

to send her boat on board, which was complied with, but the Lieut. who went in her was detained, and put into the hold of the vessel, and orders given to fire into the boat, but Capt. Nichols was too quick for him.] The Decatur engaged a brig, belonging to the above fleet, under the guns of the Commodore's ship but thinking the hazard too great to attempt boarding her, let her pass. She has made 120 prisoners, 60 of whom were sent to Halifax, and the remainder are on board, has only 30 of her crew on board 81 being absent in prizes, and arrived previous to her. She has not lost a man during the cruise; has been to the long of about 20. lat. 46; thence run down the Western Islands, over the Grand Banks, by Halifax and home. Has been chased by several men of war, but escaped from them. Her sailing greatly exceeds the expectations of her owners. She came into Newburyport in a very handsome style, with about 50 flags, of various kinds, displayed on board of her.

SAINT JOHN, MONDAY, OCTOBER 12, 1812.

Thursday morning last, arrived in this City, via Halifax and Digby, a second English Mail for August—London papers by the Mail are to the 29th of Aug.—their contents are of the utmost importance; they furnish us with accounts of the Russians having had a desperate action with the French, on the 15th August, in which the latter lost 18,000 in killed and wounded, and 14,000 prisoners, for which we refer our readers to the preceding columns.

Last evening the Quebec Mail also arrived in this City, via Fredericton,—Quebec papers to the 24th ult. are received; they furnish but little to our present stock of good news.

PRIZE!!!—Arrived this morning, privateer General Smyth, Capt. Borlas, from a cruise. The General Smyth has captured the American brig Reward, laden with flour, &c. from Salem, bound to Spain, cargo valuated 14,500 dollars—the prize is in the offing.

DROWNED] At Kennebeckacis, on the 21 inst. Mr. SETH BENSON, an old and respectable inhabitant of King's County. He was unfortunately drowned when in the act of getting out of a wood-boat into a canoe, which upset.

It is with regret we have also to record the death of Lieut. A. COOPER of the Royal Artillery, who on Sunday the 4th inst. met a similar fate.—Capt. M'Laughlan, R. E. Lieut. Cooper, and a Soldier, were proceeding to Fredericton in an Indian canoe, and on which they had set a sail; when at the upper end of Long Island, a flaw of wind unfortunately upset the canoe, and Lt. C. was drowned. The other two with some difficulty reached the shore.
