THE EDITOR

RESPECTFULLY acquaints the PATRONS of the ROYAL GAZETTE, and the PUBLIC in general, that owing to the great rise of Paper and other Materials, for several years past, makes him under the necessity of altering the price of his News-Paper from 10s. to 12s. 6d. per ann. which price, he hopes, will not be thought unreasonable, when they take into consideration the advance of every article of consumption.

He therefore informs the Public, that the rise will commence the 1st of JULY next, which will enable those who are dissatisfied with the terms (and wish to discontinue the Paper) to give him notice thereof, in writing, *post paid*, as all accounts will be made up to that period.

He cannot omit embracing this opportunity of returning his sincere thanks for past favors, and hopes to merit a continuance of them in future. June 12, 1809.
