AQUATIC.—A beautiful yacht built by the Messrs. Mosely, at LaHave, constructed and rigged as nearly as possible after the lines of the American sloop *Sylvia*, arrived here on Tuesday last. This fine craft is thirty feet over all, 10 feet beam, and five feet hold. She is the property of Frank Albro, Esq., and other gentlemen of this City. The number of gigs, wherries, &c., at present being built in this City, very far exceeds that of any previous year.—*Journal.*

The EIGHTH, says the Bridgetown *News*, was duly celebrated in that town for the first time.

On Wednesday, the 1st June, instant, the great desideratum of a Daily Mail between the Commercial Capitals of Nova Scotia and New Brunswick, was duly inaugurated. The mail from St. John, we understand, is despatched every lawful day at 6 o'clock, p. m.; but we have yet to learn the hour at which the mail from hence to St. John is closed and forwarded. With respect to Express Mails, despatched by the afternoon train, we would suggest that they be kept open to the latest hour possible, consistent with the right discharge of the duties of the Post Office. This is only fair to the commercial community, and we feel assured that it is only necessary to call Mr. Woodgate's attention to the subject to put it all right.—*Chron.*

We are glad to find that the steamer *Lady Head* is again upon the line between Quebec and Pictou, touching at intermediate ports. She will leave the latter place on the 18th inst.

STRAWBERRIES.—Good looking Southern strawberries were sold in this city, Thursday, at thirty-seven cents per box. In Baltimore they are selling as low as six cents per quart. At New York, on Wednesday, two thousand five hundred bushels arrived from Philadelphia and were sold at thirty cents per quart. In this vicinity some of the vines were entirely killed, but the crop, as a general thing, promises well. —*Boston Traveller, June 4th.*

NOTICES.

Rev. J. A. Moor desires to intimate to his friends that his present address is Port George.

The Nova Scotia Baptist Home Missionary Society.

The *Anniversary* of this Society, according to the resolution of last year, is notified for Tuesday the 5th July next, to be held at Pugwash, with the "Eastern N. S. Baptist Association."

By order of the Board,

S. N. BENTLEY, Secretary.

Halifax, June 13th, 1859.

P.S.—THE FUNDS, THE FUNDS!—Please bring up the funds for the Home Mission to the Associations at Halifax and Pugwash! Some forty pounds are now due on accounts just passed, which the Treasurer cannot pay for want of Cash. It is to be feared that a few other bills are even now on their way. On an average of the year now closing, five men have been in constant employ; and they have to be paid. The Lord has signally blessed the labors of the Missionaries. Some 200 persons have during the year acknowledged Christ by baptism. Remember the Home Mission! (Five pounds just received from Upper Stewiacke.) S. N. B.

RECENT APPOINTMENTS BY THE N. S. BAPTIST HOME MISSIONARY BOARD.—Rev. Geo. Richardson 5 weeks to Strait of Canso and Tracadie. Rev. D P. McQuillan, 3 months in the vicinity of his field of labor. Brother Samuel Bell, 2 months at Margaret's Bay and Tancook Island. Brother M. P. Freeman, 2 months or more on the North Shore between Pugwash and Merrigomish. Brother Benjamin Spencer 1 month in Guysboro. Brother D. McKeen, 4 or 5 weeks on Cape Breton. Brother Ronald McDonald, 6 weeks on Boulardrie Island. Brother Wm. H. Hobbs. M. D., 6 weeks at Shelburne and Jordan Bay. (provided it will not interfere with any arrangements of the Board of the Western Association). Brother D. F. Higgins, 8 weeks at Walton and Eastwards, Hants Co. Brother W. H. Porter, 1 month east of Sydney, C. B. Brother M. A. Bigelow, 2 months at Strait of Canso.

More Testimony from the Clergy.

☞ This certifies that I have used Perry Davis's Vegetable Pain Killer with great success in cases of cholera infantum, common bowel complaint, bronchitis, coughs, colds, &c., and would cheerfully recommend it as a valuable family medicine.

Rev. JAMES C. BOOMER.

Messrs. P. Davis & Son—Dear Sirs: Having witnessed the beneficial effects of your Pain Killer in several cases of Dysentery and Cholera Morbus within a few months past, and deeming it an act of benevolence to the suffering, I would most cheerfully recommend its use to such as may be suffering from the aforementioned or similar diseases as a safe and effectual remedy. Rev. EDWARD K. FULLER.

This certifies that I have for several years used Davis's Vegetable Pain Killer in my family, in several of these cases for which it is recommended, and find it a very useful family medicine.

PARK'S PRICKLY PLASTERS.

They sooth pain; protect the chest; they extract the coagulated impurities and soreness from the system, and impart strength. They are divided into sections, and yield to the motion of the body. Being porous, all impure excretions pass off, and they cannot become offensive, hence can be worn four times longer than any other plasters, and are cheaper at 25 cents than other at 10. *Where these plasters are, pain cannot exist.* Weak persons, public speakers, delicate females, or any affected with side, chest or back pains, should try them. You will then know what they are. They are a new nature in the science of medicine. All Druggists have them. Take no other. Each Plaster bears a Medallion Stamp and our Signature.
