FIRE BRANCH.

Persons assured by this Company are not subject to any covenants or calls to make good losses which may happen to themselves or other, nor do they depend upon an uncertain fund or contribution, the Capital Stock of this Company being an unquestionable security to the Assured in case of Loss or Damage by Fire.

LIFE BRANCH.

In addition to the more customary methods of Insurance, the Company likewise Assures Live on any of the following contingencies:—

For the term of One Year, Seven Years, or any other definite period.

For Two Joint Lives.—The sum assured to be paid on the death of either.

On the longest of Two or Three Lives.—The sum assured to be payable at the death of the last survivor; or,

The Survivorships.—To secure the payment of the sum assured, if a life A die before another life B.

For a sum to be payable at age 60, or at death.

The important advantages afforded by the Company in the Life Branch will include the following viz;—

The Guarantee of an ample Capital, and Exemption of the Assured from liability of Partnership.

Moderate Premiums.

Large Participation of Profits by the Assured amounting to Two-thirds of its net amount, which may be applied at the option of the party effecting the Assurance;—1st. By the immediate payment of the sum so apportioned.—2nd. By an equivalent reduction of the future Premiums.—Or, 3rd. By an equivalent increase of the sum assured.

Small Charge for Management.—The expenses of the Office being borne in due proportion by the two Branches.

Prompt Settlement of Claims.

Policies lapsed by non-payment of the Premium may be renewed within three months, by paying the Premium, with a fine of 10s. per cent., on the production of evidence to the satisfaction of the Directors of the good state of health of the life assured.

The Company will always be prepared to Purchase the Policies of this Office, at their equitable value or will grant a New Policy in lieu thereof without any further payment of Premium, for a sum to be agreed on.

Extra Premiums, suitable to special circumstances, will be accepted to enable a party possessing a Policy on the life of another to guard against the possibility of its being vitiated by the Life departing beyond limits, or by any other cause.

Thirty Days are allowed for the Payment of Premiums after the day on which they respectively

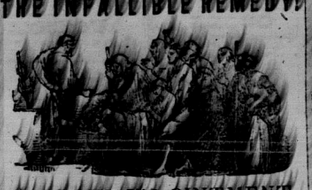
THE INFALLIBLE REMEDY!



HOLLOWAY'S OINTMENT.

ERYSIPELAS OF EIGHT YEARS DURATION CURED!

Copy of a Letter from George Sinclair, Esq. of Paris, Canada, dated the 18th of July, 1854.

To Professor Holloway.

Sir,—I feel a pleasure and pride in bearing witness to the wonderful benefit I have derived by the use of your inestimable Ointment and Pills. For eight years I suffered unceasingly from attacks of erysipelas; large purple blotches came all over my body; in addition to the unpleasant feeling of itching and burning, which effected me both night and day, rendering life misery to me, as well as to all around,—so severe was the attack. I used several reputed remedies without deriving the least consolation to my misery. At last, I determined to try your Ointment and Pills; after taking them for a few weeks, a visible improvement took place, and I feel considerably better;—in three months, by continuing with your medicines, I was completely cured, and now enjoy the best of health. The truth of this statement is well known hereabouts there is no necessity for me to request secrecy. I am, Sir, yours respectfully,

(Signed) GEO. SINCLAIR.

ULCERS IN THE LEG.—REMARKABLE CURE!

Copy of a Letter from Mr. Edward Tomkinson, of Cape Breton, Nova Scotia, dated the 4th May, 1854.

To Professor Holloway.

Sir,—My sister, Miss Jane Tomkinson, suffered for a great number of years from a bad leg, in which there were several deeply seated and old wounds, defying the skill of some of the most eminent of the faculty, a variety of remedies were also used unsuccessfully; and it seemed to me that there was at not any thing capable of mitigating the agonies she endured. At length she had recourse to your Ointment and Pills, and after using them for about five weeks, she was completely cured, after all other means had failed to afford her the slightest relief. I have no objection to these facts being published, if you feel disposed to make them known.

I remain, Sir, your most obedient servant,

(Signed) EDWD. TOMKINSON.

A BAD BREAST CURED WHEN AT DEATH'S DOOR!

Copy of a Letter from Mr. Henry Malden, of Three Rivers, Canada West, dated July 9th, 1854.

To Professor Holloway.

Sir,—My wife suffered most severly after the birth of our last child with a bad breast. There were several holes in it, one as large as a hand; all the devices and stratagems I tried would not heal them, but assumed an aspect more frightful than before, and horrible to behold. As a last resource I tried your Ointment and Pills, which she persevered with for seven weeks, at the expiration of that time her breast was almost well; by continuing with your remedies two more weeks she was entirely cured, and we offer you our grateful thanks for the cure effected.

I remain, Sir, yours truly,

(Signed) HENRY MALDEN.
