North Branch Oromocto, on the 19th ult., Hatfield D. Currie, in the 60th year of his age, leaving a wife and five children to mourn their loss.

At Amherst, N. S., on the 27th ultimo, of consumption, John Stubbs, Esq., Barrister and Attorney-at-Law, aged 37 years.

Suddenly, at Boston, James Crandal, aged 19 years, son of the late John Crandall, Esq., of Petitcodiac.
