This was the first game that St. FX played in the tournament whereas the Reds had played the day before against UPEI. Slipp says "that is what you get for coming in first or second in the league and that is what we're going to aim for next year."

As for the season Slipp feels "I think that we have had a great season and I think that we have a lot to build on from this and we have made big strides in a couple of years. I am so pleased with the kids with how much they give and how much they listen."

The Reds will be lossing the services of Donna Retson and Bridget Gamble to graduation. Slipp feels that the team will be loosing a lot of leadership with their graduation. Both Retson and Gamble has done so much for the team both on and off the court and this will be very hard to replace noted Slipp.

game after injuring his shoulder. He was named Player of the game for his efforts.

The Reds traveled to Wolfville to meet the Axemen for the second and what would be the final game.

UNB won the game 5-4 after getting an early 2-1 lead in the first period and never looked back holding a 3-2 advantage after 40 minutes. The Reds got goals from Andrews, Bill Wright, MacLean, Scott Cherry and Bill Lang.

Muscutt says "The win against Acadia was just fantastic feeling, a pretty memorable moment." As for the CIAU's Muscutt says "We have to get on with the next series (CIAU's). Hopefully it will be just as memorable as the next two games we play, if we play two games."

The Reds will begin their quest for their first CIAU hockey banner by playing against the University of Alberta. "We don't know that much about Alberta. Instead this hockey club needs to know is about ourselves. We have to bring our "A" game out if we are going to play against anybody, whether that be Acadia, Alberta or whoever," says Muscutt.

The Reds will be facing some tough competition and this is why the team has to be prepared, focused, and ready to go explains Muscutt. "I think that we are. It is just anxiety right now, we to get there and just want to get this thing over with."

As for ending his career with a AUAA banner and a trip to CIAU's Muscutt says "There is no better way to end it, maybe the next two games will be the best of it."

The Reds will be travelling to Toronto to play Alberta on Saturday, March 15th at 5pm (AST) in Varsity Arena and if they win that game they will play the winner of the Guelph-York game on Monday, March 17th at 8:30pm (AST) in Maple Leaf Gardens.
