follows in official despatch from Prussian Head Qnarters. Austrian Vanguard let by Gen. Von Gablenz, in persor. with Vanguard of Prussian Guards, advanced against Schleswig; at third charge with bayonet Allies repulsed Danes posted between Lotterf and Gottorf, and stormed Konigsburg, and Oberselk; attacking fore captured rifled gun and penetrated until beneath fire of the cannon arming the Dannewerkee; losses inconsiderable. Another account asserts German loss very great; attack was continued on the 4th withont making much impression on Danish lines. One grenade fell into Town of Schleswig. Town barricaded against coup-de-main. The King left Schleswig and arrived at Sonderberg; loss of Austrians in storming Jagel stated at four hundred, including many officers. A false guide conducted Prussians against Austrians and they fired upon each other.

Danes had altogether about a thousand hors de combat at Schleswig, viz. 800 killed and wounded, 700 ill from inclement weather. Loss of Austrians to latest date 30 officers, 519 men. Asserted Danes sent cruisers out after Prussian vessels. Duke Frederick proclaimed at Eckenford and Schwansen in Sheleswig Austrian Reicherath expressed its sympathy for army in Schleswig and granted extraordinary credit of four million Florins.

FRANCE.—Paris correspondent of the Times says at a ball on the 3rd, Napoleon said to a group of Marshalls and Generals, "it appears they have began exchange of cannon shots in the North; let them go on; it is no affairs of ours. Our policy should be non-intervention." Those whom he addressed seemed to agree with him.

ITALY AND AUSTRIA.—Reported Austria making armaments on Mincio. Also rumored that Italian Government protested against fortifications being erected by Austria near Peschiera in contravention of Treaty of 1850.

LATEST VIA LIVERPOOL, Faening 6th.—Hamburg Despatch, Morning of 6th, says no news from the Theatre of War. Believed Prussians prevent its transmission. Severe fighting supposed to be going on, as numbers of wounded are constantly being taken into Rendsburg. Hamburg Despatch Afternoon of 5th, gives report of Town of Schleswig evacuated by Danes and occupied by Allies. Another despatch says this statement may be considered authentic Nothing known as to capture of Missunde.

QUEENSTOWN, 7th.—Court Exchequer gives judgment in Alexandria appeal case to-morrow. Evacuation of Schleswig and Dannewerkee confirmed. Danes falling back; Flensburg Germans pursuing.

JACKSONVILLE, Dec. 30th 1863.

I had, for five years, been afflicted with Chronic Diarrhea producing constant distress; more than two years ago I took a cold in my head which settled in my eyes, becoming afflicted with sore eyes that sometimes affected my sight, and for the greater part of the time I suffered with headache. These diseases were increasing in severity this fall, until I commenced the use of Graham's Pain Eradicator and his Elixir Balsam, which gave immediate relief, and in less than two weeks made a complete cure. I have found it to surpass anything I have ever known for curing burns.

MRS. W. ARMSTRONG.

MARRIED

At the Wesleyan Parsonage, Jacksonville, on the 13th inst., by the Rev. S. F. Huestis, Mr. John Cogle, to Miss Mary Ann London, both of Richmond.

DIED.

At Northampton, the 15th inst., Hugh Coyle, aged 63.

At the residence of his father, on the 11th of February, after a long and severe illness, which he bore with resignation to the Divine Will, and in the glorious hope of future happiness, George Tapley, aged 22, the second son of Osmond Tapley Esq. of Lower Woodstock.

Brothers and sisters all adieu!
Weep not at my decease,
But praise and magnify the Lord,
In whom I die in peace.

And seek an interest in the blood
Of Christ who died to save;
So shall we meet in realms of bliss,
Beyond the cruel grave.

And there, set free from sin and care,
Will dwell in worlds above;
And soar and sing, or sit and bask,
In rays of heavenly love.

[From the Richmond Whig.]

