UNITED STATES.

President Johnson is ruling with a high hand. The developments of the last fortnight, says the *Tribune*, at Washington and New Orleans demand a graver and more thoughtful consideration than they seem to have generally received. Let us condense their most salient features into a few ideas, viz:—

1. The President informs Secretary Stanton that his resignation of the War Department would be acceptable.

2. Mr. Stanton replies that he considers it his duty to hold on.

3. Gen. Grant advises Mr. Stanton that the President has requested him [Grant] to take charge of the War Department, *pro tem.*, and that he has consented to do so.

4. Mr. Stanton responds that, such being the case, he gives way.

5. Gen. Grant being installed at the War office, he receives and passes an order from the President that Gen. Sheridan be deprived of the command at New Orleans, and that Gen. Thomas be sent there instead.

6. Gen. Thomas telegraphs that he is sick, and cannot go to New Orleans.

7. Gen. Hancock is to be sent instead.

8. Gen. Sickles is mustered out of command in the Carolinas, and Gen. Canby sent down to replace him.

9. Gen. Pope, commanding in Georgia and Alabama, has warning to set his house in order, as he is to be superseded as soon as may be.

10. Gen. Howard, chief of the Freedmen's Bureau, is to be supplanted directly by Gen. Gordon Granger, who is only a Colonel in the regular service, who got up the Johnson Soldiers' Convention at Cleveland last year, and who has ever since been revolving about the White House and attending to politics though ordered to join his regiment, which is on duty in the West.

11. The *National Intelligencer*, whose editor is the President's confidential organist, calls for the resignation of the residue of the Cabinet, indicating Gov. Seward as the member whose place is most urgently wanted.

12. The Rebel and pro-Rebel element is electrified by these movements into a preternatural activity and confidence, and is stimulating the President to go ahead in the course on which he seems to have entered.

GALVESTON, Sept 13.

Matamoras advices to the 4th inst. state that a proclamation has been promulgated, ordering the election of Deputies to Congress and for President and Chief Justice of the Supreme Court, on the 22nd of September. The district election will take place on the 5th, 7th and 8th. Congress meets November 20th; the President takes his seat on the first day of December, and the Chief Justice on the 1st of June.

NEW YORK, Sept. 16.

Special correspondence from Rio Janeiro, to Aug. 8th, reports a disastrous result to the expedition of the allied forces, fitted out at San Paulo to march to the distant Province of Malto Grosso and strike out the Paraguayans. The expedition was obliged to retire after advancing far into the Paraguayan territory. They were harrassed for 20 days by the enemy, and cholera also broke out, carrying off the principal officers and a large number of men. The Brazilians had not succeeded in making any material advance.

NEW YORK, Sept. 17.

Advices from Mexico via Havana to the 9th inst., and Vera Cruz 13th are received.

Admiral Tegethoff appeared at the Mexican War Office on the 4th, as the verbally authorised deputy from the relatives of the late Maximilian, to ask in the name of humanity the remains of the deceased. Juarez having refused the requests of Baron Magness and other influential persons, could not deliver the body of Tegethoff unless he presented the proper official documents from the relatives of the deceased; when such documents are shown he would permit the transportation of the body to Austria.

A Buenos Ayres letter mentions a rumor of intervention by England.

The allies were moving on the Paraguayan rear with 37,000 men.

VICTORY COMPLETE.

THE best families in St. John are full of praise in regard to SELEE'S HAIR LIFE. They say it restores grey hair so beautifully to its original color, removes all scurf and dandruff, and so effectually stops the falling of the hair; also that it is a most splendid HAIR DRESSING, rendering dry and brashy hair soft, glossy, and youthful. The Druggists also speak very highly of it, and do not hesitate to say it is the very best Preparation sold. It is very popular too, in Nova Scotia; in fact, SELEE'S HAIR LIFE is the choice of all ladies of nice taste. Its superior neatness makes it a favorite. Sold by all Medicine Dealers.

FELLOWS' COMPOUND SYRUP OF HYPOPHOSPHITES.

For Nervous and General Debility, whether arising from a sedentary life, unhealthy occupation, a tropical climate, or any other cause.

For Pulmonary Consumption, Bronchitis, Inward Wastings.

For Dyspepsia or Indigestion.

For Rickets, Weakness of the Joints and Muscles, Loss of Appetite, Lowness of Spirits, Impurity of the Blood.

The effects produced are return of appetite, improved digestion, increase of flesh, good spirits, rosy cheeks and red lips, returning strength to the nervous and muscular system, and gradually all the functions of the body are restored to regularity, health and vigor. Its actions on the secretions of the respiratory organs are manifest in a very short time, the mucous and morbid matters are easily voided; it assists expectoration without depressing the patient, (this alone is a very valuable discovery, as we have not in the history of medicine an expectorant which is not also a depressant,) hence the patient is relieved from those racking paroxysms of cough without being subjected to debilitating influences.

THE GENUINE FELLOWS' COMPOUND SYRUP OF HYPOPHOSPHITES is put in pint bottles with our name blown on them, and sold at $1.50 per bottle, or six bottles for $7.50.

THE HYPOPHOSPHITES AND COD LIVER OIL, $1.25 per bottle, or six for $6.

Prepared only by FELLOWS & CO., CHEMISTS, St. John, N. B., who are the sole Proprietors and Manufacturers.

The deceased had been for many years an humble follower of the Lord Jesus; and a consistent member of the 1st Cambridge Baptist Church. By her quiet, kindly disposition, she won the esteem of all who knew her; and down to death maintained that patient trust in her Redeemer that had characterized her through life. Her family have lost an affectionate wife and mother, the community a sympathizing friend, and the church of God a devoted Christian. The funeral ceremonies were conducted by Rev. H. Harris, who addressed a large and solemn congregation from the words, "Let me die the death of the righteous, and let my last end be like his."

During her protracted illness, she was supported by the divine consolations of the Gospel, and died trusting in the merits of her Redeemer.

Dearest loved one, whom we cherished
With a fond and loving trust,
Thou hast from our circle gone
To moulder in the dust.
We sorrow we resign thy form
Into the cold, dark tomb;
Bright angels shall thy spirit bear
In Paradise to bloom.
Then let us to Thy will submit
And own that Thou art just,
That when we too shall come to die,
Thy strength shall be our trust.

At London, on the 18th August, Elizabeth Sarah, relict of R. Lloyd, Esq. of Trospan, Wales, sister of Vice Admiral Gill, of Bath, and mother of Mr. C. Lloyd, of this city.

J. B. TAYLOR'S NEW IMPROVED SPINNER.

THE Proprietors of the above named SPINNER would respectfully call the attention of Farmers and others to the old and true adage, that "Time is Money." This being an acknowledged fact, why waste your time using the old-fashioned Spinning Wheel, when you may buy the above named Machine (which will do the work with one half the labor) for the comparatively small sum of $12. Any persons doubting the statements here made, are requested to call at our Manufactory any day between 8 A. M. and 6 P. M., and see the Machine work, in order to be convinced of its superiority over all other Machines now in use.

We do not ask you to buy without a trial; but if after a thorough trial you are convinced that it is as represented, we trust you will send in your orders, and give to home industry and native genius a share of the patronage so long (and not always satisfactorily) bestowed upon Foreigners.

Yours truly,
TAYLOR, SPRAGUE & HOLDER
Main Street, Indiantown, N. B.

☞ As certain parties have endeavored to misrepresent us by stating that we have no Patent for our Machine, we trust that no persons will be led astray by such reports, as any infringement on our rights will be treated with the utmost rigor of the law. T. S. & H.
