There was a grand rush of men and women out of the factory and into the street but returned to their usual stations when the steam was shut off.

THANKS to the HERALD agitation and the infusion of new blood into the Corporation, our CNE sewers have started on the road to reformation. Its an excellent move, gentlemen, to sell the hair-traps, but don't stop there. You have plenty other evils to remedy which we trust will secure your earliest attention.

DROWNED.—A little daughter of Mr. Robt. Brown, was recently drowned by falling off a raft into the Nashwaaksis stream, York Co. A lad named Gilder, of Gage town, was drowned at Victoria Mills, York Co., on Wednesday. BAZAAR.—On Monday next a Bazaar will be held in the new wing of the Sacred Heart Convent, Waterloo street, for the benefit of the New School. The price of admission will be 10 cents. As the proceeds are to be devoted to a charitable purpose, we expect that the ladies who have interested themselves in the work will have the pleasing satisfaction of seeing their efforts crowned with success. Therefore by all means patronize the bazaar. See advt.

FIRE.—A fire at McRoven, on Wednesday morning, destroyed a house owned by the late P. Curran, Esq. A fire at Woodstock, at an early hour, Thursday morning, destroyed a house and barn belonging to Mr. Stephenson, houses belonging to Dr. Dow and Geo. Holyoke, and the out-buildings and ell of a house owned by Mr. Smith. A cow belonging to Mrs. Stevenson was burned to death.

EXCURSION.—The City Cornet Band are to have an Excursion to Annapolis, on May 24th. The opportunity of spending the holiday by taking such a delightful trip across the Bay will no doubt be embraced by a large number of our citizens. As there is to be a considerable stay at Annapolis, excursionists will have a splendid opportunity of moving around to witness the beauties which surround the town at this particular season of the year. See advt.

Mr. Burns will be a candidate for the Dominion parliament. His friends speak highly of him and condemn "that investigation" in strong terms. Mr. Joseph Porrier of Grand Anse is spoken of as a candidate for the Local House.

GLOUCESTER COUNTY CANDIDATE.—Mr. John Scivewright is out as a candidate for the County of Gloucester in the approaching election of representatives to the General Assembly of this Province and we have reason to believe that his prospects are very good. Mr. S. is a gentleman of superior education and of much intellectual ability, and is withal uncommonly well versed in provincial affairs and capable of giving utterance to his thoughts in a clear, concise and forcible manner. He is besides a man of uncommon energy, which is a quality not to be despised in a legislator in these days. He will make an excellent representative, and he has our best wishes for his success.—*News.*

Mr. Scivewright appears to be very popular among all classes and creeds in the county.

A SAD CASE.—The GLOBE recently copied from the Carleton *Sentinel* an account of the drowning in the St. John river of a woman and her child. A Fort Fairfield despatch gives some particulars of this melancholy occurrence. The woman had been recently at work in Lewiston and was engaged to an overseer of a mill, but the engagement was broken by him, and when she returned home recently, hearing he was married, she took her illegitimate child to the river, bound it, threw it in and jumped in after it. A man threw her a long scarf, which she violently flung from her and perished. Yesterday's *Globe.*

ACCIDENTS.—A ship carpenter named Cole fell between the leader of the *Revolving Light* and the wharf, Saturday morning, and had his left temple and one of his eyes badly hurt. Saml. Eggles, of Winter street, Portland, had one of his feet crushed by a large stone, while working at the foundation of a wall. Harry Botsford, son of Geo. Botsford, Esq., fell on a pile of wood while coming out of the Reform Club building Fredericton, Wednesday night and was taken with convulsions. Dennis Collins, thought to be insane, jumped from the attic window of Moore's boarding house, Queen street, Fredericton, and broke his hip besides sustaining other severe injuries. S. Dunham employed in Price and Shaw's factory, Indiantown, severed an artery, on Thursday afternoon, while cutting a piece of steel.

J. O'Regan, 1st Vice do.
J. Connors, 2nd do. do.
R. J. Walsh, Rec. Sec.
F. A. Anglin, Cor. do.
J. L. Carleton, Fin. do.
R. Richey, J. Carney, J. Kelly, } Assistant Fin Secs.
J. F. Gleeson, Treasurer.
Jas. Butler, Sergeant-at-arms.