The Charleston *Courier* makes a timely suggestion in recommending the attention of our government to the naturalization and cultivation of Calisaya, for the preservation of the health of our soldiers. The article has a peculiar effect upon the liver, and guards the system against disease by exposure and irregular diet. It is said that the great success of the Plantation Bitters of Dr. Drake which, previous to our unhappy difficulties was found in most Southern homes, was owing to the extract of Calisaya Bark which it contained as one of its principal ingredients.—"In confirmation of this, we have heard one of our most distinguished physicians remark, that whenever he felt unwell from ordinary dietetic or atmospheric causes, he invariably relieved himself by Plantation Bitters. Now that these Bitters cannot be obtained, a substitute should be prepared.—We understand our Government has opened negotiations with Dr, Drake, through a secret agent, but with what truth we do not know." * * * * *

We are exceedingly obliged to the Richmond *Whig* for its remembrance of "Auld Lang Syne," but we can assure "Our Government" that the Plantation Bitters are not for sale to any "secret agents;" North or South. There is probably several other things that "Our Government" will yet want.

We know that we have the best and most popular medicine in the world, We are not afraid to show what it is composed of.

Physicians are compelled to recommend it.

CALISAYA BARK has been celebrated for over two hundred years, and was sold during the reign of Louis XVI, King of France, for the enormous price of its own weight in silver. It is remarkable for Dyspepsia, Fevers, Weakness, Constipation, &c.

CASCARILLA BARK.—For Diarrhea, Colic, and diseases of the stomack and bowels.

DANDELION.—For Inflamation of the Loins and Dropsical Affections.

CHAMMOMILE FLOWERS.—For enfeebled digestion.

LAVENDER FLOWERS.—Aromatic, stimulent and tonic—nighly invigorating in nervous debility.

WINTERGREEN.—For Scrofula, Rheumatism, &c.

ANISE.—An aromatic carminative; creating flesh, muscle and milk; much used by mothers nursing.

Also, clove buds, orange, caraway, coriander, snake-root, &c.

S.—T.—1860—X.

Another wonderful ingredient, of Spanish origin, imparting beauty to the complexion and brilliancy o the mind, is yet unknown to the commerce of the world, and we withold its name for the present.

Humbugs and quacks howl about the Plantation Bitters; but the following is what's the matter, and they know it

PLANTATION BITTERS WILL CURE
Cold Extremities and Feverish Lips.
Sour Stomack and Fetid Breath.
Flatulency and Indigestion.
Nervous Affections.
Excessive Fatigue and Short Breath.
Pain over the eyes.
Mental Despondency.
Prostration. Great Weakness.
Sallow Complexion, Weak Bowels.
LIVER COMPLAINT AND DYSPEPSIA.

Very particularly recommended to Clergymen, Merchants, Lawyers and persons of Sedentary habits. Also for delicate females and weak persons who require a gentle stimulent, free digestion, good appetite and clear mental faculties.

Sold by all respectable Physicians, Druggists, grocers, Hotels, Saloons, Country Stores, &c.

Be particular that each bottle bears the fac-simile of our signature on a steel-plate label, with our private government stamp over the cork.

ONE OF HUNNEWELL'S GREAT REMEDIES.

HUNNEWELL'S ECLECTIC PILLS.—THE TRUE FORM OF A CATHARTIC.—By the application of true Medical Laws, both character and economy are combined in this most valuable Pill. To prevent putting into the stomach such quantities of indigestible and injurious drugs usually contained in Pills that require from four to six to get a decent cathartic, and to prevent the *Griping Pains* so erroneously judged to be evidence of character, was the study in this developement. The dose seldom exceeding *one*, and never more than *two* Pills, settles the question of economy, and confidence is asked to test their true character in *Dyspepsia, Costiveness, Biliousness, Liver Complaints, Piles*, all derangements of the *Stomach* and Bowels, and as a true Family Pill. For *Worms* they are a sure cure.
