AYER'S
PILLS

Are curing the Sick to an extent never before known of any Medicine.

INVALIDS, READ AND JUDGE FOR YOURSELVES.

JULES HAUEL, Esq., the well known perfumer, of Chestnut street, Philadelphia, whose choice products are found at almost every toilet, says:
"I am happy to say of your CATHARTIC PILLS, that I have found them a better family medicine for common use, than any other within my knowledge. Many of my friends have realized marked benefits from them and coincide with me in believing that they possess extraordinary virtues for driving out diseases and curing the sick They are not only effectual but safe and pleasant to be taken, qualities which must make them valued by the public, when they are known."

The venerable Chancellor WARDLAW, writes from Baltimore, 15th April, 1854:
"DR. J. C. AYER—Sir: I have taken your Pills with great benefit, for the listlessness, languor, loss of appetite, and Bilious headache, which has of late years overtaken me in the spring. A few doses of your Pills cured me. I have used your Cherry Pectoral many years in my family for coughs and colds with unfailing success. You make medicines which *cure*, and I feel it a pleasure to commend you for the good you have done and are doing."

JOHN F. BEATTY, Esq., Sec. of the Penn. Railroad Co., says:
"*Pa. R. R. Office, Philadelphia, Dec.* 13, 1853.
"Sir: I take pleasure in adding my testimony to the efficacy of your medicines, having derived very material benefit from the use of both your Pectoral and Cathartic Pills. I am never without them in my family, nor shall I ever consent to be, while my means will procure them."

The widely renowned S. S. STEVENS, M. D., of Wentworth, N. H., writes:
"Having used your CATHARTIC PILLS in my practice, I certify from experience, that they are an invaluable purgative. In cases of disordered functions of the liver, causing headache, indigestion, costiveness, and the great variety of diseases that follow, they are a surer remedy than any other. In all cases where a purgative remedy is required, I confidently recommend those Pills to the public, as superior to any other I have ever found. They are sure in their operation, and perfectly safe, qualities which make them an invaluable article for public use. I have for many years known your *Cherry Pectoral* as the best Cough medicine in the world, and these Pills are in no wise inferior to that admirable preparation for the treatment of diseases."

"*Acton, Me., Nov.* 25, 1853.
"DR. J. C. AYER—Dear Sir: I have been afflicted from my birth with scrofula in its worst form, and now, after twenty years' trial, and an untold of amount of suffering, have been completely cured in a few weeks by your Pills. With what feelings of rejoicing I write, can only be imagined when you realize what I have suffered and how long.
"Never until now have I been free from this loathsome disease in some shape. At times it attacked my eyes, and made me almost blind, besides the unendurable pain; at others it settled in the scalp of my head, and destroyed my hair, and has kept me partly bald all my days; sometimes it came out in my face, and kept it for months a raw sore.
"About nine weeks ago I commenced taking your Cathartic Pills, and now am entirely free from the complaint. My eyes are well, my skin is fair, and my hair has commenced a healthy growth; all of which makes me feel already a new person.
"Hoping this statement may be the means of conveying information that shall do good to others, I am, with every sentiment of gratitude, Yours, &c.,
MARIA RICKER."
"I have known the above named Maria Ricker from her childhood, and her statement is strictly true.
ANDREW J. MESERVE,
Overseer of the Portsmouth Manufacturing Co."

CAPT. JOEL PRATT, of the ship Marion, writes from Boston, 20th April, 1854:
"Your Pills have cured me from a bilious attack which arose from derangement of the Liver, which had become very serious. I had failed of any relief by my Physician, and from every remedy I could try, but a few doses of your Pills have completely restored me to health. I have given them to my children for worms, with the best effects. They were promptly cured. I recommended them to a friend for costiveness, which had troubled him for months; he told me in a few days they had cured him. You make the best medicine in the world, and I am free to say so."

