Perfected Spectacles,

Appointed WM. DIBBLEE, Druggist, as their Sole Agent for this place. They have taken care to give all needful instructions, and have confidence in the ability of their agents to meet the requirements of all customers. An opportunity will be thus afforded to procure, at all times

Spectacles Unequalled by any for their Strengthening and Preserving Qualities.

Too much cannot be said as to their SUPERIORITY over the ordinary glasses worn. There is no *glimmering, wavering of the sight, dizziness,* or other unpleasant sensation, but on the contrary, from the peculiar construction of the Lenses, they are *soothing and pleasant,* causing a feeling of relief to the wearer, and PRODUCING A CLEAR and DISTINCT VISION, as in the *natural healthy sight.* They are the only Spectacles that

Preserve as well as assist the Sight!!

And are the CHEAPEST because the BEST, always lasting MANY YEARS without change being necessary.

Thursday, 1st day of October, 1868.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS it has been represented to His Excellency through the Board of Agriculture of the Province of Ontario, that the Contagious disease or Epidemic affecting Horned Cattle, which recently prevailed in many parts of the United States of America, has almost entirely disappeared, and it is therefore expedient that the Order in Council of the 13th of August last, prohibiting the importation or introduction of Horned Cattle from the said United States of America into the Provinces of Quebec and Ontario, be revoked, and the importation of Horned Cattle into Canada, permitted under certain Regulations hereinafter mentioned.

His Excellency in Council, on the recommendation of the Honorable the Minister of Agriculture, and under the provisions of the Act 29 Vic. Cap. 15, has been pleased to order, and it is hereby ordered that from and after the 8th day of October instant, the Order in Council of the 13th day of August last prohibiting the importation of Horned Cattle from the said United States of America into the Provinces of Quebec and Ontario, shall be and the same is hereby revoked.

His Excellency in Council, under the authority aforesaid, has further been pleased to make the following Regulations, that is to say:

On, from and after the said 8th day of October instant, all Cattle intended to be imported or introduced into the Province of Ontario, at the Ports of Windsor or Sarnia, shall, previous to their introduction, be inspected by such person or persons as may be appointed for that purpose, and whose permission shall be obtained before such Cattle shall be allowed to proceed to their destination.

All Railway Companies conveying such Cattle shall be, and they are hereby, required to cause the Cars used for the conveyance of the same to be thoroughly cleansed and disinfected immediately after the removal of the Cattle therefrom.

These Regulations shall remain in force until the First day of November next and no longer.

WM. H. LEE,
31 42 Clerk Privy Council.

INTERCOLONIAL RAILWAY!

To Contractors!

THE undersigned is instructed by the Government of Canada to inform intending Contractors that at an early day orders will be issued for the execution of certain portions of the Intercolonial Railway, between River Du Loup and Rimouski, in the Province of Quebec,—between Truro and Amherst, in the Province of Nova Scotia,—and between Dalhousie and Bathurst, in the Province of New Brunswick.

It is intended to let the work in sections or divisions, ranging from 15 to 35 miles, according to the situation and local circumstance.

The surveys are now in progress, in part completed, and the object of this notice is to afford intending Contractors ample opportunity of examining the ground at once.

The plans, profiles, specifications, conditions of contract, forms of tender, and other documents required for the information and guidance of Contractors, are now being prepared and when ready, of which due notice will be given, will be seen at the Railway Engineer's Office, in Halifax, St. John, Dalhousie, Bimouski, River Du Loup and Ottawa.

SANFORD FLEMING,
Chief Engineer.

WOODSTOCK MILLS!

THE subscriber would inform his friends and the public, that he has leased for a term of years the

Davis Grist Mills,

Carding Machines and Fulling Mill,

AT WOODSTOCK,

And he is now having them thoroughly repaired, and will be ready about the 15th inst., to

Grind Grain, and Card Wool,

in the best possible manner for all those who may favor him with their custom. He has engaged a competent Miller, and being thoroughly acquainted with the business himself, he hopes by strict attention to it, to merrit the public confidence and patronage.

Persons sending Wool to be carded are particularly requested not to put any grease on it before coming to the MILL. Any persons who wish can furnish grease for their Wool. One pound of grease to seven of Wool will be required. The best of Oil for Wool kept constantly on hand.
