 On motion, Ordered, that the Copy of a Letter (communicated to the House yesterday) received by His Excellency the Lieutenant-Governor from the Right Honorable Earl Bathurst, in answer to a communication made by His Excellency to His Lordship, in April last, inclosing the Address of the House of Assembly, relating to the Granting of Crown Lands, be inserted in the Journal of this House of this day—which is as follows:—

(COPY.)  
 "DOWNING-STREET, 30th JUNE, 1818.

"SIR,  
 "I have received and laid before the Prince, Regent, your Dispatch of the 8th April, transmitting an Address from the House of Assembly of the Province of New-Brunswick, in which they state the reasons for continuing a practice which has for some time past prevailed in New Brunswick, of making the Grants of Crown Lands to several Individuals conjointly.

"The explanation which the Assembly have afforded of the circumstances under which separate Grants are not made to every individual applicant for Land, has certainly removed the objection which I had originally felt to the practice of making Grants to an Individual and his Associates; and I, therefore, no longer see any objection to continuing the existing System, provided, that in every Grant the Lands be, as the Assembly state they are, distinctly apportioned to the several Grantees, and that each Grantee be separately and as firmly bound to fulfil the Conditions of the Grant, on his own particular Lot, as if he had taken out a separate Grant.

"I have the honor to be,  
 "SIR,  
 "Your most obedient humble Servant,  
 (Signed) "BATHURST."

"Lieutenant-Governor SMYTH,  
 "New-Brunswick."

Mr. Piers, by leave, presented a Petition of the Mayor, Aldermen, and Commonalty, of the City of Saint John, praying that power may be given them to raise, by assessment upon the Inhabitants of the said City, a sum of money, to be applied towards defraying the expense of erecting a new Building for a Poor House in the said City.

Which being read, was ordered to be received, and lie on the Table.  
 Mr. Piers, moved for leave to bring in a Bill, "to authorise the Justices of the Peace for the City and County of Saint John, to levy an assessment on the Inhabitants of the said City, for the purpose of Building a Poor House in the said City."

Friday, 12th February.

The two following Bills were read a third time and sent to the Council for their concurrence.

A Bill "for granting further aid in support of the Public Grammar School in Saint Andrew's, in the County of Charlotte."

On motion, resolved, That an Humble Address be presented to His Excellency the Lieutenant Governor, praying that he will be pleased to inform the House of Assembly, on what terms Grants of Land will be obtained in this Province, under the System recommended by the Right Honourable Earl Bathurst, in his Letter of the 30th June last; and in what proportion the Fees on Grants will be reduced, when several Applicants are included in one Patent.

The House, went into Committee on a Bill "to provide for the support of a Light-House, to be built on Point Escuminac."

Mr. Allen, from the Committee, reported, that day had gone into consideration of the Bill to them referred, and had agreed to the same, with amendments, under the title of a Bill "to provide for the support of a Light-House, upon Point Escuminac, in the County of Northumberland."—Ordered to be engrossed.

A Bill "to repeal an Act, intituled an Act to impose a duty on certain Articles imported into this Province, and part of a subsequent Act continuing the same."—was read a second time and ordered to be committed.

were yesterday politely handed a copy of the new Treaty as ratified and exchanged in the City of Washington, on the 13th day of January last, by John Quincy Adams, on the part of the United States, and the Right Hon. Charles Bagot, his Britannic Majesty's Envoy Extraordinary and Minister Plenipotentiary, on the part of His Britannic Majesty's, which we have given in a Supplement this day.

Boston papers to the 1st inst. have been handed us—their contents are uninteresting.

On Wednesday last, William Goodwin, was convicted of the offences of Forestalling and Regrating, and fined in the sum of forty shillings. This is the first conviction that we remember for these offences, in Fredericton, which, we presume, is the reason that so light a fine has been imposed; but we hope it will prove a warning to many who, there is much reason to believe, have long been in the habit of committing the same offences, in defiance of the law, and to the great injury of the community.

A South American privateer, which had been cruising in the Straights of Macassa, had been attacked by a fleet of Malay pirates, (they supposing her to be a merchantman,) and the whole of them captured—their crews were compelled to walk the plank. She had also captured a Chinese junk, and manued her.

The Committee on military affairs have made their report relative to the murder of Arbuthnot and Ambrister, and the conducting the Seminole war, and declare that they find much difficulty in separating the responsibility of the commanding officer, to his government, from the obligations of the United States to Spain;—they reprobate the conduct of General Jackson, in putting to death two individuals after the war had ceased, who were not amenable to the laws of the United States; and have submitted the following Resolution to Congress—  
 Resolved, That the House of Representatives of the United States disapproves the proceedings in the trial and execution of Alexander Arbuthnot and Robert C. Ambrister.
