THE GOVERNMENT CORRESPONDENCE.

"MESSAGE TO THE HOUSE OF ASSEMBLY 18th March, 1861.

"J. H. T. NANNERS-SUTTON.

"His Excellency the Lieutenant Governor lays before the House of Assembly, copies of Correspondence between His Excellency and the Executive Council, and between His Excellency and the Attorney General, respecting Ministeral arrangements."

J. H. T. M-S.

To His Excellency the Honorable J. H. T. MANNERS SUTTON, *Lieutenant Governor, &c., &c.*

MAY IT PLEASE YOUR EXCELLENCY:—

The House of Assembly, on the 26th ult., appointed a Select Committee to investigate matters connected with the Crown Land Department. During the enquiry of the Committee, facts have been elicited which clearly show that the Attorney General, since he has held Office, has applied for, and obtained Crown Lands, in violation of well known regulations, and conditions of the Department.

We feel ourselves unable to justify, or defend such a proceeding, and have so informed the Attorney General, and have communicated to him our unwillingness to continue to act with him at the Council Board.

As the Attorney General has intimated to us, that he does not intend to tender his resignation, we feel it due to ourselves, as well as to Your Excellency, to request to be relieved from the offices which we hold, and our position at the Executive Council Board.

We are of opinion, that if the Attorney General had thought fit to tender his resignation to Your Excellency, the business of the Session could have been carried through by the remaining members of the Government, had Your Excellency been pleased to commit it to our charge.

MEMORANDUM FOR THE ATTORNEY GENERAL.

His Excellency the Lieut. Governor has this moment received a memorandum, signed by all the members of the Executive Council, with the exception of the Attorney General, in which they submit to His Excellency their unwillingness, for reasons stated in the Memorandum, to act with the Attorney General, at the Council Board, and request His Excellency, inasmuch as the Attorney General has intimated to them, that he does not intend to tender his resignation, to relieve them from the Offices which they hold, and their position at the Executive Council Board.

His Excellency thinks it right, in the first instance, to transmit a Copy of this Memorandum to the Attorney General.

His Excellency desires that any observations which the Attorney General may wish to submit to him, may be in writing.

J. H. T. MANNERS SUTTON.

3.30 P. M., March 13th, 1861.

To His Excellency the Honorable J. H. T. MANNERS SUTTON, *Lieutenant Governor of New Brunswick, &c., &c., &c.*

MAY IT PLEASE YOUR EXCELLENCY:—

I have read the memorandum addressed to your Excellency by the other members of the Executive Council, and observe that the whole subject of the Crown Land Department is now under the consideration of the Committee appointed by the House of Assembly; and I am prepared to abide the result of their enquiry and report, and of such action as the House of Assembly may take thereon.

In discussing the subject with my colleagues, they urged upon me to resign, intimating that if I did so, they would. I declined on the ground, that I was not prepared to admit that I had violated any regulation made by the Governor in Council, for the sale of Crown Land, or that I had done any wrong, legal or moral. I do not believe that the Committee will make me, individually, responsible for any irregularity which might have occurred in the Crown Land Department, if any have occurred, other than may be deemed fairly incident to the character and functions of such a Department.

Under these circumstances, and in this state of the question, before the proceedings of the Committee are reported to the House, or the evidence closed, I am of opinion that my colleagues had no right to call upon me to resign, and thereby voluntarily to assume the whole responsibility of the matter in complaint, and to subject me to the wholesome odium occasioned by any irregularity in the Crown Land Department. In justice to myself, to my constituents, and to my country, I could not resign. It appears to me that as the head of the Government under your Excellency, if they were not disposed to await the action of the House of Assembly, it was their duty to retire, and give me an opportunity of ascertaining whether I could not so reconstruct the Executive Council, as to be able to conduct the public business; and I now respectfully request your Excellency to authorize me to do so.

CHARLES FISHER.

Fredericton, March 14th, 1861.

MEMORANDUM FOR THE ATTORNEY GENERAL

HIS EXCELLENCY, THE LIEUTENANT GOVERNOR, has fully considered the Memorandum submitted to him by the Attorney General this afternoon.

It is not necessary for the Lieutenant Governor to discuss, on this occasion, the merits of the matter in dispute between the Attorney General on the one side, and his colleagues at the Council Board on the other.

