SURVEYOR-GENERAL'S OFFICE, 30TH MAY 1826.

IN order to afford every possible facility to Settlers, and to relieve them from the loss of time consequent on their attendance at Fredericton, Applications for Land may in future, if more convenient or agreeable to the Parties, be drawn up, and transmitted to the Seat of Government with the usual entrance Fees, by the Deputies of the Office, or the Gentlemen holding the situation of Secretaries to the various Agricultural Societies, but they must be made in the name of the Applicants and testified on Oath in the usual manner.

Petitioners to the number of Six, provided the Lands applied for be contiguous, may be permitted as heretofore to come out in one Grant, but in order to simplify the Public Business, each Applicant must be named in a separate Petition. Answers in the form of Printed Monthly Returns giving the decision of Council upon the Petitions in question, will be published in the Royal Gazette, and sent to the different Deputies and Secretaries of the said Societies, where they may be seen upon application; to which will be added a List of the Grants ready for delivery in the Receiver-General's Office.

This answer is on no account however, to be considered as authorizing a possession of, or going upon the Land prayed for, but on its being published, the persons applying will forward to Fredericton within Six Months the Fees due upon their Grants, and when the Fees are transmitted an Or-

der of Survey will be issued; and on the same being returned to the Office, a Deputy Surveyor will be authorized to put them in possession of their Land, under the authority of the Governor, and forward to the Surveyor-General a Certificate of his having done so, when the Grant will be made out.

The above Gentlemen will also be furnished with a correct list of the Grant and other Fees applicable to all cases, for the information of the Public.

To prevent the delays which have often happened in returning the Orders of Survey, the Deputies will be instructed to notify to the Applicants the receipt of the Order and fix a time for its execution, when such Applicant will be expected to be ready with the requisite assistance, and be able to pay the Deputy his allowed Fees and Charges, or give him satisfactory assurance for the same; in default of which, the Deputy will be instructed to return the Warrant within the time appointed, stating his reasons for not having carried it into effect.

Grant Plans will not be permitted to be made out from any documents but actual Surveys, except where Townships shall have been regularly laid out; and of which a perfect Survey shall be in the office; and for the better protection of the Settler as to his Boundaries, the Lots will be required to be more extensively and accurately defined than heretofore.

The Surveyor-General will be called up on yearly to lay before His Majesty's Council, a List of such Lands as shall appear to have been neglected, and not to have been cultivated according to the spirit of the Royal Instructions.

The Emigrant Settlers are especially desired to take notice, that the sale of Location Tickets is positively forbidden, and the buyers of these Tickets will not be considered as having any claim whatever to the Land under such purchase.

No Petition will in future be received unless drawn up and authenticated according to the established form.

N. B. The Applications through the Secretaries of the Agricultural and Emigrant Societies and the Deputies of Surveyor-General's Office are to be made from and after the 1st of July next, but the answers to the Petitions which have already passed the Council, will be forthwith published.

S. P. HURD, Surveyor-General.

BY AUTHORITY.

IN COUNCIL, 26th MAY 1826.

IT having been represented that many persons residing in various parts of the Province pretend to have claims, are still unimproved; and some of these Claimants have offered their Lots for sale: It is therefore ordered that unless the Claimants of these Lots do apply for and take out their Grants, and commence building and improving on their respective allotments, within one month, their lots shall be forfeited, and will be then open to application.

BY AUTHORITY.

IN COUNCIL, 27th MAY 1826.

WHEREAS Applicants for Land have been in the practice of selling the Allotments made to them without having taken out their Grants, notwithstanding they are required to make Oath that they have not bargained for the sale of such Lands: Notice is hereby given that this practice is strictly forbidden, and all Bargains made for the transfer of Land under the like circumstances, after this date, will be holden to be absolutely null and void; and the purchasers thereof will not be considered as having any claim to a confirmation of their Title.
