Holloway's Pills a certain Remedy for Indigestion and Liver Complaint.—Marie Armstrong of Three Rivers, Canada suffered more than most people from indigestion, accompanied by liver complaint, several very clever medical men told her she was in a consumption, and her friends despaired of her ever recovering, as she tried everything they thought likely to benefit her, without success. At last she tried Holloway's Pills, which quickly assimilated with the blood, removed the obnoxious matter, and thoroughly cleansed and renovated the system. The result is, that she was perfectly cured, and now enjoys the best of health. These Pills are also a certain cure for all diseases of the stomach and bowels.

FRIEND OF THE CANADIAN!

HOLLOWAY'S PILLS.

EXTRAORDINARY CURE FOR ASTHMA!!

OF AN OLD LADY SEVENTY FIVE YEARS OF AGE.

Copy of a Letter from Mr. Thomas Weston, (Book Store,) Toronto, dated the 9th October, 1854.

To Professor Holloway.

Sir,—Gratitude compels me to make known to you the extraordinary benefit an aged parent has derived from the use of your Pills. My mother was afflicted for upwards of four and twenty years with asthma and spitting of blood, it was quite agony to see her suffer and hear her cough; I have often desired that I would give all I possessed to have cured her; but although I paid a large sum for medicine and advice, it was all to no purpose. About three months ago, I thought perhaps your Pills might benefit her, at all events I resolved to give them a trial, which I did; the result was marvellous; by slow degrees my mother became better, and after persevering your remedies for nine weeks, she was perfectly cured, and now enjoys the best of health, although seventy five years old.

I remain, Sir, your obliged,
(Signed) THOMAS WESTON.

REMARKABLE CURE OF DROPSY!!

AFTER BEING TAPPED THREE TIMES.

Copy of a Letter from Anthony Smith, Esq. Halifax, Nova Scotia, dated 26th August, 1854.

To Professor Holloway.

Sir,—I desire to add my testimony to the value of your Pills, in cases of dropsy. For nine months I suffered the greatest torture with this distressing complaint; was tapped three times, and finally given up by the doctors, having become in appearance as a skeleton, and with no more strength in me than a child just born. It was then that I thought of trying your Pills, and immediately sent for a quantity, and commenced using them. The result I can scarcely credit even now, although true it is. After using them for four weeks, I felt much better, and by persevering with them, at the expiration of two months, I was completely cured. I have since enjoyed the best of health.

I am, Sir, yours sincerely,
(Signed) ANTHONY SMITH.

ASTONISHING CURE OF GENERAL DEBILITY AND LIVER COMPLAINT.

Copy of a Letter from James Reeves of Charlottetown, Prince Edwards Island, dated 11th Nov. 1854.

To Professor Holloway.

Sir,—I am happy to say that your Pills have restored me to health after suffering for nine years from the most intense general debility and languor, my liver and bowels were also much deranged for the whole of that time. I tried many medicines, but they were no good to me, until I had recourse to your Pills, by taking which and following the printed directions for seven weeks I was cured, after every other means failed to the astonishment of my neighbours, acquaintances and friends. I shall ever feel grateful to you for this astonishing restoration to health, and will recommend your Pills to all sufferers, feeling it my duty to do so.

I remain Sir, your humble servant,
(Signed) WILLIAM REEVES.