It appears from the Memorandum (signed by eight members of the Executive Council,) a copy of which was, yesterday, transmitted by His Excellency to the Attorney General, and by the Attorney General's Memorandum submitted to his Excellency this afternoon, that all the members of the Government but one, have stated to the Lieutenant Governor, that they are unable to continue to act at the Council Board with the Attorney General, the other member of the Executive Council, and that they have, on this ground, tendered their resignations

The Attorney General, however, whose conduct is thus impugned by all his colleagues, as the gentleman who was, on the retirement of His Excellency's advisers in 1857 selected by His Excellency to undertake, subject of course to His Excellency's approval, the formation of a new Executive Council; and whom the Lieutenant Governor regarded as the Head or Leader of the Government, so formed by him, while it was in existence; and the Attorney General as the Head of the Government has requested His Excellency to re-construct the Executive Council.

Now, His Excellency must observe, that, when, in 1857, (as he had previously done in 1854,) he requested Mr. Fisher to submit to him the arrangements for the formation of a new Government, he did so, because he regarded Mr Fisher, at the time, as the organ of the Political Party which possessed a majority in the House of Assembly; and although the Government formed by Mr. Fisher in 1857, is practically no longer in existence, (for the Lieutenant Governor holds in his hands the resignation of eight out of nine members of it) yet if the Attorney General now held the same position which he held in 1857, there might have been some reason to expect a renewal in 1861, of the commission entrusted to him in 1857.—But that this is not so, is clearly apparent from the Memorandum of his colleagues; and while the Lieutenant Governor has on the one hand, only the Attorney General's request that he may be authorized so to re-construct the Executive Council, as to be able to conduct the public business; he has on the other hand, the representation of the eight other members of the Executive Council, that although they are unable to retain office with the Attorney General, yet if the Attorney General had thought fit to tender his resignation, the business of the Session could have been carried through by themselves.

His Excellency, then, upon a consideration of both these representations, must decline to authorize the Attorney General to submit to him the arrangements for the formation of a new Government. And he thinks it right, at once, to inform him, that he will, without delay, entrust to Mr. Tilley, (the Provincial Secretary,) the commission of preparing and submitting to him such official arrangements as may appear best calculated to promote the satisfactory conduct of the public business.

J. H. T. MANNERS SUTTON.

MEMORANDUM FOR THE PROVINCIAL SECRETARY.

His Excellency the Lieutenant Governor having received on Wednesday afternoon the Memorandum signed by eight Members of the Executive Council, including the Provincial Secretary, wherein they stated their unwillingness to continue to act with the Attorney General at the Council Board, and requested, on that ground, to be relieved from their official duties, forthwith transmitted a copy of the Memorandum to the Attorney General.

The Attorney General's Memorandum in reply to this communication was received by His Excellency yesterday afternoon; and having fully considered the subject as presented to him by both the Memoranda before him, the Lieutenant Government entrusts to the Provincial Secretary the commission of preparing and submitting to him such official arrangements as may appear best calculated to promote the satisfactory conduct of the puplic business.

His Excellency has communicated to the Attorney General his intention to take this step.

TO HIS EXCELLENCY THE HONORABLE J. H. T. MANNERS-SUTTON, LT. GOVERNOR. &c.

MAY IT PLEASE YOUR EXCELLENCY.

Impressed with the importance of the duty Your Excellency called upon me to perform this morning, I have given the subject my most earnest consideration, and now recommend Your Excellency not to accept the resignations of the Members of the Executive Council, tendered on Wednesday last.

Since the receipt of Your Excellency's Memorandum, I have had an interview with the Attorney General, and find that he is not willing to resign, either his seat at the Council Board or his Office.

Should Your Excellency act upon the recomendation I now make, it may be necessary that steps should be taken by Your Excellency to relieve the Attorney General from his Executive and official duties.

His Excellency the Lieutenant Governor, in accordance with the recommendation of the Provincial Secretary, declines to accept the resignations of the seven Members of the Executive Council, who, with the Provincial Secretary, tendered to him their resignations of the 13th instant; and His Excellency authorizes the Provincial Secretary to inform his colleagues that he regards these resignations as withdrawn

MEMORANDUM OF EXECUTIVE COUNCIL IN COMMITTEE:

To His Excellency the Honorable J. H. T. MANNERS SUTTON, *Lieutenant Governor, &c., &c.*

YOUR Excellency having declined to accept our resignation as members of the Executive Council, and we being informed that the Attorney General declines to resign his seat at the Council Board, and the office of Attorney General, we see no course left, but to advise your Excellency to dispense with the services of Mr. Fisher, as a member of the Executive Council. This being done, the principle of Responsible Departmental Government renders necessary the vacation of his office of Attorney General. Should he still persist in refusing to resign, we see no alternative but his suspension from office. We sincerely trust, however, that he will not compel your Excellency to adopt this course.

