Trea. of F. M. Board.

The above churches take up monthly collections for Foreign Missions. An excellent plan. Would it not be advisable for our churches to take the hint? Why not have a monthly prayer meeting especially for Missions? And let there be a synopsis of interesting facts gathered from the various reports, and espicially our own field of labor prepared by the pastor or some one appointed for that purpose, and read at this meeting. This will deepen the interest of our people in this good work.

LIEBIG'S
LIQUID EXTRACT OF BEEF.

Besides the Condensed Beef prepared from the best parts of the animal, the preparation contains Quinine, Peruvian Bark, and numerous herbs and roots grown for their tonic and health-giving properties.

THIS IS THE ONLY CONDENSED BEEF THAT DOES NOT REQUIRE COOKING OR WARMING. It was especially manufactured under the direction of BARON VON LIEBIG, before the late FRANCO-PRUSSIAN WAR, for the German soldiers. Its tonic qualities are much greater than those found in any ordinary Specific or Appetiser, and its nutritive properties are sufficient to sustain the body without the addition of solid food. It is now recommended by the Faculty in preference to anything else as the best remedy for

CONSUMPTION, GENERAL DEBILITY, LOSS OF APPETITE, LOWNESS OF SPIRITS, INDIGESTION, DYSPEPSIA, LASSITUDE, FEVER, AGUE, CHOLERA, ALL FEMALE AND CHILDREN'S MALADIES, SICK-HEADACHE, SEA SICKNESS INFLUENZA, &c.

Thoroughly Renews the Sytem.

There is only one liquid extract of Beef in Existence.

WEBSTER
SEWING MACHINE.

ANY one, wanting the BEST Family SEWING MACHINE, or the BEST for light manufacturing purposes, should not fail to see or try one of the

Webster Sewing Machines,

(lately patented) before buying any other, as it has many important improvements, over all others, and is now being manufactured in large numbers by the CANADA SEWING MACHINE COMPANY, Hamilton, Ontario, and wherever introduced is bound to take the lead, as it has already done in other places.

Some of the points of excellence claimed for the Webster, viz.:—

1. Greater simplicity, than has yet been obtained by any other machine.
2. Superiority of finish and workmanship, &c.
3. Most direct acting and easily regulated feed.
4. The total absence of gear wheels.
5. The most perfect Shuttle in the world, has self-adjusting tension, so that the tension can be much more easily obtained and continued, without any alteration, until the Bobbin is quite empty, and also the Bobbins are larger and therefore hold more thread.
6. The ware parts, are made, so as to be taken up and therefore always keeping the machine in good order.
7. Has revolving presser foot, so that the needle can be more easily fitted and threaded.
8. Is so simple, that no person can fail to learn to use one in a short time, and also cannot be put out of time or adjustment by use.
9. It is the most durable, the HEAVIEST and STRONGEST made, and for both fine and heavy work, has not any equal.
10. Has the best, most useful and complete set of attachments, viz.: 1 Plated Patent Ruffler, 1 Quilting guage, 1 Tuckmarker 3 Hemmers, 1 Spool of Thread, 1 Seaming guage, 1 Plate Screw, 7 needles, 5 Bobbins, 1 oil can, filled with oil, and Book of Directions, and all of which are given without charge.

Hundreds Cured daily in N. S.,

BY THE

DIAMOND
RHEUMATIC CURE.

Effectually curing hundreds of our Nova Scotia citizens from that terrible malady,

RHEUMATISM.

This statement is substantially a FACT based upon evidence in the possession of the agent, in the shape of numerous testimonials from past sufferers, in all the walks of life, and particularly from some of our most respectable and trustworthy families.

DIAMOND RHEUMATIC CURE.

In its history, this invaluable Medicine occupies the most honorable position possible for any remedy to attain. A few years since it was known only to the friends and neighbors and patients of the proprietors, and always sought for by them whenever troubled with Rheumatism, and in this way came to the notice of physicians generally, and through their favorable expression, and its acknowledged value as a Rheumatic Remedy, the demand for it became so frequent and urgent as to oblige its proprietors to increase their facilities for its manufacture. Its reputation rapidly extended, and soon orders, letters of enquiry, letters of thanks, and certificates of praise were daily received from all section of the United States and Canada; and in this way on a basis of its merit alone—unaided by "tricks of the trade" or special efforts—it has risen to its present enviable position. Wherever introduced it has received the most flattering preference in the treatment of all rheumatic complaints. In this we are really grateful and happy, not alone because our medicine finds ready sale, and is consequently profitable to us do we say this, but because we open a new field, in medical science, and cure at once what the best medical practitioners have for ages found so difficult even to relieve. We fill a place heretofore unoccupied. We, relieve the suffering and minister to God's poor; we restore the laboring man to the use of his injured limbs, and save him scores of times its cost in doctor's bills; we carry contentment and gladness into the home of the afflicted, and consequently are remembered by millions of grateful souls.

The proprietor of this medicine has walked the aisles of the hospitals of London, Eng., for the past twenty years, making rheumatism a specialty, and the prescription from which this remedy is compounded is all he ever used in the treatment of this disease.

This medicine is for sale at all the druggists throughout Canada. If it happens that your druggist has not got it in stock, ask him him to send for it to
