ATTACKED BY A SHE BEAR.—As Miss Georgina Lindsay, of Middle Musquodoboit, with her aunt, Mrs. Stewart, was picking berries on Saturday last in the vicinity of a wood, they were suddenly set upon by a she bear with cubs. The bear lacerated Miss Lindsay in a frightful manner, inflicting severe wounds upon the scalp, and tearing the face fearfully with her claws. The aunt acted with heroic bravery, and actually beat the bear away from her neice. Miss Lindsay is in a fair way of recovery, but the bear is not, as a *posse* of neighbors, with a praiseworthy revenge, "popped" him out of existence on the following Monday.—*Hal. Chronicle.*

A PRESENT FOR HER MAJESTY.—We were shewn yesterday in the Provincial Secretary's office a very beautiful specimen of the handiwork of a young Nova Scotia lady, which she proposes to offer for the acceptance of Her Majesty the Queen. It is a hooked mat, representing groups of flowers, designed and worked with rare skill, and made almost entirely out of old garments, a fact which would hardly be suspected from the richness of the mat. Altogether it is an exquisite piece of work, well worthy of the acceptance of Her Majesty, to whom His Honor the Lieut. Governor has consented to forward it. The maker of the mat is Mrs. Handley Balcome, of Hillsburgh, Digby County.—*Halifax Paper.*

A GOOD MEDICINE.—The sale of MR. Fellows' Compound Syrup of Hypophosphites has been quadrupled within a year or so. It is really a good medicine, well adapted to build up the system and impart vigor of body and mind. It is recommended by our best Physicians, and we are glad for the sake of the public as well as of the manufacturer, who is one of our best Chemists, that Mr. Fellows' Compound Syrup of Hypophosphites is in such demand in all parts of the Dominion. Owing to fiscal obstructions they cannot be sold in the United States, whose patent-medicine-afflicted citizens are thus deprived of the advantage of using a really good invigorating medicine.—*St. John N. B., Journal Dec., 7th 1868.*

A factory has since been established in the United States.—*Editor.*

READ THIS CERTIFICATE.

IF YOU DOUBT, WRITE MR. GALER.

WILLIAMSBURG, L. I., 258 Grand St., June 11, 1866.

Messrs. B. L. JUDSON & Co.

GENTS: It is with great pleasure I write these few lines, not only as a recommendation, but as I feel a very great benefit derived from taking your Worm Candy (Dead Shot). I have suffered much for 10 years past, tried many medicines, been under treatment of physicians in this city, but all to no avail. I felt a gnawing sensation in my bowels, sleepless nights, and very nervous. I have now taken about ten sticks, and quite a number of tape worms, one several yards long, has come from me. I continue taking it, feeling quite a new man, my sensations quite different; and I recommend the same to the community at large, feeling confident, from practical experience, it is the best eradicator of worms in use.

Yours most respectfully,
DAVID GALER.

CITY OF BROOKLYN, KING'S COUNTY, } ss.

David Galer being duly sworn, deposes and says, that he is the same person described in the above certificate, and that the statement therein made by him is in every respect correct.

DAVID GALER. [L. S.]

Sworn before me on this 12th day of June, 1866. WILLIAM HUGHES, Com. of Deeds. { Int. Revenue Stamp.

M'KENZIE'S DEAD SHOT WORM CANDY

for sale by all Medicine dealers, at 15 cents per package.

HOW TRUE and how strange, that people should seek relief in the hieroglyphics of a doctor's prescription when they can buy as good, and nine times out of ten a better remedy than most doctors give, for the insignificant sum of 25 cents. We refer to Morse's Indian Root Pills, these pills cure Headache, Liver Complaint, Indigestion, Female Irregularities, and all bilious disorders, they are prepared from a formula pronounced by the most learned Physicians of our country to be the best and most universal of family medicines. Give them a fair trial and you will never be without Morse's Indian Root Pills.

In numbers there is safety, it is upon this principle that the formula of Johnson's Mountain Herb Pills was prepared. It was not the result of one man's knowledge. Dr. Judson, intending to spend a fortune in advertising his Pills, consulted the most intelligent and learned physicans of the age, and the result was the production of a simple but efficacious medicine the Judson's Mountain Herb Pills. These pills cure Biliousness, Dyspepsia, Liver complaint, Indigestion, Female Irregularities, &c.

The relaxing power of *Johnson's Anodyne Liniment* is truly wonderful. Cases are already numerous where bent and stiffened limbs have been limbered and strengthened by it. When used for this purpose, the part should be washed and rubbed thoroughly. Apply the liniment *cold*, and rub it in with the hand.

A crowd of "horse men," and others, daily throng the stores in country and town for *Sheridan's Cavalry Condition Powders.* They understand that horses cannot be kept in good condition without them, and with them can be kept on a much less quantity of grain.

BEWARE OF PALLIATIVE MEDICINES.—Of all the evils that afflict this and all other parts of this northern continent, vile nostrums, that quacks and empirics thrust before the public as cures for the most deadly of all diseases, consumption, is the worst. They generally cure a cough about as much as cold water, and the patient thereby lets the disease take such hold, and progress so far, that no human power will avail him. The benefit derived from palliative medicines is an early grave. Dr. Wilson's Pulmonary Cherry Balsam takes hold of the disease at the bottom, and effects a perfect cure. No cough can resist this famous restorative, and no remedy ever discovered has proved so effective—a fact to which myriads of living witnesses can testify.

When the liver becomes deranged, it is accompanied with shooting pains in the head, or a dull pain in the back part of the head, dimness of vision, the bowels are constipated, the stomach dyspeptic, the urine high colored, and sometimes scrofulous sores off the back of the neck and scalp. Treatment: take Dr. Wilson's Anti-Bilious and Preserving Pills according to directions.

We could not find room for all the testimonials for Dow could publish in favor of his Sturgeon Oil Liniment. It is sufficient that they are numerous enough to warrant us in recommending it to our readers as the best Liniment for man or beast.

All our horsemen, country merchants, and others who have used and sold them strongly recommend Clark's Derby Condition Powders to the public as an article of great value; and all say they never knew a preparation to become so popular in so short a time.

MARRIAGES.

DEATHS.

She sought and obtained the one thing needful. She was now truly happy, and evinced her love to Jesus day by day. During her last illness her peace flowed like a river. With confidence unshaken she could exclaim—

Happy are they who their Saviour obey,
And have laid up their treasure in heaven.

At Jacksonville, on the 14th April, of consumption, Emily, wife of William Simonson, and daughter of the late John Burtt, Esquire, aged 32. Her end was peace.
