TO THE ELECTORS OF THE CITY AND COUNTY OF ST. JOHN.

GENTLEMEN,—The recent appointment of JOHN JOHNSTON, Esq., to the Office of Stipendiary Magistrate, having vacated his seat in the House of Assembly, it is my intention to offer myself as a Candidate for your suffrages at the Election of a Member, in his place.

I am, Gentlemen, your obedient servant,
WILLIAM M. HOWE.

St. John, May 29, 1852.

To the Electors of the City and County of Saint John.

GENTLEMEN,—It is my intention to offer myself as a Candidate for the seat in the Assembly vacated by the resignation of JOHN JOHNSTON, Esquire.

In politics I profess to be Conservative, as I believe that gradual and progressive advance is preferable to sudden and organic change.

I am aware that many reforms in the administration of public affairs are needed. It will be my endeavour, if elected, to promote such reforms in our legislation as the changes in the genius of the people and the circumstances of the times may appear to render necessary.

The expenditure of Public Revenues should, I believe, be such as to provide for the proper performance of the public service, and be regulated in the same way as a liberal but prudent man would manage his private affairs; and that the strictest economy compatible with the due provision for the public wants should be observed.

I believe, Gentlemen, that the prosperity of the Province will be best promoted by such a course of legislation as will afford encouragement to all the different industrial pursuits in the country, which, I believe, will be best done by securing our own markets to our own people. At the same time, I would advocate Reciprocal Trade on fair and even terms.

I am also of opinion that the Legislature should undertake such Public Improvements as are calculated to develope the resources of the country—to promote its industries, and extend its commerce.

I am not aware of the existence of any distinct parties; and I shall, therefore, if elected, support any measure which I may conceive to be beneficial to the country, and oppose any I may think injurious, irrespective of the quarter from which it may emanate. I am, Gentlemen,

Your obedient servant,
G. G. GILBERT, Jun.

St. John, July 7, 1852.

To the Freeholders of the City and County of Saint John.

GENTLEMEN.—At the request of many respectable and influential Freeholders in this City and County, I have been induced at this time to come forward as a Candidate to fill the vacant seat in the House of Assembly, occasioned by the appointment of JOHN JOHNSTON, Esquire, to the Office of Stipendiary Magistrate. If I should be returned, I shall use my most strenuous exertions to promote the best interests of this City and County and the Province at large.
