FREDERICTON, 3d NOVEMBER, 1813.
MILITIA GENERAL ORDERS.**

His Honor the President and Commander in Chief has been pleased to direct that the following General Order, together with the papers accompanying it shall be published for the information of the Militia Forces in this Province.

J. GUBBINS, Lieut. Colonel,
Adj. General Militia Forces.

**ADJUTANT-GENERAL'S OFFICE,
Head-Quarters, Montreal, 10th Oct. 1813.
GENERAL ORDERS.**

His Excellency the Governor in Chief and Commander of the Forces has received a Despatch from the Right Honorable the Earl of Bathurst, by command of His Royal Highness the Prince Regent, declaring His Royal Highness' approbation of the conduct displayed by the different Troops engaged under the command of Major Macdonald of the Glengary Light Infantry Fencibles, against the enemy's Post of Ogdensburg. The complete success, which attended this attack is in itself sufficient evidence, if any were wanting—and His Royal Highness is peculiarly gratified to find, that the Militia have, in this, as in previous instances, emulated the example of the Regular Army.

In considering the case of Captain Jenkins of the Glengary Light Infantry, and Lieut. Impey, of the Militia, whose gallantry has been so eminently conspicuous.—His Royal Highness has great pleasure in acceding to the recommendation of the Governor and Commander of the Forces, by extending to Lieut. Impey the same remuneration according to his Rank, which Captain Jenkins will be intitled to receive as an Officer of a regular Regiment. And His Royal Highness is pleased to authorise and command, that with respect to Lieutenant Impey, and other Militia Officer in a similar situation, being wounded on actual service, do henceforth receive out of the Colonial Revenue, the same annual provision to which they would have been intitled, had their wound been received while serving in the Regular Army.

In order that His Royal Highness' views may the more effectually be carried into execution, a statement of the allowances granted to wounded Officers is hereunto annexed.

Adjutant General, N. A.

CIRCULAR, No. 114.

WAR-OFFICE, 20th JUNE, 1812.

SIR,—His Royal Highness the Prince Regent having taken into his consideration the cases of those Officers of the Army who have sustained serious and permanent injury in Action with the Enemy, and being desirous of marking His Sense of their services, by extending to them a permanent provision in addition to those allowances which are given under the existing regulations, has been graciously pleased to order, in the name and on the behalf of His Majesty, that Pensions shall be granted to such Officers, according to the Regulation and Scale herewith transmitted: and I have the satisfaction to add, that Parliament having, by their Vote, given effect to His Royal Highness' liberal and beneficent views, these Pensions will commence from 25th December, 1811, in all cases in which the injury may have been sustained previously to the 25th December, 1810; and from the expiration of a year and a day, in the instances of wounds received subsequent to that date.

In executing these His Royal Highness' commands, I beg to assure you, that it gives me much gratification to communicate to this additional and striking proof of His Royal Highness' most gracious attention to the merits and services of the British Army; and I request you will use the earliest means of making the same known to the Officers of the Regiment under your Command. I have the honor to be, Sir, your most obedient humble Servant,

(Signed) PALMERSTON.
Colonel of the Regt. of

REGULATION for granting Pensions to Officers of His Majesty's Land Forces, using an Eye or a Limb on Service.

IF an Officer shall be wounded in Action, and it shall appear upon an inspection made of him by the Army Medical Board, at any period not sooner than a year and a day after the time when he was wounded, that he has in consequence of his Wound lost a Limb or an Eye, or has totally lost the Use of a Limb, or that his wound has been equally prejudicial to his habit of body with the Loss of a Limb; such Officer shall be intitled to a Pension, commencing

from the expiration of a year and a day after the time when he was wounded, and depending as to its amount upon the Rank he held at that period, according to the Scale annexed. This Pension, being granted as a compensation for the injury sustained, is to be held together with any other Pay and Allowances to which such Officer may be otherwise intitled, without any deduction on account thereof.

Officers who shall have lost more than one Limb or Eye, shall be intitled to the Pension for each Eye or Limb so lost.

And as the Pension is not to commence till the expiration of a year and a day from the date of the wound, it is to be independent of the Allowance of a year's pay, or the expenses attending the cure of wounds, granted under the existing Regulations.

Applications for this Pension are to be made in the same manner in which claims for the year's pay are now made to the Secretary at War; and must always be accompanied by the Certificate of the Army Medical Board, if the Officer applying is at home, and by that of the Principal Medical Officer on the Station where he is, if the Officer is abroad.

In the latter case, however, the Officer must, as soon as he returns home, be inspected by the Army Medical Board, and transmit their Certificate to the Secretary at War.

All Officers who may have sustained such an injury as would intitle them to this Pension, by any Wounds received since the commencement of hostilities in the year 1793, will, upon the production of the proper Certificate from the Army Medical Board, be allowed a Pension proportioned, according to the Scale, to the Rank they held at the time when wounded, and commencing from the 25th December, 1811.

This Allowance will be granted in general according to Regimental Rank, but in cases in which, in consequence of their Brevet Rank, Officers shall have been employed at the time when they were wounded, in discharge of Duties superior to those attached to their Regimental Commissions, it will be given by the Brevet Rank.

Given at the War-Office, the 20th Day of June, 1812.

By Command of His Royal Highness the Prince Regent, in the Name and on the behalf of His Majesty.
(Signed) PALMERSTON.
