Important Caution to the Deaf.

DOCTOR HARTLEY, Aurist, No 51 Sanson st. Philadelphia, the only institution in America exclusively and successfully devoted to the treatment of ear diseases, and the only acknowledged Aurist in the United States, generously offers to attend all persons suffering from affections of the ear, without charge until cured, thereby proving his success unequalled, and protecting the deaf from being swindled by paying self-styled Aurists exorbitant fees in advance, and the infliction of yet more serious evil, by permitting the application of dangerous remedies by inexperienced and unskilful hands.

Dr. H. may here state that he has no connection whatever with any person advertising to cure deafness. Neither has he given permission for the publication of a "certificate," purporting to emanate from him, and cannot, therefore, be responsible for any alarming consequences resulting from rashness and desperation. The loss of money may not be material to some persons, but the deprivation of one of the most important of the senses ought to be regarded and treated with more than ordinary solicitude. 2t
