CHEMICAL EMBROCATION,
 OR—WHITWELL'S ORIGINAL OPODELDOC.

Treble the strength of the hard kind.
 BEWARE OF IMITATIONS. THIS article is now, beyond all dispute, considered by every Physician of extensive practice in the United States as the best known external remedy in all cases of Bruises, Sprains, Gout, Rheumatism, Cramp, Numbness, Stiffness of the Neck or Limbs, Chilblains, Chapped Hands, Stings of Insects, Vegetable Poisons &c.
 The use of this celebrated remedy is not confined to the American States. Orders for it are constantly received from South America, the West Indies, Nova Scotia, Lower Canada, and in one instance orders were received from England and Russia.—In a late letter, to the Proprietor from St. Salvador, the writer observes, "Your Opodeldoc begins to be well known and fully appreciated," &c.
 Certificates have been received, sufficient to fill a column of a paper. A few only of the first respectability are attached to the directions—among which is one from a Physician of the highest grade in Europe or America.

Pause before you Purchase. No one circumstance can more fully prove the value and great demand for this Medicine, than the numerous servile and contemptible imitations in existence—some have so closely imitated the stamp and type of the outside wrapper, as to be difficult of detection, except only by the omission of the NAME. Therefore, as you value your Life or Limb, be sure to ask for and receive
Whitwell's Opodeldoc
 only, or you may be most wretchedly imposed upon.
 At the same place may be had, the
Aromatic Snuff,
 celebrated throughout the American Continent, in cases of Catarrh and Headache, Drowsiness, Depression of Spirits, Vapors, Dimness of Eye-sight, and all disorders of the head. From its most fragrant and grateful quality, it completely counteracts the effects of a bad atmosphere, and being greatly antiputrescent, is indispensable for all who watch with or visit the sick.

The Opodeldoc,
 is recommended by Dr. MITCHELL, of New-York, M. D. L. L. D. Professor of Botany and Materia Medica in their College of Physicians: The SNUFF, by Dr. WATERHOUSE, Professor of the Theory and practice of Physic in the University of Cambridge.
 The above articles, warranted Genuine, will constantly be kept on hand by SAMUEL KENDALL, jun. who is appointed Agent for the Inventors.
 Fredericton, 25th April, 1826.

NOTICE.
 THE Business of the late concern, will continue to be conducted by the Subscribers under the Firm of John & James D. Fraser, & Co.
