Miscellaneous.

WHO ARE HAPPY?—Lord Byron said:—"The mechanics and workingmen who can maintain their families are, in my opinion, the happiest body of men. Poverty is wretchedness, but even poverty is, perhaps, to be preferred to the heartless, unmeaning dissipation of order." Another author says: "I have no propensity to envy any one, least of all the rich and great; but if disposed to this weakness, the subject of my envy would be a healthy young man, in full possession of his strength and faculties, going forth in the morning to work for his wife and children or bringing them home his wages at night."

"Well," said an old gentleman the other day, "I have been forty-seven years in business, and can say what very few men can after such an experience; in all that time, my friend, I never disappointed but one single creditor." "Bless me, what an example for our young mercantile community," said the person addressed. "What a pity that one time occurred. How was it?" "Why," replied the old gentleman, "I paid the debt when it became due, and I never in all my life saw a man so astonished as that creditor was."

In a recent tabernacle sermon, Brigham Young made the following candid avowal:—"The Gentiles are very anxious to find out how many wives I have. Now I don't know that it is any of their business: but as they are so anxious to know, I will tell them. I have one wife and a great many women."

A Scotch judge condemned a man to be hanged the 28th of the month for sheep-stealing. As the poor convict was being removed he exclaimed, "My lord, my lord, I had na got justice here to-day!" The judge looked up from his papers, and said, "Weel, weel, my man ye'll get it on the 28th!"

A BILL

Relating to the New Brunswick Stave Company.

WHEREAS T. W. Longstaff and others have, pursuant to the provisions of the Act of Assembly, 25th Victoria, Chapter 28, filed in the Office of the Provincial Treasurer, a memorandum of Association, and thereby become a body Corporate by the name of The New Brunswick Stave Company, for the purpose of manufacturing Staves for Barrels, Casks, &c., and all kinds of lumber, and the vending thereof, with such other things as are incident thereto, with a Capital Stock of Twenty One Thousand Dollars, having their principal place of business at Woodstock, in the County of Carleton;

Be it therefore enacted by the Lieutenant Governor, Legislative Council and Assembly, as follows:—

1. That notwithstanding anything contained in the said memorandum of association of The New Brunswick Stave Company, the Capital Stock of The New Brunswick Stave Company shall be Fifty Thousand Dollars, divided into five hundred shares of one hundred dollars each, and the said New Brunswick Stave Company shall be and are hereby authorized at any annual, special, or general meeting of Stockholders, further to increase their Capital Stock from time to time by the issue of additional shares of one hundred dollars each to the extent of one hundred thousand dollars in the whole.

2. That any Stock of the said Company still unsubscribed for, or any additional shares to be issued, for the purpose of increasing the Stock of the said Company, may be either allotted to subscribers by the President and Directors of the Company, or sold by Public Auction after ten days advertisement in any Newspaper published in Fredericton, at the option of the said President and Directors.

3. That notwithstanding anything contained in the said memorandum of association, the principal place of business of the said New Brunswick Stave Company shall be in the City of Fredericton, in the County of York, and not in the Town of Woodstock, in the County of Carleton, but meetings of the Stockholders of the said Company, annual or special, and meetings of the Directors may be called for and held at any other place in the Province of New Brunswick, or may be adjourned from any one place to any other place in the said Province, and that such meetings may be called in any manner provided by the Bye-Laws.

4. The said Company may purchase or lease and hold lands, erect Mills, Factories, Buildings and Machinery, and carry on their manufacturing business in any place within the said Province of New Brunswick, and the said company are hereby empowered to sell and convey their lands and premises, mills, buildings and machinery, either absolutely or conditionally, or may lease the same as they may deem expedient.

5. The President and Directors of the said Company may expend and invest the earnings and profits arising from the business of the Company in excess of ten per cent. thereof in buildings and machinery and in forwarding the business of the said Company, and may, instead of declaring dividends upon the paid up stock, as they may deem expedient, allot to each Stockholder stock equivalent to the amount of the dividend that would be payable on the said stock over and above the ten per cent., as aforesaid, and that in all cases when the amount of the dividend to be declared or allotted to any Shareholder, over and above the ten per cent. of profits, as aforesaid, shall be the fractional portion of a share, such fractional portion of a share shall not be allotted in stock, but may be payable in money, or may, at the option of the President and Directors, remain to the credit of the Shareholder, untill the accumulated reserve shall amount to a full share, or until such Shareholder shall pay in money the sum necessary to make up a full share, when such share shall issue.

President.

Ayer's Cherry Pectoral,

For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption.

Probably never before in the whole history of medicine, has anything won so widely and so deeply upon the confidence of mankind, as this excellent remedy for pulmonary complaints. Through a long series of years, and among most of the races of men it has risen higher and higher in their estimation, as it has become better known. Its uniform character and power to cure the various affections of the lungs and throat, have made it known as a reliable protector against them. While adapted to milder forms of disease and to young children, it is at the same time the most effectual remedy that can be given for incipient consumption, and the dangerous affections of the throat and lungs. As a provision against sudden attacks of *Croup*, it should be kept on hand in every family, and indeed as all are sometimes subject to colds and coughs, all should be provided with this antidote for them.

Although settled *Consumption* is thought incurable, still great numbers of cases where the disease seemed settled, have been completely cured, and the patient restored to sound health by the *Cherry Pectoral*. So complete is its mastery over the disorders of the Lungs and Throat, that the most obstinate of them yield to it. When nothing else could reach them, under the *Cherry Pectoral* they subside and disappear.

Singers and Public Speakers find great protection from it.

Asthma is always relieved and often wholly cured by it.

Bronchitis is generally cured by taking the *Cherry Pectoral* in small and frequent doses.

So generally are its virtues known that we need not publish the certificates of them here, or do more than assure the public that its qualities are fully maintained.

Ayer's Ague Cure,

For Fever and Ague, Intermittent Fever, Chill Fever, Remittent Fever, Dumb Ague, Periodical or Bilious Fever, &c., and indeed all the affections which arise from malarious, marsh, or miasmatic poisons.

As its name implies, it does *Cure*, and does not fail. Containing neither Arsenic, Quinine, Bismuth, Zinc, nor any other mineral or poisonous substance whatever, it in nowise injures any patient. The number and importance of its cures in the ague districts, are literally beyond account, and we believe without a parallel in the history of Ague medicines. Our pride is gratified by the acknowledgments we receive of the radical cures effected in obstinate cases, and where other remedies had wholly failed. Unacclimated persons, either resident in, or travelling through miasmatic localities, will be protected by taking the *AGUE CURE* daily.

For *Liver Complaints*, arising from torpidity of the Liver, it is an excellent remedy, stimulating the Liver into healthy activity.

For Bilious Disorders and Liver Complaints, it is an excellent remedy, producing many truly remarkable cures, where other medicines had failed.

Prepared by Dr. J. C. AYER & Co., Practical and Analytical Chemists, Lowell, Mass., and sold all round the world.
