Wolfville, Nov. 27.

TO THE U. B. E. S.—Early in November the ladies of Lenister Street church arranged to give an old Folks Concert on 14th of December. On the 5th inst., they learned of your lectures, the first to be given the same night as concert. They then tried to arrange with the singers to change the night but found they could not, as many of them had engagements in connection with their own churches, which would prevent their attendance on any other evening for some time; so there was no alternative but to proceed as arranged.

Bro. Wallace says of Rev. H. Bool's Lecture: "It was my privilege to be present at North Brookfield, Queens Co., on Monday evening Dec. 6th, when Rev. H. Bool gave his Lecture on Pilgrims' Progress, illustrated by Pamphengos pictures, and it gives me pleasure to say that the lecture was well patronized and highly appreciated. The audience traced the pilgrim with exciting interest in his progress as indicated by the immortal dreamer, from the time he first heeded the warning and advice of the Evangelist until he crossed triumphantly the cold river of death and entered the Celestial City. The lecture was a treat, and its influence both intellectually and religiously could not but be salutary. I wish brother Bool success in his lecturing tour through the Provinces."

—Who will send the MESSENGER AND VISITOR as a Christmas present to a friend, or to one of the Lord's poor?

The latest news from all quarters is to the effect that the Remedial Compound is accomplishing more than has been claimed or could be expected of it. Its effect upon the female system is marvelous. See advertisement.

NEWS FROM THE CHURCHES.

WOLFVILLE.—The I. O. G. T. held a jubilee meeting in the Baptist church on the evening of the 7th inst. The audience was large, made up by numbers from the village, and large representations from the different departments on the hill. Rev. Dr. Higgins presided. J. L. Bishop, Esq., spoke in behalf of the order, showing what it aimed to do, and what it had done in this village. Professor Kierstead gave an interesting and valuable address in answer to the question, What can we do to promote temperance? The suggestions which he presented will not be lost. Miss Wadsworth, principal of the seminary, followed, speaking especially of the Women's Christian Temperance Union and presenting many interesting and useful facts and reflections connected with the work of that organization. Miss Wadsworth is a pleasing and effectual speaker. It is understood that she has been engaged by the Temperance Union off these Provinces to deliver addresses in several places during the Christmas vacation. A choir composed of members of the order added much to the interest of the occasion. The design was to have a Gospel Temperance meeting and the attempt was successful to a high degree.

COW BAY, C. B., Dec. 6.—Baptism again on the 5th. Two dear sisters were enabled thus to put on Christ before the world, henceforth to be coworkers with their husbands in christian service and Christ-like examples before their children. One was received into the Cow Bay church, the other the Homeville church. Another sister was received into the Cow Bay church by letter. M. B. SHAW.

TORONTO.—The work is prospering among the Baptist churches in Toronto. On a recent Lord's day, sixty were baptized into the fellowship. The Baptist cause in Toronto has had remarkable prosperity. New interests are being planted almost every year, and the work is pressed vigorously all along the line.

CHESTER, N. S.—I rejoice to inform you that we now have our house of worship on the Western Shore so far completed as to be able to occupy it. Expect (D. V.) to hold service there next Lord's day. Let me ask all who are interested in the welfare of souls to pray the "Lord of the harvest" to bless the word preached therein to the good of men and the eternal glory of his own great name. A few more gifts like the following will pay off our debt of $40. I am confident that this small sum will be forwarded by some of the many lovers of the truth. Donations received the last week as follows:

Rev. S. B. Kempton, Canard.....$5 00
Burton Jost, Esq., Guysboro..... 5 00
Miss Ruth Jenks, New York..... 0 50
Capt. Kenneth Oxner, Chester Basin 1 00

J. F. KEMPTON.

CENTREVILLE, N. B.—Six persons were received into the Baptist church in this place last Sabbath, three by baptism and three by letter. It was a good day for the church. An unusually large number partook of the sacrament. The power of Christ was present to heal. G. H.

