HARRIERS WIN FIFTH ST. JOHN ROAD RACE

by MIKE NOBLE

The University of New Brunswick cross country runners remained undefeated over the weekend, racking up their fifth successive victory of the current campaign. However, UNB favourites were forced to take a back seat in the run for individual honors, as Minto's **Walter Williams**, and team-mate **Billy Best,** scored one-two in the annual Saint John 5-mile road race, Saturday. UNB's **Chris Williamson, Pete Schuddeboom** and **Mike Noble** ran third, fourth and fifth respectively. The first three across the finish line smashed the previous best of 27:16:4 for the gruelling course, with Walter Williams being credited for breaking his own mark by touring the 5.4-mile course in 26:32:08.

Minto Places One-Two

A record 72 entrants lined up at the start, and a record 72 completed the grind. At the gun, the pack moved quickly off their mark with UNB's **Williamson** and **Schuddeboom** moving out in front with **Best** and **Williams** of Minto. The first three miles, over relatively flat terrain, saw the competitors stretching out in a long line, with the four pacesetters comfortably in the lead. Then UNB's ace Harrier, **Chris Williamson** tried to break loose from his Minto rivals, by forcing the pace time again. Each attempt proved unsuccessful, but Pete Schuddeboom slowly lost ground under the relentless pressure put on by his running mate. With one-half mile to go Williamson could not respond, with the resulting Minto sweep of the top two spots, Williamson placing third, 75 yards back.

MacDonald Scores Winning Points

Minto's **Reg Hanson,** and UNB's **Amby Legere** watched anxiously for sight of the fourth and deciding man on each team. St. Malachy's **Claude Butler,** young midget sensation, finished sixth, while **John MacKenzie** of Simonds Regional High in Saint John captured seventh. **Bill MacDonald** of UNB, scored the all-important winning points with his tenth place showing, ahead of Minto in 11th and 12th spots. As a result of MacDonald's effort, UNB counted 21 points to Minto's 26, and with it the team championship. UNB's second team placed third with 80 points.

The victory by **Williams** avenged an earlier loss to UNB's **Williamson** while **Best** had suffered two setbacks at the hands of Williamson before counting his second place on Saturday. **Schuddeboom** and **Noble** have yet to gain a decision on their Minto rivals. The five tangle again on UNB's home course, November 18, for the Maritime Cross Country championships.

Jr. Bombers Wallop Mt. A

by Steve Twitchell

The UNB Jayvees crushed the Mt. A. Jayvees football squad for the second week in succession, Saturday, by a score of 45-6.

Russ Radcliff and **Dave Bagshaw** were the big guns for UNB. **Radcliff** fired two touchdown passes and ran another six-pointer himself. Bagshaw had 12 points for the afternoon, scoring two TDs'. Halfback **Jeff Smith** was credited with one tally, as well as making many long gains throughout the game. Scoring the other UNB touchdowns were **Doug MacAulay, Alex McNaught** and **Ken Harvey**. Harvey also kicked the only extra point of the afternoon.

Danny Waters gave UNB two points when he blocked an attempted Mt. A. punt.

Mt. A.'s only TD was tallied by **Ken Smith.**

UNB's Jayvees play their final game of the season at St. Thomas College, Saturday.

RED SHIRTS LOSE TWO — OUSTED FROM SUMNER CUP

by GEORGE VON WESTARP

The Redshirts came out on the wrong end of the score on two important soccer games last weekend. In each game there was no excuse for a loss, as chance after chance was missed to put the ball in the net.

The first game on Friday was at Mount A. and was lost by a 1-0 score, to finish the N. B. Intercollegiate series 3-2 in favour of the Marshmen. In spite of the biased report in a morning newspaper, Mount A. were by no means superior and for the first 25 minutes hardly managed to get out of their half. The only score in the game came from a UNB defensive error and a well taken shot by Chibwe in the resulting goal-mouth scramble.

The second half was notable for the chances UNB missed, including three break throughs with only the goalie to beat, and the excellent goal-keeping of Mount A's. Ivan Carey. Towards the end Mount A. held a definite edge and several times had the Redshirt defence well beaten only to shoot wide.