MEMORANDUM FOR THE ATTORNEY GENERAL

His Excellency the Lieutenant Governor has this morning received a Memorandum (of which a copy is enclosed) signed by all the Members of the Executive Council, except the Attorney General.

In transmitting this document to the Attorney General, His Excellency wishes to state, that the Attorney General's reply to it will be laid by His Excellency before the Executive Council.

J. H. T. MANNERS SUTTON.

March 16, 1861, 11 30 A. M.

To His Excellency the Honorable J. H. T. MANNERS SUTTON, *Lieutenant Governor of New Brunswick &c., &c., &c.*

MAY IT PLEASE YOUR EXCELLENCY:—

I have read the memorandum of the other members of the Executive Council, in which they advise Your Excellency to dispense with my services as a member of the Executive Council. If Your Excellency should be inclined to comply with their request, I trust that you will furnish me with the grounds of your proceedings in the matter.

I know of no principle of Government which necessarily vacates the office of Attorney General, on my being removed or suspended from the office of Executive Councillor; and should Your Excellency contemplate my suspension from that office, I respectfully request Your Excellency to furnish me with a statement in writing of the grounds of your intended proceeding, that I may have full opportunity of making answer thereto in writing, before Your Excellency finally determines.

My Colleagues are aware that my resignation would, in my opinion, compromise my character and my independence. These considerations alone, influence me in the course I have adopted; and without looking into the future at all, they are paramount. I regret that they have taken a course which has caused the difficulty. I am simply acting in my own defence, and for that purpose will employ every means the constitution affords.

According to the principles of Government now in operation, if I had resigned my seat in the Executive Council, I should also have resigned the office of Attorney General; but if I am to be removed, I shall avail myself, in self defence of every constitutional privilege which may attach to either office.

It appears to me unreasonable, that when my colleagues agreed to refer the whole question of the Crown Land Department to the Investigation of a Committee, they will not await the action of the Committee, but anticipate their report before they have any legitimate knowledge of the evidence, and propose to condemn me in advance. Now, I do not believe that the Committee will select me as a special object of their animadversion, and, entertaining that opinion, I am not disposed to stultify myself.

If after the Committee report, and the evidence is before the House, the action of the Assembly is unfavorable to me, I will not embarrass my colleagues an hour, but will take such a course as will leave them free to act in the way they conceive to be most beneficial to the public interests.

CHARLES FISHER.

AYER'S CHERRY PECTORIAL.

FOR THE RAPID CURE OF
COUGHS, COLDS, AND HOARSENESS

BRIMFIELD, MASS., 20th Dec., 1856.

Dr. J C. Ayer: I do not hesitate to say the best remedy I have ever found for Coughs, Hoarseness, Influenza, and the concomitant symptoms of a Cold, is Cherry Pectoral. Its constant use in my practice and my family for the last ten years has shown it to possess superior virtues for the treatment of these complaints. EBEN KNIGHT, M. D.

SPRINGFIELD, MISS., Feb. 7, 1856.

Brother Ayer: I will cheerfully certify your Pectoral is the best remedy we possess for the cure of Whooping Cough, Croup, and the chest diseases of children. We of your fraternity in the South appreciate your skill, and commend your medicine to our people. HIRAM CONKLIN, M. D.

ASTHMA OR PHTHISIC AND BRONCHITIS.

WEST MANCHESTER, PA., Feb. 4 1856.

Sir: Your Cherry Pectoral is performing marvellous cures in this section. It has relieved several from alarming symptoms of consumption, and is now curing a man who labored under an affection of the lungs for the last forty years. HENRY L. PARKS, Merchant.

We might add volumes of evidence, but the most convincing proof of the virtues of this remedy is found in its effects upon trial.

CONSUMPTION.

Probably no one remedy has ever been known which cured so many and such dangerous cases as this. Some no human aid can reach; but even to those the Cherry Pectoral affords relief and comfort.

ASTOR HOUSE, New York City, March 5, 1856.

Doctor Ayer, Lowell: I feel it a duty and a pleasure to inform you what your Cherry Pectoral has done for my wife. She had been five months laboring under the dangerous symptoms of Consumption, from which no aid we could procure gave her much relief. She was steadily failing, until Dr. Strong of this city, where we have come for advice, recommended a trial of your medicine. We bless his kindness as we do your skill, for she has recovered from that day. She is not yet as strong as she used to be, but is free from her cough, and calls herself well.

Yours with gratitude and regard,
ORLANDO SHELEY, of Shelbyville.

Consumptives, do not despair till you have tried Ayer's Cherry Pectoral. It is made by one of the best medical chemists in the world, and its cures all round us bespeak the high merits of its virtues.—[Philadelphia Ledger.
