

FREDERICTON, (N. B.)

30th SEPTEMBER, 1817.

From the London Gazette, July 26.
This Gazette notifies, that the Duke of Northumberland has taken the oaths on his appointment as Lord Lieutenant of that County; that the Prince Regent has conferred the honor of Knighthood on W. H. Robinson, Commissary General in Canada; and permitted the 94th Foot to bear on their colours and appointments the word "Victoria." It also contains the proceedings of the Chapter held for electing Lord Bathurst a Knight of the Garter.

An English frigate had arrived at Leghorn to take on board five millions in specie. This sum is a reimbursement to England from the King of Sardinia, for the expences of the war.

A Bill has passed both Houses of Parliament, which removes the principal obstacle to the entry of the Roman Catholics in the Army and Navy. By this Bill they are relieved from the necessity of taking the oaths, or subscribing to the declarations which were before an impediment to their advance, and thus situations of the highest rank are now open to them in the naval and military professions.

PROVINCIAL VACCINE INSTITUTION—NEW-BRUNSWICK.

AS it appears, that, notwithstanding the anti-variolous properties of the Cow-pox have long since been established beyond all doubt, the practice of Vaccination has frequently been neglected in the Province of New-Brunswick; and that some obstacles have prevented its general use: the formation of a Public Institution, with a view of obviating those difficulties, and averting the calamities which are to be expected from the prevalence of Small-pox, cannot fail to be attended with the most beneficial effects.

In a country where the Small-pox has rarely been known, and where there exist some thousands who have no security against its attacks, the extent of the evil which might result from the casual introduction of this disease, is scarcely calculable; and the hazard to which the community is exposed from this source, owing to the vast concourse of emigrants arriving in the Province, recent occurrences render sufficiently obvious.

A Vaccine Institution is, therefore, now formed under the auspices of His Excellency the Lieutenant-Governor and the Members of His Majesty's Council, with a Committee at each station, for the purpose of carrying into effect the objects of the Institution.

PATRONS OF THE INSTITUTION.
His Excellency the Lieut. Governor.
The Members of His Majesty's Council.
FREDERICTON COMMITTEE.

The Hon. Jon. Odell,
Thomas Wetmore, Esq.
Rev. J. Somerville.
William F. Odell, Esq.

Rev. George Burns, D. D.
Alexander Boyle, Esq. Surgeon to His Majesty's Forces, and Secretary to the Institution.

ST. ANDREW'S AND MOOSE ISLAND COMMITTEE.

Robert Pagan, Esq.
Rev. S. Andrews.
The Commandant of Moose Island.
STATIONS OF VACCINATING SURGEONS.
St. John—J. Head, Esq. Surgeon.
Day of attendance, Saturday, 12 o'clock.
Fredericton & Vicinity—Surgeon Barnard, 98th Regt. William Woodford, Esquire, Surgeon.
Day of attendance, Monday, 12 o'clock.
St. Andrews and Moose Island—Assistant Surgeon Bett, 98th Regt.
Day of attendance, Wednesday, 12 o'clock.

REGULATIONS.
It is proposed that this Institution shall be attended with no expence to the Public. The Vaccinating Surgeons at each Station will keep a register of the names, age, and residence of those Vaccinated, with the result of each case; and a Quarterly Report will be transmitted by them to the Secretary to the Institution, for the purpose of being laid before the Committees, and published in the Gazette.

Vaccination will be performed gratis, and the days of attendance for this purpose will be once a week, as above mentioned, unless, for general convenience they may be hereafter altered by the Committee, of which public notice shall be given.

No other conditions are required from persons Vaccinated than regular attendance on the days appointed, until the progress and character of the Vaccine pustule be ascertained;—a circumstance of the greatest importance, in order to prevent the introduction of a spurious disease.

Charges of Vaccine Lymph will be furnished to Country Practitioners, free of expence; who are requested only to send lists to the Secretary, of the persons Vaccinated, agreeably to the manner above directed.

ALEX. BOYLE,
Secretary to the Institution.
