More advantage to the Public at present, THAN THE

Great North American Railway!

Received, per ships *Lisbon*, from London, *Titania*, and *John S. Dewolf*, from Liverpool, and *Onyx*, from Glasgow—

EVERY description of CLOTHS, CASSIMERES, DOESKINS, TWEEDS, VESTINGS, Furnishing GOODS, HATS, CAPS, etc. etc., too numerous for an advertisement — the largest and best Stock imported this season—and is now being made into GARMENTS, to the present London and New-York Fashions, by first-rate workmen, and cut by an experienced Cutter, not excelled by any; and will be sold cheaper than can be purchased elsewhere in the Province.

I shall continue to give perfect satisfaction to customers, by selling Goods of the first quality, very cheap, and no advantage taken. Every article marked the lowest price, and no abatement, which has gained for this Establishment the merited praise, for the last Eleven Years, of being the CHEAPEST CLOTHING STORE IN THE CITY.

The subscriber will sell cheaper than the usual low price in consequence of large purchases received direct from the manufacturers, which give a decided advantage over all those who purchase in this market, or through an agent, or selling for other parties at their prices, and afterwards a profit for themselves, consequently the buyer pays two or three profits at such shops.

All parties studying their own interest would do well to visit the *New-Brunswick Clothing Store*, Water Street, before buying elsewhere, and be certain you enter at the SIGN OF THE GOLDEN LAMB. SAMUEL NEILL,

May 17. Proprietor.

CITY CLOTHING STORE,

No. 2 Market Square, and No. 2 Water Street,

ALL IN ONE ESTABLISHMENT.

JOHN ANDERSON,

RESPECTFULLY announces to the Public that he has added to his Store in the Market Square that spacious Building No. 2 Water Street, and having fitted it up in good style, with an entrance in Water Street as well as in the Market Square, makes the **City Clothing Store** the most unique and best arranged in the City.

And has received per ships "*Speed*" and "*John S. DeWolf*," from Liverpool, "*Lisbon*" from London, and per Steamer from Boston:—A large and well selected Stock of BRITISH and AMERICAN DRY GOODS, consisting of BROAD CLOTHS, CASSIMERES, Plain and Fancy DOESKINS, TWEEDS, Cashmeretts, SATINETTS, Russil Cords, KENNEBECS, Angolos, CASSINETTS, Linen DRILLS, MOLESKINS, Black and Figured SATINS, BARATHEAS, White Mosells, Black and Plaid SILK VELVETS, fancy Silk and Black NECK TIES and HKFS, Pocket ditto, HOSIERY, Mattrasses, Blankets, Sheets, and Rugs, Trunks, Travelling Bags, White Cotton SHIRTS with Linen Trimmings, Bosoms, Collars, and Furnishing Goods of all descriptions; a splendid variety of Gent's and Youths' CLOTH and Glazed CAPS, unequalled in this market; also a well selected Stock of Gents' Silk and Satin HATS, Gent's and Youths' Drab Felt do.

He has now for inspection, which he invites the Public to call and examine without regard to purchasing—One of the largest Stocks of CLOTHING in this Market, made of Cloths of the above importations, cut in the latest and most fashionable styles, and made up in a substantial and workmanlike manner, all of which will be sold at the lowest prices.

The liberal patronage which the City Clothing Store has received from the Public, and the steady increase from year to year, has induced the Proprietor to extend his Establishment to its present extent, convinced that a discriminating Public will always encourage those who make up good articles and sell at fair prices.

As it happens very often that strangers on visiting the City Clothing Store, state that they are almost afraid to purchase Ready made Clothing, in consequence of having been so shamefully taken in at some of those Puffing Establishments in our City, who in fact only exist by sending forth through the medium of the Press, in the shape of editorials, cards, advertisements, &c., unfounded statements, deceiving a too credulous people, injuring the Honest Trader, and bringing disgrace on our City, the Subscriber takes this method of announcing publicly, that there are a few Stores in the Trade, where they can purchase a good article at a fair price, and that the CITY CLOTHING STORE is one of them, and he refers to the voice of the Public to substantiate the same.

P. S. CLOTHING made to order with neatness, punctuality and despatch. May 31.

REVIEW OF THE WORK

Marriage requires the fulfilment of several conditions, in order that it may be really the cause of mutual happiness. Could the veil, which covers the origin of domestic wretchedness, be raised, and its true source in every instance disclosed, in how many could it be traced to physical disqualifications and their attendant disappointments. Excesses are always injurious; the gift, which when used in moderation is fraught with advantage, becomes, when abused, the prolific source of mischief, and of greater less injury to the constitution and vital powers. The particular excesses, on the nature and consequences of which this Treatise professes to dilate are productive of greater misery to the human frame than any other to which it is subject.

This Work contains an accurate and complete account of the Anatomy and Physiology of the Reproductive Organs, and of their relative conditions in health and disease. Nor are these the sole contents of the work, the means of escape, as well as the nature of the danger, are pointed out in clear and intelligible language. It deservedly requires the closest attention and study, for what subject can be of more importance than the preservation of health, and of the physical capabilities of which every man should be possessed. It unfortunately, happens, that the unhappy victim of excessive indulgence and vicious habits, whether acquired in early life, or from the follies of advanced age, while suffering from their invariable consequences, unwisely entertains a fear of applying to a qualified physician for relief. Shame and the dread so frequently but erroneously entertained that these complaints are beyond the reach of art, alike restrict him, and prevent his seeking for assistance where alone it can be procured. In acting thus, he forgets that accurate discrimination in ascertaining the causes of disease, sympathy with the sufferer, and above all, secrecy invariably characterize the intelligent and practical physician, and to the medical man, who can show by his possession of the requisite legal qualification that he is entitled to esteem and respect in his professional pursuits the utmost confidence should be extended. DR. LA'MERT has obtained the highest medical honours as his diplomas testify, and the great extent of his practice for many years is a guarantee for his professional experience, which has reference almost solely to the treatment of these diseases.

The work may be had in St. John, of H. CHUBB & Co., price 2s. 6d. Stg.; Halifax, Messrs. MORTON & Co.; Quebec, Mr. NEILSON.
