Third Division of Profit

MINERVA
LIFE ASSURANCE COMANY
OF LONDON,
ESTABLISHED, 1836.

AT the Third Quinquennial Meeting of this Company, held in London, 24th June, 1852, a Surplus of £42,400 Sterling, (being four-fifths of £53,000 Sterling) was declared distributable amongst the Policy holders entitled to participate. This sum allows of a reduction of Premium for the next five years, of £9,633 16s. 3d. Sterling, per annum, or an equivalent reversionary Bonus payable at Death, of £48,233 10s. 7d.

The reduction of Premium averages 35.22 per cent. on the Premiums payable during the next five years.

The reversionary Bonus averages 60 per cent. on the Premiums received during the last five years, or 9 per cent. on the sums Assured.

Upon the Policies which had been full five years in existence, the reversionary Bonus averages 2 1-2 per cent. Premium on the sum assured, a result which has been seldom equalled, and will bear comparison with that of any Office.

The following Table illustrates the Bonuses declared:

	Average Reduction of Premium.	Average Reversionary Bonus.
1st Division—1842	16.833 per cent.	£1 per cent
2d, " 1847	31.333 "	53½ "
3d, " 1852	35.22 "	60 "

On the 31st December last, the Existing Assurances were £1,599,843 16 2
The Capital Funds of the Company were - - - 230,262 15 6
The Annual Income was - - 47,731 2 8
The Divisible Surplus was - - 53,000 0 0

The Directors consider, and I trust the Policy holders will agree with them, that the position of the Company is highly satisfactory, and hope that, taking into account the continually increasing competition they have to encounter, the progress of the Company has equalled their expectations, as the benefits actually realized equal, and in most cases surpass, those afforded by the largest established Offices.

Here is your Remedy!
HOLLOWAY'S OINTMENT.

A MOST EXTRAORDINARY CURE OF THIRTEEN YEARS SUFFERING.

Extract of a Letter from Mr. Wm. Galoin, of 70 St. Mary's street, Weymouth, dated May 15, 1851

To Professor HOLLOWAY.

SIR,—At the age of 18 my wife (who is now 61) caught a violent cold, which settled in her legs, and ever since that time they have been more or less sore, and greatly inflamed. Her agonies were distracting, and for months together she was deprived entirely of rest and sleep. Every remedy that medical men advised was tried, but without effect; her health suffered severely, and the state of her legs was terrible. I had often read your Advertisements, and advised her to try your Pills and Ointment; and, as a last resource, after every other remedy had proved useless, she consented to do so. She commenced six weeks ago, and, strange to relate, is now in good health. Her legs are painless, without seam or scar, and her sleep sound and undisturbed. Could you have witnessed the sufferings of my wife during the last 13 years, and contrast them with her present enjoyment of health, you would indeed feel delighted in having been the means of so greatly alleviating the sufferings of a fellow-creature.

(Signed) WILLIAM GALPIN.

A PERSON 70 YEARS OF AGE CURED OF A BAD LEG, OF THIRTY YEARS' STANDING.

Copy of a Letter from Mr. William Abbs, Builder of Gas Ovens, of Rushcliffe, near Huddersfield, dated May 31st, 1851.

To Professor HOLLOWAY,

SIR,—I suffered for a period of thirty years from a bad leg, the result of two or three different accidents at Gas Works; accompanied by scorbutic symptoms. I had recourse to a variety of medical advice, without deriving any benefit, and was even told that the leg must be amputated, yet in opposition to that opinion, your Pills and Ointment have effected a complete cure in so short a time, that few who had not witnessed it would credit the fact. (Signed) WILLIAM ABBS.

The truth of this statement can be verified by Mr. W. P. England Chemist, 13, Market Street, Huddersfield.

A DREADFUL BAD BREAST CURED IN ONE MONTH.

Extract of a Letter from Mr. Frederick Turner, of Penshurst, Kent, dated December 13th, 1850.

To Professor HOLLOWAY.

DEAR SIR,—My wife had suffered from Bad Breasts for more than six months, and during the whole period had the best medical attendance, but all to no use. Having before healed an awful wound in my own leg by your unrivalled medicine, I determined again to use your Pills and Ointment, and therefore gave them a trial in her case, and fortunate it was I did so, for in less than a month a perfect cure was effected, and the benefit that various other branches of my family have derived from their use is really astonishing. I now strongly recommend them to all my friends.

(Signed) FREDERICK TURNER.

A WONDERFUL CURE OF A DANGEROUS SWELLING OF THE KNEE.

Copy of a Letter from John Forfar, an Agriculturist, residing at Newborough, near Hexham, dated May 15th, 1850.

To Professor HOLLOWAY.

SIR,—I was afflicted with a swelling on each side of the leg, rather above the knee, for nearly two years, which increased to a great size. I had the advice of three eminent surgeons here, and was an inmate of the Newcastle Infirmary for four weeks. After various modes of treatment had been tried, I was discharged as incurable. Having heard so much of your Pills and Ointment I determined to try them, and in less than a month I was completely cured. What is more remarkable I was engaged twelve hours a day in the Hay Harvest, and although I have followed my laborious occupation throughout the winter, I have had no return whatever of my complaint. (Signed) JOHN FORFAR.

AN INFLLAMMATION IN THE SIDE PERFECTLY CURED.

Copy of a Letter M. Francis Arnot, of Brewhouse, Lothian Road, Edinbro', dated April 29th, 1851.

To Professor HOLLOWAY.

SIR,—For more than twenty years my wife has been subject, from time to time, to attacks of inflamation in the side, for which she was bled and blistered to a great extent, still the pain could not be removed. About four years ago she saw, in the papers, the wonderful cures effected by your Pills and Ointment, and thought she would give them a trial. To her great astonishment and delight she got immediate relief from their use, and after persevering for three weeks the pain in her side was completely cured, and she has enjoyed the best of health for the last four years.

(Signed) FRANCIS ARNOT.

The Pills should be used conjointly with the Ointment in most of the following cases:—
