CHICK.

(Continued on Eighth Page.)

By asserting the truth the wise will take heed
That work cannot be done without hands to perform,
And that photos by Climo and Son are made
By artists of skill in perfection and form.
To do the impossible none can succeed,
To have art-finishers they must be on the ground,
And for the truth of this we challenge the world
That at Climo and Son's such artists are found.