SPRING HILL, Dec. 9.—If you can spare a corner of your valuable paper, I will tell your readers some of our doings in this land of coal. And just now while Jack Frost is pinching fingers and toes, we have profound pity for those who huddle about greenwood fires. How gladly we would say to them, "Come in and get warm." Oh, the cheeriness and comfort which glows and flashes in a Spring Hill coal fire. Long life and happiness to those noble fellows from whose toil we derive so much pleasure, and long life and great success to the Cumberland R. & C. Co., for their generosity in donating all necessary coal to the clergymen of the town and their houses of worship, also free travel on their line of Railway. The company is doing a large business, paying out for labor alone about $40,000 monthly. Our church is still in its infancy, being about three years old. It was organized with eight members, and now numbers seventy-six, with a very encouraging outlook. I am enjoying my work here very much. In a little over a year, I have baptized on eleven different occasions in Spring Hill, and three times in West Brook. The spiritual life, energy and harmony which prevail are sources of joy to all. Our social meetings are seasons of refreshing. Difference of opinion is freely expressed, but I have yet to hear the first discordant note. Indeed, the church comes very nearly up to my idea of a model church. J. MURRAY.

SANDY COVE, Dec. 6.—As I sat down to rest in my own humble, sweet home last evening, thoughts came into my mind as to how the Home Mission Board was to be relieved of its indebtedness. Soon the remedy, at least in a measure, was hinted. It was this: There are belonging to our convention over two hundred ordained ministers. Brethren, in the precious Lord Jesus, let each of us forward to Dr. Day on the first day of January next, 1887, $5.00. Say yes, dear fellow-laborers in the kingdom and patience of Christ. By these simple acts of beneficence the Home Mission Board will be put in possession of one thousand dollars. This may provoke others to go and do likewise. I will remit my five dollars to Dr. Day on the morning of the 1st January, 1887, D. V.

J. C. MORSE.

PERSONAL.

Rev. O. C. Herbert has removed to the United States. His address is Winter Harbor, Hancock Co., Me.

Brother Murray has been put on the "sunny side" by his people at Springhill, by a purse of $200, given him after his salary was paid. It is no wonder Brother M. writes: "May the Lord fill all these dear friends with temporal and spiritual blessings. We are praying, expecting and planning for a large increase of membership this ensuing year. Brethren pray for us."

Brother G. Howard wishes to acknowledge the receipt of a donation of $80 from the church and congregation at Centreville, the half of it in cash. He is thankful that his people are so kindly and sympathetic.

HAMMOND.—Very suddenly at his home in Fairbury, Nebraska, Nov. 16, Andrew J. Hammond, aged 74, second son of the late Rev. Lathrop Hammond, of N. B. (Carleton and Victoria papers please copy.)

NEILY.—At the residence of her son, Whitfield Neily, North Kingston, Kings Co. N. S., Nov. 27th, Mrs. Sarah E. Neily, aged 67. Her end was peace. Sister Neily professed faith in Christ about four years ago, was baptized by Rev. J. W. S. Young and united with the Melvern Square Baptist church. Last spring she received her letter of dismission from that church and united with the Lower Aylesford church. She maintained her profession till her Saviour called her home. "Blessed are the dead that die in the Lord."

HALL.—At South Branch, Nov. 28, Mr. John Hall peacefully passed from the church militant to the church triumphant, after a short illness which he bore with christian resignation. Mr. Hall was highly esteemed by all, and his loss will be mourned by the church and community, as well as by wife, three sons, and six daughters whom he leaves behind. His funeral was largely attended and an appropriate sermon was preached by his pastor, Rev. S. Welton.

GREENOUGH.—At Kempt, Hants Co. N. S., Nov. 2, Dea. James Greenough, in the 71st year of his age. He was baptized by Edward Manning some 50 years ago, and has since been known as a christian of upright character, ready so far as able to lend a helping hand to every good work. His last sickness was very protracted and distressing in the extreme, but did not shake his confidence in his God. During the long year of suffering through which he passed, the faithful ministration of a loving wife and daughter, the kind attention of married and absent children, together with the thoughtfulness of others, did much to lessen the burden of his distress. But we trust he now enjoys the eternal freedom from pain, purchased by a once suffering Savior for all who believe in his name. God grant that the members of the family yet on this side of death's dark valley, may find Christ precious when they are encompassed by its shadows. G A W

DOHERTY.—At Midway, Albert county, N. B., Dec. 2, Hugh Doherty, in the 79th year of his age.

EISENHAUR.—On the 4th inst., at Chester Basin, after much suffering, Mrs. Mary Eisenhaur, aged 53 years. She was a good woman and highly esteemed by all who knew her. Sister Eisenhaur was converted at the early age of 12 years and was baptized by the late Rev. Joseph Dimock. Her life was consistent; her end was peaceful. Her last words on earth were, "I am dying and I have hope." J. F. E.