The second game on Saturday, was played on College Field with Saint John Dry Dockers winning 2-1 and knocking UNB out of the Sumner Cup. Starting off at a tremendous pace which was kept up for most of the game, the Dockers were a goal ahead in about 15 seconds. With the Saint John forwards splitting the Redshirt defense wide open with precision passing it was left to **Bob Sherry,** playing only his second game in goal, to come up with some brilliant saves, but these attacks soon produced another goal within 20 minutes. At this point the Redshirts steadied down, started to beat the visitors at their own game and turned what might have been a rout into an open, fast and exciting contest.

Gradually dominating the play the Redshirts eventually scored when **Tom Sifton** crossed the ball to **Joe Szammer** who nodded it beyond the full backs for **Andy Pianim** to run onto and crash into the net. After the interval the Redshirts did everything but score; on two occasions fate seemed to take a hand, a shot by **Pianim** hit the cross bar and **Terry Waters** following in, put his foot to the rebound only to hit the post; near the end a shot from **Waters,** fumbled by the goalie, rolled along the goal line, bounced off the far post and trickled out of play, while every player on the field stood paralyzed.

(**Ed. Note**—This is not the Ken Harvey who plays for the Red Bombers.

VARSITY BASKETBALL

There will be a general organizational meeting for all male students interested in playing Junior Varsity and Varsity Basketball, tonight at 7:30 p.m. in the Boxing Room of the Lady Beaverbrook Gymnasium. Plans and preparations for the oncoming 1961-62 season will be discussed by the coaching staff. It is important that all interested students turn out. Freshmen and Sophomores are especially invited.

GIRLS' SPORTS

Varsity Basketball Practice:

The first girl's varsity basketball practice will be held on Thursday night from 8:00 to 9:30 in the gym. All girls interested in trying out for the Varsity and JV teams and also anyone interested in learning more about basketball are invited to attend the first practice. This will be a 5 day clinic with the second practice being Monday, Nov. 6 from 5-6:30.

Varsity Volleyball:

A girl's volleyball clinic under the coaching of Miss Shaw ended with a tournament which was held on Thursday night. Stanley was top winner of the evening with 42 1/2 points; closely followed by UNB White with 40 points, UNB Red with 25 points, UNB Blue 20 points, Fredericton High 12 1/2 points, TC with 10 points.

Following the clinic and the tournament the girls Varsity Volleyball team was chosen. Following are the members: **Sharon Bickle, Peg Donovan, Betty Ann Douglass, Fran Gladwin, Ann Matheson, Janet Neilson, Cheryl Pierce, Pat Pickard, Sandra Pomeroy, Sandra Robinston.**

The first Varsity practice will be held tonight from 6:30-8:30. There will be another practice on Thursday evening.

BOMBERS LOSE 2nd TO MT. A.

The Red Bombers were once again defeated by the Mount Allison University Mounties, their second loss to the Mounties this season, by a 27-0 score in Sackville, Saturday afternoon.

Playing before one of the largest crowds ever to witness a football game in New Brunswick, the Bombers actually outplayed the Mounties for the entire first half. Unfortunately two costly fumbles deep in Mount A. territory prevented the Bombers from scoring.

The first half of the ball game was highlighted by the brilliant offensive and defensive teamwork displayed by the Red and Black contingent. At the end of the half there was no score in the game and it looked for a minute as if the Bombers would be in for a win.

Early in the third quarter, with the score still 0-0, the Bombers were called for a 'piling on' penalty which appeared to be the turning point in the game. The Mounties, who otherwise would have been forced to kick, gained a first down on the Bomber 30 yard line by virtue of the penalty. Within minutes **Milan Zipay** crashed over for the first of Mount A's four touchdowns. From this point on the Mounties took command of the ball game. This touchdown proved to be the back-breaker for the Bombers.

The Mounties added their 3 additional touchdowns during the third and final quarters. Final score 27-0 for the Mounties.

Summing Up

The Mounties worked all afternoon on the left side of the Bombers defensive line. They were hitting out left tackle slot with two and sometimes three men. This continued pounding produced three touchdowns for the Mounties.

The score does not give a true indication of the play. The Bombers put up a good battle up to the midway point of the third quarter.

The Bombers displayed a good deal of team work Saturday. This was the first time we've seen them playing as a unit.

The Bombers played a solid game and should they have scored a touchdown in the first half a victory may have been conceivable.

*In this game, the Bomber defensive unit came up with the better of the play. As the defense held the Mounties during the 1st half, the Bomber offensive team should have scored.
