

SECRETARY'S OFFICE,
16th January, 1818.

WHEREAS divers Persons have at different Periods had allotments of LAND and have neglected to take out their GRANTS for the same as required by the Royal Instructions, notwithstanding the caution given on this subject in a Proclamation dated 24th January, 1815. Such Persons are therefore hereby notified that the LANDS which may have been so allotted to them, are by the Royal Instructions, forfeited, and are open to any new application, although the LANDS in question may have been cultivated or transferred to other Persons.

List of Persons who have forfeited their LANDS in the COUNTY OF NORTHUMBERLAND—2d Edition.

NAMES OF APPLICANTS.	DISTRICT.

Andrew Gray,	Kouchibouguac.
Thomas Smith,	Lower Bay du Vin River.
Thomas Kelly,	Bartholemew River.
Samuel Brown,	do.
William Johnstone,	S. W. branch Miramichi.
Hugh M'Donald,	Miramichi River.

LONDON, Nov. 17.
ROYAL SUCCESSION TO THE THRONE OF GREAT BRITAIN.
The death of the Princess Charlotte of Wales having disappointed the national hope of a lineal order of succession to the Crown through the Prince Regent, eldest male issue of his Majesty, it becomes a matter of great political interest to take a short review of the present condition of the Royal Family of England, and, therein, to reflect a moment upon what may be the probable course and order of the descent of the Crown of Great Britain.
It is known to every reader of English history that, towards the end of the reign of William the Third, upon the impending extinction of the protestant posterity of King Charles the First, it became necessary to have recourse to the descendants of James the First, the father of that Prince. The throne, upon the accession of King William, being li-

nited to Protestants, the Princess Sophia, Electress, and Duchess Dowager of Hanover, was fixed upon as the root of a royal stock. The Princess Sophia was the youngest daughter of Elizabeth, Queen of Bohemia, who was the daughter of James the First. This Princess was the nearest of the ancient blood royal who was not incapacitated by professing the Popish religion. On her, therefore, and the heirs of her body, being Protestants, the remainder of the Crown, expectant on the death of King William and Queen Anne, without issue, was settled by 12 and 13 William III. She is the common ancestor through whom alone the Crown of Great Britain can descend. This is the last limitation made by act of Parliament. The Princess Sophia dying before Queen Anne, the inheritance, thus limited, descended on her son and heir King George the First. And having, on the death of Queen Anne, taken effect in his person, from George the First it descended to his late Majesty, King George the Second. And from him to his grandson and heir, our present Gracious Monarch, George the Third.
The following is, we believe, a list of all the descendants now living of the Electress Sophia, to whose issue, being Protestants, the succession is limited; they are arranged in the legal order of succession; annexed are their respective ages; and the relationship of each to the head of the branch through which they derive their title, is marked by letters signifying son, grandson, great grandson, daughter, granddaughter, &c.: as some individuals derive by more than one title, they are enumerated as often as their rights occur, a reference being made to their former place:
I. Descendants of George III. eldest Son of Frederick Prince of Wales, who was great-grandson of the Electress Sophia. Ages:
1 George Prince Regent, S. 55
2 Frederick Duke of York, S. 54
3 Will. Hen. Duke of Clarence, S. 53
4 Edward Duke of Kent, S. 50
5 Ernest Duke of Cumberland, S. 48
6 Augustus Duke of Sussex, S. 44
7 Adolphus Duke of Cambridge, S. 43
8 Charlotte of England, Queen Dow. of Wurtemberg, D. 51
9 Augusta of England, D. 49
10 Elizabeth of England, D. 47
11 Mary of England, Duchess of Gloucester, D. 41
12 Sophia of England, D. 40
II. Descendants of Wm. Hen. Duke of Gloucester, younger Son of Frederick Prince of Wales.
13 William Duke of Gloucester, S. 41
14 Sophia of Gloucester, D. 44
III. Descendants of Augusta of England, Duchess of Brunswick, eldest Daughter of Frederick Prince of Wales, [she died 1813].
