The Novelets will continually succeed each other.—Among those already on hand, or in progress, are *The Mystery of the Reefs*, a powerful story by Mrs. Hosmer; and *Cut Adrift, or, The Tide of Fate* by Amanda M. Douglas.

When our extra edition is exhausted the names of all new subscribers for 1869 will be entered on our list the very week they are received. *Of course those who send in their names the earliest will get the greatest number of extra papers.*

Owing to the unusually liberal character of this offer we shall be compelled to adhere strictly to its terms.