The regular monthly meeting of St. Malachi's T. A. B. Society will be held in St. Malachi's Hall on Sunday afternoon at 3 o'clock. Rev. Jas. McDevitt, Spiritual Director of the society will deliver a lecture.

BUSINESS NOTES.—Mr. H. Bowles will to-day open in his new premises, in Robinson's building, opp. Mullin Bros., Dock street, where he intends to go more largely into the manufacture of boots and shoes. On the ship will be found an extensive assortment of the best imported goods together with his own manufacture, he has two large flats of the building, one of which will be a cutting and machine room; and the other will be exclusively devoted to custom work. Having greater facilities than heretofore, Mr. H. is determined to run things this year. He will continue his branch store in Portland.

Wm. Martin, custom tailor and clothier, is now settled down to business in his old stand, Dock street, where his friends and the public will find him prepared to attend to any order with which he may be favored.

Stevenson's Up-Town Boot and Shoe Store, 17 Charlotte street, has been enlarged and improvement made which will enable the proprietor to carry on his business on a more extensive scale than formerly. Large additions to his stock, which comprises several new styles of boots and shoes specially adapted for summer wear, have recently been made, and Mr. S. is under the impression and wishes it to be distinctly understood that he can sell goods at prices which cannot fail to suit each and every purchaser.

"Drops Comfortable." Mrs. Graves, of Hamilton, C. W., writes: Several persons have been restored to a state of health and strength by the timely use of the Hagyard's Pectoral Drops. Price 25 cents. Sold by druggists. Cost's Vermifuge kills Long Worms; Headaches, Dizziness, Dyspepsia or Biliousness, Liver Complaints, all Bilious diseases, Jaundice and all Female Irregularities yield at once to the magic influence of the Pectoralic. Two doses at night will in most cases afford immediate relief, and the trouble be like the morning cloud and early dew that soon passes away. Sold by druggists. Price 25 cents. Simple and gentle are they in their operation. They contain neither Mercury or Aloes. For only 60 cents a cure can be effected in an incredible short time, when by neglect *hundreds* of dollars would be of no avail. We advise all to TRY THEM. See advertisement in another column.

NEW BOWLING ALLEYS.—M. C. Courtenay who has become so well known to our citizens by establishing the Billard Rooms on the corner of Dock street and North Wharf, has now under construction a two storey gravelled roof building, on Sydney street, close to St. Malachi's hall, with an ell running to the rear which will be fitted up in a superior manner for bowling alleys. The size of the ell will be 76X29 feet; is strongly supported by iron pillars and contains six large sky-lights which will afford plenty of light to those engaged in exercising themselves. The ground flat of the main building which is 40X20 feet, is divided into two large rooms with arched open ing for communication. One of these rooms will be used as a lunch-room and for the dispensing of temperate drinks, including tea, coffee, etc. A soda water fount of a rare and fancy design manufactured by Puffer Bros., Boston, expressly for the proprietor and which is to cost $500, will be placed in the lunch room. The upper flat of the building contains several rooms which are not yet devoted to any particular purpose. The proprietor expects to have the establishment opened about the 24th of May and intends to conduct it on strictly temperance principles. As the bowling alleys will be a first class affair there is no doubt that Mr. C. will be well rewarded financially for the enterprise exhibited in opening up for those seeking an invigorating exercise, a field in which to develop their muscles.

AN INFAMOUS PLOT.—It is said that Russia Prussia and Austria mean to "finish with Poland"—that this is the *grand mot* of statesmen and diplomatists just now. To bring this finish about, two projects are on the *tapis*. One of them consists in ceding to Prussia the left bank of the Vistula, and in incorporating with Russia the Rouman part of Gallicia; giving Austria compensation in the east. The other scheme, which is said to be most agreeable to Bismarck, gives to Prussia, Silesia, allowing Austria to extend her frontier to Warsaw, and giving Gallicia, Lemburg included, to Russia.

It was time for the Cuban war to close. For the last two years the rebel leaders have contented themselves with growing fierce mustaches and playing numbl-typeg.

No matter how thoroughly you clean the house, the wife of the next man who moves in will declare that it is not fit for hogs to live in, and will slop suds around over everything, trying to make it fit for hogs to live in.
