Deaths.

At Brunswick Place, in this city, on Saturday afternoon, the 9th May, after a comparatively short illness, of congestion of the lungs, departed this life, Eliza, wife of Judge McCurly, daughter of the late Richard Creed. She was a native of Kent England, and came with her parents to Halifax when she was quite young. On the 18th May, 1851, she was baptized by the Rev. John Miller, and became united with the North Baptist Church of this city. An unobtrusive, consistent, exemplary member of society and of the North Baptist Church since her union therewith. She has left a large circle of friends and relatives who best knew her worth. Her health had long been delicate—never very robust, but for the last twelve months better than usual. Confined to her room for a single day or so, she was bid to "*Come up higher*," and the messenger in command was speedily obeyed. She has we trust gone to enjoy that "rest" that remains for the people of God." Her sufferings were severe, but not protracted, and her sorrowing friends gathered around her couch of death, might we I have said—"Come see how a Christian can die." On Tuesday afternoon her remains were interred in the city Cemetery, Rev. Mr. Avery, her pastor, the Rev. Mr. Saunders, and a group of friends and neighbours attending to testify their respect towards an acquaintance, and a much respected member of this community. A large circle of friends and relatives residing in Amherst where she spent the first seven or eight years of her married life, as well as others, will sympathize, we doubt not with the Judge, and her children who sorrow for her departure —'but not as those without hope."

At Habitant, May 13th, 1874, Mr. John G. Wilmot aged 49 years, leaving a wife and eight children to mourn their loss. His end was peace.—*Christian Visitor* please copy.

At Hammond Plains, April 22nd 1874, Silas Thomson, second son of James and Sarah Thomson, aged 22 years.

On the 25th ult., Mr. Daniel T. Snide, aged 78 years.

On Monday, at Petpeswick, Susannah Elizabeth, widow of the late George Gates in the 77th year of her age leaving 14 children, 53 grand-children, and grand 7 great-children.

At the Poor's Asylum, on the 6th inst., David Spence, aged 79 years.

At Dartmouth, on the 10th inst., after a short illness, Margaret, widow of the late Alexander Farquharson, Esq., in the 85th year of her age. "Blessed are the dead that die in the Lord."

At Shubenacadie, at the residence of her son, Alexander Cameron, Jane Cameron, relict of the late Alexander Cameron, of St. John, N. B., in the 90th year of her age, deeply regretted by all who had the pleasure of her acquaintance. The deceased leaves 4 sons, 28 grand-children, and 68 great grand-children.

MR. C. GATES.—This is to certify, that I was sick of dyspepsia and indigestion, and that I could not eat any description of food without suffering great distress? I was also troubled with piles, owing to extreme costiveness. Having had the advice of our best medical men and finding no relief I began to consider mine a hopeless case; when Mr. Gates' agent called on me and recommended me to try Gates Remedies. I did so, though with little hope; but, I am happy to say, by their use, I have quite recovered my health, and now feel like a new man; and would heartily recommend them to any person who may be suffering as I was, and I have no doubt they will experience the same relief as I have.

My wife, also, was greatly troubled with asthma, so much so that for months she could not lie in bed; she commenced the use of Gates Remedies, and was relieved; in fact the medicines seemed to work like magic; and she is now able to get a good night's rest and suffers no inconvenience from the asthma.

My little girl was very bad with jaundice—so bad that I had to employ the doctor; but she got worse under his treatment. I was induced to try Gates' Jaundice Medicines, and one half bottle cured her.

THE
North British Cattle Food Company's
NUTRITIOUS CONDIMENT
FOR
Horses and Cattle.

All the principal prize cattle at the Royal Agricultural Shows, held at the Agricultural Hall, Islington, London, 'Xmas, '68, '69, '70, and '71, were fed on the North British Cattle Food Co.'s Nutritious Condiment.

THE NUTRITIOUS CONDIMENT has been used by the leading breeders, proprietors of racing establishments, and feeders of cattle and horses in England and Scotland for ten years, with great success. The largest contractors, omnibus proprietors, horse car companies, and owners of horses in the principal cities of Europe, also feed with it. The success attending its introduction in Canada was greatly in excess of the most sanguine anticipations of the Company, inasmuch as the large cargo consigned to Montreal in October '72 which was considered to be sufficient to last one year, was exhausted in three months.

Six hundred of the leading Veterinary Surgeons, Horse Owners, Contractors, Farmers, Express Companies and Lumber Dealers of Canada testify to its utility as an economical, health giving food, for Horses and Cattle.

A Condiment is generally considered to be a seasoner of feed. The Nutritious Condiment is, however, a great deal more than a seasoner. Although it will season and render palatable any description of coarse provender, such as chaff, chopped hay, &c., it is in itself a rich nutritious food. This will be seen by the system of feeding, which, if adhered to, will effect a saving of twenty per cent. in the cost of feeding, and the animals will be in a great deal better condition than when fed upon the old system.

The directions show that where the Condiment is used, one fourth of the oats used at each time of feeding are deducted, and the bulk is made up with chaff or chopped hay. One-fourth of a feed of oats costs more than four times as much as a measureful of this Condiment, (quantity, one gill costs one cent.) Then the cost of the chaff or chopped hay to make up the bulk is very trifling. Therefore it will be seen the "Nutritious Condiment besides possessing numerous advantages in point of health, is a cheaper method of feeding than the old system of plain oats.

The Condiment may be had at the Depot, 83 Lower Water Street, Halifax, and of Sub-Agents throughout the Province.

Put up in strong Cotton Bags, 100 lbs., $8.00; 50 lbs., $4.25; 25 lbs., $2 50; and 10 lbs., $1.25. There is a Tin Measure, with full directions, in each Bag.
