

Insert this week a copy of an Address to the Prince Regent from the Parliament of Lower Canada, in 1815, on the subject of the admission of Americans into the Canadas.

Prince Edward's Island, Sept. 1.

About a week since was stranded on the Bar of New-London harbour in this Island, the brig Harriet, Hanna, master, from Dublin, with passengers, and, it is said, bound to Quebec, and from thence to this Island, to load with timber, out eleven weeks.

Several affidavits having been made respecting the captain's conduct, and sent to his Excellency the Lieutenant-Governor, and we have no doubt but the captain will be taken care of.

The American papers express some fears that the negotiation between the U. States and the Court of Madrid, for the purchase of the Floridas, may have met with some obstruction from the interference of Great-Britain, who is supposed to have an eye to them herself.

American vessels are almost daily arriving in the Southern ports of the U. States, with cargoes of PLASTER OF PARIS, said to be from St. Andrews; but, probably, from Robinstown, or some other handy place adjacent.