Read this from the distinguished Solicitor of the Supreme Court, whose brilliant abilities have made him well known, not only in this but the neighboring States, short
"*New Orleans, 5th S*
"Sir: I have great satisfaction in assuring you, myself and family have been very much benefited by your medicines. My wife was cured two years since, of a severe and dangerous cough, by your CHERRY PECTORAL, and since then has enjoyed perfect health. My children have several times been cured from attacks of the Influenza and Croup by it. It is an invaluable remedy for these complaints. Your CATHARTIC PILLS have entirely cured me from a dyspepsia and costiveness, which has grown upon me for some years,—indeed this cure is much more important, from the fact that I had failed to get relief from the best Physicians which this section of the country affords, and from any of the numerous remedies I had taken.
"You seem to us, Doctor, like a providential blessing to our family, and you may well suppose we are not unmindful of it. Yours respectfully,
LEAVITT THAXTER."

"*Senate Chamber, Ohio, April 5th*, 1854
"DR. J. C. AYER—Honored Sir: I have made a thorough trial of the CATHARTIC PILLS, left me by your agent and have been cured by them of the dreadful Rheumatism under which he found me suffering. The first dose relieved me, and a few subsequent doses have entirely removed the disease. I feel in better health now than for some years before, which I attribute entirely to the effects of your CATHARTIC PILLS. Yours with great respect,
LUCIUS B. METCALF."

The above are all from persons who are publicly known where they reside, and who would not make these statements without a thorough conviction that they were true

The price of these instruments vary from £16 to £48, according to size and style. They are believed to be unsurpassed in all the essential points pertaining to good instruments, especially regard to Equality, Power, Sweetness of Tone. Promptness of Action, and style of Finish. Each instrument has a [illegible] no deduction can be made. [illegible] capable of judging an instrument stand [illegible] danger of deception

From a large number of recommendations voluntarily given by distinguished Musicans, the following have been selected:

[From William B. Bradbury.]
Messrs. Mason & Hamlin,—Gents, I heard with pleasure of your commencing the manufacture of Melodeons, feeling assured that you would be able from your practical skill, ample facilities, and peculiar advantages, to effect important improvements in the construction of these Instruments. Having now had an opportunity of examining a number of your Instruments, I am by no means disappointed in the result. You are certainly producing Melodeons which in all desirable characteristics are so far, as I can perceive, faultless. An Instrument possessing so many beauties, is admirably adapted to the parlor and the church, and I am satisfied that so soon as the public become acquainted with the superior merits of your Instruments your only trouble will be to supply the demand.
WILLIAM B. BRADBURY.

[From Lowell Mason.]
"After having carefully examined the Melodeons of Messrs Mason & Hamlin, I am enabled to say, that in my opinion, they are decidedly superior to any others with which I am acquainted."
LOWELL MASON.
New York, July 1, 1854.

[From George F. Root]
Henry Mason, Esq.—Dear Sir, [illegible] had an opportunity of examining Mason & Hamlins "Model Melodeons," I'm happy to bear testimony to their great excellence. In general characteristics, and especially in quality and uniformity of Tone and Tuning, they seem to me to be superior to any that I have yet examined.
Yours very truly, GEORG F. ROOT.

[From Edwin Bruce]
Mr. Henry Mason,—Dear Sir,—It is with much pleasure that I offer my testimony as to the excellence of the improved "Model Melodeons" manufactured by Mason & Hamlin. I have examined them with [illegible] their [illegible] and am prepared to express my [illegible] opinion, that they are the most perfect Instruments of the kind manufactured, so far as I know. I might mention several points, in which I think they excel, as the following; the *tone*, both as regards *quality* and *quantity*; the *action*, which is exceedingly prompt, and the tune, which is as perfect as any instrument well can be. I have no doubt that the "Model Melodeons" are destined to become universal favorites, as they really deserve. Yours, &c. EDWIN BRUCE
Conductor of Music at Bowdon Street Church
