CAPITALISTS AND SPECULATORS.

THE rapid strides making by the British Provinces, and the West India Islands, for the construction of a Rail Road from St. Andrews in New Brunswick, to Quebec in Lower Canada and the success that has hitherto attended the projectors of this magnificent undertaking, has already exceeded their most sanguine expectations, there remains not a doubt but that active operations will be commenced in the following Spring, consequently, property of every description will rise in value as the work progresses, and yield immense profits to persons disposed to purchase at the present reduced value of property in this town. The Proprietor being anxious to dispose of all his undivided Real Estate in St. Andrews, and Lands in the neighbourhood of the Schoodiac River also valuable Lands on the St. John River, and other Lands at Gardiner's Creek, a short distance from the city of St. John, is disposed to treat with any person or company, on the most reasonable terms, for the sale of the same. Two-thirds of the purchase money may remain at interest from three to five or seven years, as the parties may agree.

ALBION

PROSPECTUS OF THE FOURTH VOLUME OF
A JOURNAL OF THE NEWS, POLITICS, AND LITERATURE OF EUROPE.

The fourth volume of the New Series of THE ALBION *commenced on the first Saturday of the present year, 1836,*

This Journal, which embodies the News Politics and Literature of Europe, more particularly of Great Britain, has been established nearly *Fourteen Years* and has obtained a reputation and circulation far surpassing the most sanguine expectations of its founders. This flattering encouragement has enabled the Proprietor, on three separate occasions, to improve, enlarge, and embellish the work, and to throw into its pages such an increased quantity of political, literary, and scientific matter, as to render it, in the estimation of its friends, one of the most efficient weekly journals in the English language.

In its details, the ALBION will be found to embrace—Notices and copious extracts from all the new publications of value issuing from the British Press,—the Debates in both Houses of Parliament, with the most remarkable speeches at length—and the general intelligence of the British Empire, the Continent of Europe, and other parts of the globe. In its lighter portions will be found the most amusing and agreeable Tales of the British Periodicals, which are selected with judicious and care that has drawn forth the most unmitigated approbation. Any thing that tends in the slightest degree to shock female delicacy, or to offend national affection, is carefully excluded, by which course this paper has become an inmate of the most respectable and intellectual families, and may be found in the Drawing Rooms and on the tables of the most literary persons of the North American Continent.

Poetry, History, Biography, Music, and the Drama, receive ample and proper attention, while Scientific and Geographical Discoveries, Voyages, and Travels, &c. &c., are faithfully recorded. The Witty and Gay Anecdote of the great European World, the Fashionable Intelligence of the day, complete the *mélange*.

Each yearly volume contains about five and twenty pieces of new and fashionable English, French, German, and Italian Music, together with frequent Maps, Plans, Sketches, and Diagrams, illustrative of subjects treated of in the general scope of the work. At the end of each volume, a handsome Title Page, copious and well arranged Index to present and to each subscriber.

The ALBION is published every Saturday morning in the Quarto form, on a large imperial sheet of excedingly fine paper printed with beautiful type, at six Dollars Per Annum, payable in advance.

Office 127 Orders direct, near Broadway, New York.

AGENTS FOR THE ALBION.—*New Brunswick*—Moses H. Perley, Saint Andrews; J. E. Beckwith Fredericton; George [illegible] Fredericton; Stubs, Jr. St. Stephen; Geo. N. Smith St. Andrews, Mr. Bonnell, Magetown.
